#### **ALI CAFE**

The Hari Raya 2022 campaign (April-May 2022) was aimed at enhancing the brand presence of Alicafé and Per'l products. The "Salam Dihulur, Maaf Di Pinta" contest (which offered holiday packages as prizes) utilising Above the line (ATL) tactics such as advertisements on local television, newspaper, radio and billboard displays, as well as social media advertising on Facebook, Instagram and YouTube to reach a wider audience. Below the line (BTL) promotions included point-of-sale materials (POSM) such as posters, shelf wobblers and other attention grabbers at outlets to gain further attention.

Another brand awareness campaign featuring Alicafé ran in August 2022 when Malaysians celebrated Hari Merdeka. The "Bangkit Dari Cabaran" campaign was featured on television commercials, radio and print advertisements, and through digital boosting.

During November and December 2022, the "Ole Ola Goal" contest campaign featured Alicafé, Oligo and Per'l through radio advertising and digital boosting. Held in conjunction with the FIFA World Cup 2022, Power Root carried out a nationwide campaign offering prizes such as 85-inch organic light-emitting diode (OLED) television sets and World Cup jerseys.

In January 2023, multi-talented Malaysian artiste Khai Bahar (Khai) was appointed Alicafé Ambassador for 2023-2024. In 2016, Khai started his career singing cover songs on online media platforms. Gradually, his hard work and dedication paid off and he is now considered one of Malaysia's most recognisable and talented entertainers. Khai's sizeable social media following will boost Alicafé's brand awareness and brand recognition among consumers. The popular singeractor brings with him a star aura, engaging personality and attitude which will help us elevate Alicafé to the next level.

#### **AH HUAT**

To penetrate a younger, wider market segment, Power Root explored different digital spaces in marketing Ah Huat products. We also continued to carry out marketing activities which had worked well for us before in promoting the Ah Huat brand through contests, POSM advertising and display support.

Power Root launched an addition to our Ah Huat line with the introduction of Ah Huat Herbal Tea in November 2022. To celebrate and raise awareness for this new product, purchasers of Ah Huat coffee packs were given a free can of Ah Huat Herbal Tea as part of our promotional push during the launch month.

Ah Huat's marketing campaign continued with the Ah Huat Thematic Video which aired in December 2022. This thematic video, incorporating Ah Huat values, was a prelude in our build-up to Chinese New Year 2023 and also led into the exciting announcement and events we made the following month.

In December 2022, Power Root also announced the appointment of Alvin Chong, the well-known Malaysian singer, actor and fashion icon who has more than 3.5 million followers across all major social media platforms, as our Ah Huat Ambassador for the next two years. Alvin's appeal transcends Malaysian borders as he is fast garnering a following in the Southeast Asian region.

Alvin featured in Ah Huat's first ever Chinese New Year song-and-dance music video which celebrated the start of the Year of the Rabbit and continued the story started in the December 2022 thematic video. It promoted the Ah Huat Triple Pack free of charge (FOC) Tumbler and Angpao prosperity gift pack special for Chinese New Year. Released in January 2023, the music video aired on television commercials spots and YouTube, and appeared on Key Opinion Leaders (KOL) seeding postings in January 2023. As part of our Chinese New Year campaign, we also reached out to a younger, Chinese-speaking audience through digitorials (digital advertorials) and contests on web-friendly e-platforms lifestyle sites such as Goody25 and Moretify.

#### FRENCHÉ ROAST

The Group's promotion of its newest brand continued with aggressive marketing via the 'Wonderful Again' campaign which ran twice in FY 2023 (July and October 2022) through a variety of communication mediums including advertising on television, radio, print, and billboards, as well as digital postings.

More targeted marketing promotions utilising promoter sampling booths on weekends for product sampling, secondary displays to drive visibility and incremental sales in high traffic areas at outlets, eye-catching POSM designs and free gifts as part of Frenché Roast purchases were launched to build awareness of the Frenché Roast brand. These also included the FOC Mug Promotion which gives a free mug for every purchase of two packets of Frenché Roast Salted Caramel Latte and the FOC Cookies Promotion.

We continued pursuing cross-category brand collaborations by teaming up with Rainbows Bread where customers received a free sachet of Frenché Roast Salted Caramel Latte with every purchase of Rainbows Sprouted Bread. This campaign ran across 91 stores at outlets such as AEON, Jaya Grocer, Village Grocer and Ben's.

Another cross-category collaboration saw us partnering with QL Eggs again this financial year with Frenché Roast samples being made available with purchases of selected classifications of QL Eggs at AEON, AEON Big, Jaya Grocer and Village Grocer.

#### **OLIGO**

Power Root followed up our previous collaboration with the Minions brand in conjunction with the release of the new Minion movie (Minions: The Rise of Gru) in 2022. The Oligo X Minion campaign was held in June and July 2022 with ceramic mug merchandise given out with purchases of Oligo products. This collaboration was supported with the deployment of advertisements via television commercials, cinema advertising, and digital marketing through digitorials and KOL postings.

Oligo also proudly served as the official partner of The Music Run by CIMB held on 3 December 2022 at Technology Park Malaysia. The event witnessed a staggering 18,000 participants. Prior to the event, Oligo and the event organisers held an online contest in October 2022 where the purchase of Oligo products allowed the buyer to take part in a contest to win free tickets to The Music Run. During the event, we deployed multiple sampling booths and an inflatable rock-climbing wall, and had Oligo products onsite for sale. A total of 28,000 cups of Oligo samples were successfully distributed to the audience during the event.

The Oligo brand was also part of Power Root's "Ole Ola Goal" contest campaign (which featured Alicafé and Per'l as well) which ran during November 2022 to December 2022 in conjunction with the FIFA World Cup 2022.

#### PER'L

Per'l collaborated with well-known beauty company SimplySiti in a cross-promotional initiative which opened the Per'l brand to a wider market. SimplySiti is a beauty product line started by national singing icon Dato' Sri Siti Nurhaliza. Under the promotion which started in July 2022 with business partners 99SM and Mydin, purchasers of Per'l Café (20g) received a free Dermagic relaxing mask from SimplySiti. Another promotion in October 2022 saw purchasers receiving a Gift with Purchase wristlet pouch when purchasing Per'lCafe.

Meanwhile, Korean singer and television personality Jang Han Byul continued to be the brand ambassador for the Per'l brand. The Per'l brand was also part of Power Root's "Ole Ola Goal" contest campaign (which featured Alicafé and Oligo as well) held in conjunction with the FIFA World Cup 2022, and the Hari Raya 2022 campaign "Salam Dihulur, Maaf Di Pinta" together with Alicafé to ensure continued brand recognition in the marketplace.

#### **EXPORT ACTIVITES**

The reopening of borders across the Middle East and North Africa (MENA) region saw an increase in the Group's export activities after a few quiet years. As economic activities in the region picked up, so too has the inflow of expatriates into these countries for both business and casual reasons. The return of workers and visitors proved to be a catalyst for our business as well. Demand was spurred further with the staging of the FIFA World Cup 2022 in Qatar and the rescheduled World Expo 2020 (which had been postponed due to COVID-19).

To bolster brand exposure, the Group carried out multiple branding campaigns across MENA countries, particularly during the second half of 2022. Offline initiatives included the "Raise Your Mug" Football Campaign and the Hanger and Hangsell Merchandiser Incentive Program. Online advertisements were deployed across prominent social media platforms such as YouTube, Facebook, and Instagram. Influencer Ahmad Alzamel, who has 4.2 million followers on Instagram was recruited to raise awareness of our brands as part of our KOL initiative in MENA.

"Raise Your Mug" Football Campaign held from 15 Aug 2022 to 14 Oct 2022; contest held with the winners.

#### **COMMUNITY OUTREACH**

As a young Malaysian company, Power Root realises the impact of strong community support, particularly in the early years of building our business. Such support encouraged and bolstered our confidence as we established ourselves in the industry. In the same spirit, Power Root seeks to support our community by nurturing young Malaysian talents as they set out to build their career.

Malaysia, with our diverse multi-cultural background, has a rich history in art. Today, many young Malaysian artists are producing stimulating and interesting compositions in an increasingly active art scene. Power Root is encouraging such artists by working with them as they develop their craft. We have adopted Haziq Syawal as our inaugural Artist-in-Residence. Haziq specialises in contemporary figurative drawing and painting skills, and has held solo and group exhibitions, as well as art fairs. Haziq will be collaborating with Power Root in producing art works which draw their inspiration from people and their surroundings explored through colours.

We believe that such encouragement will not only bring attention to the work of individual artists, but will also foster the growth of the Malaysian art market and we will continue to look for avenues to promote artists and the art eco-system in the country.

# CORPORATE SOCIAL RESPONSIBILITY

#### **CORPORATE SOCIAL RESPONSIBILITY**

As a local company with deep roots in Malaysia, we are well aware that our success has been made possible through the support of those around us. As such, we consider corporate social responsibility an integral part of Power Root's activities.

The Group resumed our visits to charity homes during Chinese New Year in January 2023. The visits, which had been temporarily halted in the past few years due to the COVID-19 pandemic, were to six homes - Persatuan Rumah Caring Kajang, House of Joy, Sungai Way Old Folks Home, Persatuan Kasih Sayang Kanak-kanak Padmasambhava Klang, Good Samaritan Home and House of Love.

Power Root's staff joined in celebrations with the residents and brought with them Ah Huat products, mandarin oranges, and angpows.

# MANAGEMENT DISCUSSION AND ANALYSIS

Power Root's financial year ended 31 March 2023 ("FY 2023") was our first full financial year following the COVID-19 pandemic. From a business perspective, the past few years had been challenging as we had to find innovative ways to manage our business amid the uncertainty. Our priority was staff safety as we strived to keep production and distribution output going while ensuring that we had an adequate supply of resources.

This past financial year has seen different challenges. From a wider economic viewpoint, the contraction and subsequent speedy expansion of activities as the pandemic shifted into the endemic phase tested different economic systems from labour, to the supply chain, to resource availability.

The removal of travel and movement restrictions combined with the opening of economies worldwide (with the exception of China, which reopened its borders later) have allowed for the full resumption of activities locally and globally. People feel safe returning to workplaces, resuming recreational activities, and shopping in malls. This return of foot traffic has allowed us to interact directly with customers again through our sampling campaigns and customer engagement pursuits.

While we have moved into a world of 'normalcy' now, the lessons we have learnt in the past few years have helped us in improving our practices, processes and systems. Such resilience and anticipation are being incorporated into the Group's business philosophy as we drive growth for our products which include Alicafé, Per'l, Ah Huat, Frenché Roast, Oligo and Extra Power Root.

Our 2023 growth pillars incorporated the continuous drive to improve operational efficiencies through technology, better communication, investment in employees, and excelling at the 5Ps of marketing (product, price, promotion, place and people). In addition, we continued to focus on new product development, inventory management through stock-keeping units (SKU) tracking, and pricing growth in line with market competition.

Increasing cost pressures, in particular in the costs of raw materials, energy and labour, were a major point of concern which we had to navigate in FY 2023. Foreign exchange (FX) fluctuations, particularly the Malaysian Ringgit's depreciation to its weakest point against the US Dollar in many years, impacted the cost of imported commodities though this was partially softened by improved FX returns resulting from our USD-denominated export sales.

#### MANAGEMENT DISCUSSION AND ANALYSIS

cont'd

Meanwhile, although we were not directly affected by the war in the Ukraine, such global instability and its repercussions on the global supply chain, commodities availability and pricing, as well as logistical issues will increase uncertainties and risks levels should the conflict persists.

Notwithstanding these challenges, Power Root continued to pursue our growth and operational strategies, paying particular attention to enhancing operational efficiencies instead of resorting to only hiking prices in order to defend our margins.

In the wider context, the Group has catered for our products to be in tandem with government initiatives and consumers' attitudes towards healthier consumption. Although the sugar tax implementation in Malaysia has been deferred indefinitely, the Group has made the necessary adjustments in anticipation of it, and will continue to strategically position our products in an increasingly competitive market.

The Fast-Moving Consumer Goods (FMCG) sector is a dynamic industry which faces increasing demands for high-quality products and services from discerning Malaysian consumers seeking items which offer convenience and value.

In recent years, there has also been a huge growth in the number of distribution channels with the establishment of newer specialty convenient stores such as CU Mart, and larger grocers such as TF Value-Mart, joining the more established outlets. Added to that, e-commerce platforms which gained a larger shopping audience during COVID-19 pandemic lockdown has continued to grow.

This proliferation of outlets has led to a larger selection of local and imported shelf products, thus competition in the beverage sector has never been higher. To stand out, products not only need to taste good, they have to be instantly recognisable and easily accessible, with a distinctive identity which appeals to consumers.

At the same time, consumers are increasingly pricesensitive as they face the impact of rising costs-of-living and inflationary pressures which reduces their purchasing power. Pricing has become a key factor as households decide which items or brands to purchase. Consumer behaviour is leaning towards product-switching instead of product-loyalty as consumers opt for lower-priced, affordable products which offer better value.

To stay competitive, we must meet these changing priorities and demands. Power Root products are price-friendly and we intend to keep it that way. Although Power Root did increase our prices in FY 2023 to offset the price hikes

in raw material and to defend our margins, strategically our goal is to grow our market share and increase our product range and line-up to cater to the widest range of consumers.

Consequently, Power Root is focused on product innovation to meet shifting demands and to retain existing customers. In addition, we are pursuing marketing strategies to differentiate ourselves from our competitors and to expand our customer base across all ages. These strategies are backed up by operational efficiencies, cost-control measures, and productivity improvements across sales, marketing, manufacturing and all other areas within the Group.

## ADAPTATION TO THE BUSINESS ENVIRONMENT

#### **Domestic Activities**

In a competitive and volatile business environment of FMCG, the Group is investing in measures which will give us better control over how we manage and adapt our business to meet the constant change in market demand.

Technology is a key weapon in our drive for continued efficiency. In the area of sales, the roll-out of the Sales Force Automation system has resulted in reduced time to market and provided significant data-tracking information. Tedious manual tasks and processes were eliminated as our salespeople now has more visibility into stock availability and can directly order the products for delivery more efficiently. Such real-time requisition improved delivery time and freed up the sales team for more value-added activities

such as achieving more frequent outlet visits in pursuit of higher sales. The tracking information also gave us better control over inventory movement within and outside our warehouses.

In addition, the Field Sales management system provided a more effective method of monitoring and measuring the movement of products in relation to orders, as well as in tracking team activities. This system enhanced our marketing activities in the execution of the 5Ps of marketing through easier and faster response in promotional set-ups, replenishment and SKU displays, product availability and pricing accuracy.

Better stock monitoring and a more disciplined approach to stock management resulted in a reduction of returned stocks and lower overstocking incidences in FY 2023. With enhanced visibility over stock movements and improved delivery time, we were able to channel stocks to fast-moving outlets more readily while avoiding overstocking in less active outlets.

These systems provided the leverage for the Group to adopt fresh Key Performance Indicators (KPIs) in managing sales processes, productivity, inventory levels and distribution effectiveness which maximised revenue generation while recognising the efforts of our sales team.

With these operational implementations, the Group has improved the lines of communication throughout the organisation. There is a better flow of information across the different functions which provides a more in-depth picture of our business as a whole. The availability of real-time data and data analytics gave us an insight into availability, logistics, customer purchasing pattern and feedback which is vital for future planning. At the same time, such information pinpointed areas of strengths and opportunities for further improvements which the Group was able to address more quickly.

#### MARKETING AND BRANDING

Creating and maintaining strong brand identities which appeal to targeted market segments are important aspects of our marketing and branding strategy. Power Root brands range from the well-established such as Alicafé and Ah Huat to newer market entrants such as Frenché Roast. These brands cater to consumers of different ages, different lifestyles and different tastebuds.

The Group's marketing efforts include marketing through seasonal campaigns and sponsorships to raise brand recognition, as well as marketing with smaller, targeted advertising through digital advertising, billboards, media, outlets and contests.

For an in-depth look at Power Root's marketing initiatives for each of our brands which was carried out in FY 2023, please refer to the Significant Events section on pages 11 to 20.

#### **NEW PRODUCT DEVELOPMENT**

#### **Ah Huat**

In November 2022, Power Root launched a new addition to the Ah Huat family of products. Made from nine different herbs including American Ginseng which can invigorate Qi and relieve fatigue, Ah Huat Herbal Tea provides a refreshing taste for consumers and is currently the only Ah Huat product which comes in a can.

#### **EXPORT ACTIVITES**

The reopening of borders across the Middle East and North Africa (MENA) region saw an increase in the Group's export activities after a few quiet years. As economic activities in the region picked up, so too has the inflow of expatriates into these countries for both business and casual reasons. The return of workers and visitors proved to be a catalyst for our business as well. Demand was spurred further with the staging of the FIFA World Cup 2022 in Qatar and the rescheduled World Expo 2020 (which had been postponed due to COVID-19).

To bolster brand exposure, the Group carried out multiple branding campaigns across MENA countries, particularly during the second half of 2022. Offline initiatives included the Raise Your Mug Football Campaign and the Hanger and Hangsell Merchandiser Incentive Program. Online advertisements were deployed across prominent social media platforms such as YouTube, Facebook, and Instagram. Influencer Ahmad Alzamel, who has 4.2 million followers on Instagram was recruited to raise awareness of our brands as part of our KOL initiative in MENA.

When borders with our neighbours Singapore and Brunei were closed during the pandemic, residents in those countries turned to purchase Power Root products in those countries themselves rather than from across the border in Malaysia where it was cheaper. This was a boon to Power Root's foreign exchange earnings. With the reopening of borders, consumers in those countries have reverted to their previous pattern of cross-border purchase; despite this, sales of our products in those neighbouring markets have held up well and we continue to pursue growth through advertising and promotions.

#### MANAGEMENT DISCUSSION AND ANALYSIS

cont'd

China and Hong Kong were among the last countries to reopen their borders, with China doing so on 1 January 2023 and Hong Kong in February 2023. There was little movement in our activities in these countries for FY 2023 but we have observed that economic recovery is underway and we expect our activities to pick up further in the year ahead.

Although COVID-19 is no longer the threat it was in the past few years, Power Root continues to exercise caution with bi-monthly testing requirements and continuing with relevant standard operating procedures (SOPs) to minimise the potential spread across our operations.

#### **PRODUCTION**

Improved production efficiency and capacity, reduce downtime, improved supply chain and inventory management and better management of labour costs were some of the Group's operational achievements in FY 2023.

#### **Production Facilities and Product Management**

We increased the instant powder (IP) production capacity at our plant with the commencement of an additional 10-lane machine which had its first commercial run in producing Alicafé Black Gold (2g pure coffee) in November 2022. This investment resulted in an increase in IP production capacity by 6%.

Beverage capacity was also increased with an additional deionised water station installed for our canning lines. The additional deionisation water station resulted in an increase in annual beverage capacity from 2.9 million cartons per year to 3.3 million cartons per year, an increase of 14%.

Furthermore, Power Root has enhanced our production capability with our own newly-commissioned coffee bean roasting plant which will enable us to produce micro ground coffee as raw material for our products. This capability gives us the option of producing assorted varieties of coffee in the future. As a start, we are focusing on the production of our own black coffee.

#### **Talent Recruitment and Workforce Efficiency**

Such investments and production efficiencies are partially the result of successful recruitment of experienced personnel with the right skills and knowledge and are able to advise on increasing and optimising in output, alleviate bottlenecks on the line, and streamline processes and workflow.

The Group improved its workforce efficiencies this financial year with the resumption of foreign worker availability. Previously, closed borders and restrictions had brought about increased competition for eligible local workers resulting in a low-supply, high-wages labour market. The return of foreign workers (principally Nepalese workers) has led to better workforce management and will help in cost management.

#### **FINANCIAL REVIEW**

REVENUE	LOCAL (RM'million)	<b>EXPORT</b> (RM'million)	TOTAL (RM'million)
FY 2023	262.7	193.1	455.8
FY 2022	204.1	143.8	347.9

For the FY 2023, the Group recorded revenue of RM455.8 million, an increase of approximately 31.0% from the revenue of RM347.9 million recorded in FYE 2022.

This increase was attributed to multiple factors, including higher local sales driven by the market's recovery, improved operational efficiencies across all internal departments and revision of the product selling price for our markets.

#### **PROFIT AFTER TAX ("PAT")**

For the FY 2023, the Group recorded a PAT of RM59.5 million, an increase of 125.9% from the PAT of RM26.3 million in FYE 2022.

The increase in PAT was attributed by the higher sales revenue and improved operational efficiencies.

#### STATEMENT OF FINANCIAL STATEMENT

REVENUE	<b>FY 2023</b> (RM'000)	<b>FY 2022</b> (RM'000)
Total Assets	438,153	386,382
Equity attributable to the owners of the Company	289,603	266,618
Total Liabilities	147,804	119,703
Borrowings	31,314	19,922
Gearing (times)	0.108	0.075

The Total Assets of the Group increased by RM51.8 million in FY 2023 mainly due to higher inventories, trade and other receivables, and purchase of property, plant and equipment.

The Total Liabilities of the Group increased by RM28.1 million in FY 2023 mainly due to increase in loans and borrowings and higher trade and other payables.

With a low gearing of 0.108 as at 31 March 2023, the Group's financial position remains sound.

#### **DIVIDENDS**

Financial Year	Dividend Per Share ("DPS") (sen)	
2023	11.75	
2022	5.40	
2021	6.50	
2020	12.50	
2019	8.00	

On 12 October 2022, the Group paid a first interim single tier dividend of 2.0 sen per ordinary share and a special interim single tier dividend of 1.0 sen per ordinary share amounting to RM12.5 million in respect of the current financial year.

On 5 January 2023, the Group paid a second interim single tier dividend of 2.0 sen per ordinary share and a special interim single tier dividend of 1.0 sen per ordinary share amounting to RM 12.6 million in respect of the current financial year.

On 7 April 2023, the Group paid a third interim single tier dividend of 2.0 sen per ordinary share and a special interim single tier dividend of 0.25 sen per ordinary share amounting to RM9.6 million in respect of the current financial year.

On 3 July 2023, the Group paid a fourth interim single tier dividend of 2.0 sen per ordinary share and a special interim single tier dividend of 1.5 sen per ordinary share amounting to RM15.8 million in respect of the current financial year.

The Board did not recommend the payment of any final dividend in respect of the FY 2023.

As such, the total dividends paid for FY 2023 is 11.75 sen per ordinary share amounting to RM50.5 million, representing a dividend pay-out ratio of approximately 84.9%.

The Group's dividend policy is to maintain a minimum of 50% dividend pay-out ratio. Since our listing on Bursa Malaysia Securities Berhad in 2007, the Group has paid out a total of RM437.0 million in dividends, representing a dividend pay-out ratio of approximately 86.4%. It is our intention to continue to reward our shareholders for their loyalty and participation in our growth.

#### **BUSINESS OUTLOOK**

Power Root will continue with our push for excellence in performance and business sustainability in the coming financial year, with financial and operational discipline being a priority. The ROI mindset is being embedded across all departments – manufacturing, supply chain, Research & Development, Marketing, Sales and all support functions – and we will continue to focus on it.

While we have improved efficiency in the past few years, there are still measures to be taken to optimise our operations. The Group will continue to utilise technology in this respect. The Sales Force Automation system which we have started using will be fully implemented this coming financial year; we also plan to roll out the Route-to-Market software which will assist our sales team in optimising route planning for better effectiveness when making site visits. A proof of delivery system which tracks on-time deliveries will also be implemented this year.

On the manufacturing floor, we are looking at more effective utilisation of manpower, streamlining measures, and further material wastage reduction. We will also explore new marketing streams and collaborative partnership which are advantageous in promoting our brands.

Ultimately, Power Root will be adaptable to meet changing consumer demand for quality products which gives good value for money, and nimble in adjusting to market changes.

#### **AREAS OF RISK**

The uncertain global economic outlook raises pricing and supply risk concerns, with rising inflation expected to influence raw material and labour costs. Power Root is taking measures to manage its impact through sourcing and costing initiatives; however, our business is highly sensitive to commodity prices and supply. Similarly, we are not immune to foreign exchange fluctuations although hedging measures are in place. The prolonged war in the Ukraine and domestic economic cost-of-living factors are also potential areas of concern.

#### MANAGEMENT DISCUSSION AND ANALYSIS

cont'd

#### **SUSTAINABILITY**

Power Root's strategic sustainability initiatives focus on how we can better utilise renewable energy while generating savings. The investment we made in installing a solar photovoltaic (PV) system at our Johor Bahru plant in FY 2022 to reduce our fossil fuel consumption and carbon footprint is paying off with substantial energy cost savings this financial year. The PV system commenced operations in May 2022; as at 31 March 2023, the system has generated approximately 600,000 kWh of electricity and yielded us total cost savings of approximately RM261,000.

In FY 2023, the Group shifted from using diesel-operated forklifts to battery-operated forklifts. We now employ a fleet of 34 battery-operated forklifts. Previously, all our forklifts were powered by diesel fuel. This move has resulted in reducing our carbon footprint while improving the working environment, enhancing safety measures, maximising operational efficiency and reducing costs.

During this financial year, we continued our ongoing initiative to replace our existing vehicle fleet with hybrid cars, including the installation of electric vehicle (EV) chargers at our Kuala Lumpur office. The move to hybrid vehicles is in line with the Group's aim to reduce greenhouse gas (GHG) emissions. This shift will contribute significantly to minimise the release of pollutants, reduce carbon emission and lessen fossil fuel consumption. The promotion of renewable energy as part of our sustainability measures will benefit the environment and Power Root in the long term with its energy efficiency, noise reduction, safety enhancements and cost savings advantages.

#### APPRECIATION

On behalf of the Board, we would like to extend our gratitude to all stakeholders of Power Root, especially shareholders, distributors, management and staff, for continuing on the journey with us. Power Root's success and growth is the result of your hard work and support which we value and appreciate.

#### INTRODUCTION

Power Root Berhad and its subsidiary companies ("Power Root" or the "Group") are committed to promoting sustainability and recognise the need to adopt a proactive approach and establish a broader sustainability agenda as a core factor to reduce the environmental impact of all our activities. In the post COVID-19 pandemic, it is more important than ever to ensure that the community's quality of life is protected and enhanced.

The Group has embraced corporate social responsibility values and sustainability management elements since our early days and this is reflected in our core values, work practices and policy statements across our business operations; hence, these have contributed to the Group's Sustainability Framework development. As a manufacturer of beverages, Power Root's primary contribution to sustainable development is in offering sustainable products in line with the United Nations Sustainable Development Goal ("UNSDG") 12 – responsible consumption and production – which is at the centre of the Group's sustainability policy.

This Sustainability Statement ("Statement") serves to update our stakeholders on our economic, environmental and social ("EES") practices and performance, and reaffirms that Power Root remains committed to pursuing excellence, with a focus on material sustainability matters which include occupational safety and health, product safety and quality, and energy conservation.

Below is a snapshot of the key initiatives taken with additional details described later in this Statement:

- Deployment of a 573KW solar photovoltaic ("PV") system for our factory, warehouse and office in Johor Bahru which has been operating since May 2022;
- Transitioning all its diesel-operated forklifts to Battery-Operated Forklifts;
- Transition of Existing Internal Combustion Engine Vehicle Fleet to Hybrid Cars and Installation of Electric Vehicle ("EV") Chargers;
- Reinvention of our Beverage Formula by reducing sugar levels; and
- Phasing out of traditional fluorescent lighting and fittings progressively and replacement with energy-saving lightemitting diodes ("LEDs") lighting.

#### **ABOUT THIS STATEMENT**

This Statement is prepared in accordance with the Main Market Listing Requirements and with reference to the Sustainability Reporting Guide (3rd Edition) issued by Bursa Malaysia Securities Berhad.

The information reported in this Statement covers the period from 1 April 2022 to 31 March 2023. This Statement covers the sustainability performance and initiatives for all business operations of the Group, focusing on our main operations in Malaysia - which is the main contributor of revenue and profit to the Group - unless otherwise specified. We have not sought any external assurance for this Statement.

As we mature in our sustainability journey, we will continue to expand our reporting scope and boundaries to eventually cover the full geographical presence of Power Root, as well as consider seeking external assurance for our key sustainability indicators.

#### SUSTAINABILITY GOVERNANCE

Our Board and Management recognise that good corporate governance is important in managing our sustainability risks and opportunities, and emphasise the need for transparency and accountability towards our stakeholders. In setting the tone from the top, the Board affirms its responsibility in integrating the Group's sustainability agenda within its corporate and business strategies. Our sustainability governance structure has been established by the Board in the following manner:

The sustainability governance structure defines clearly the roles and responsibilities expected of the Board, the Audit Committee ("AC"), the Internal Audit Function, the Sustainability & Risk Management Committee ("SRMC") and Risk Owners. The Board assumes ultimate responsibility for the sustainability strategy, management and performance within the Group, while the AC is tasked with the duties of overseeing the sustainability management and performance of the Group and reporting to the Board.

The SRMC is tasked with the following duties:

- a. Implement the sustainability strategy and management policy as approved by the Board;
- b. Lead and implement the process of sustainability matters, identification, assessment and management, devise appropriate action plan(s) in cases where sustainability issues are not adequately or effectively addressed, and communicate the proposed action plan(s) to the respective Head of Departments/Divisions;
- c. Conduct periodic reviews of all sustainability matters pertaining to the Group (at least on an annual basis), determine the adequacy of the responses and the current standing of sustainability matters, and report the review results and recommendations to the AC;
- d. Manage stakeholder engagement for input on assessments and communicate results of reviews and responses;
- e. Implement the material indicators on sustainability matters, targets and performance monitoring thereof, prepare sustainability disclosures as required by laws, regulations, and rules, and report to the AC for review;
- f. Oversee the Departments/Divisions in the implementation of sustainability management systems; and
- g. Update the AC on changes to material sustainability matters on a periodic basis (at least on an annual basis) or when appropriate (due to changes in the internal or external environment), and the course of action(s) to be taken by Management in managing the changes.

As for the Risk Owners, their primary responsibilities are to manage sustainability matters of the business processes under their control and to assist the SRMC with the implementation of the process of sustainability matters identification, assessment, management and monitoring.

#### **SUSTAINABILITY STATEMENT**

cont'd

The sustainability matters management process established by the Board takes into consideration the business strategies approved by the Board as follows:

- Identification of the intended stakeholder groups and sub-groups, the focus areas expected by the intended stakeholders and engagement objective(s) for each stakeholder group through Stakeholders' Mapping, and the establishment of the Stakeholders' Profile;
- The stakeholders identified for each significant business and geographical segment are prioritised in relation to their influence over and dependence on the Group, so that the Group can put in more effort on stakeholder groups that have higher influence and dependency, and the concerns of key stakeholders will carry greater weight. The prioritisation of the stakeholders is conducted by the SRMC by using the Stakeholder Prioritisation Matrix, whereby each stakeholder identified is assessed using the influence and dependence criteria and rating scale established by the Board. The results of the prioritisation shall be used to determine the level of engagement to be employed by the Group with the respective stakeholders (ranging from "collaborate"/ "empower" to "keep informed") based on the perceived influence and dependency of each stakeholder group;
- Identification of sustainability matters for each significant business and geographical segment via internal sources (through internal documentations as well as management information system and internal stakeholders' communication via various engagement mediums and direct communication) and from external sources (through external documentations, trusted public domains, correspondences with external stakeholders and external stakeholders' communication via various engagement mediums and direct communication);
- Sustainability matters identified for each significant business and geographical segment via internal and external sources are refined, consolidated and categorised into respective sustainability categories determined by the Board and listed in the Sustainability Matters Listing, detailing the influential and dependent internal and external stakeholders;
- Sustainability matters categorised in the Sustainability Matters Listing are subject to internal materiality assessment by the SRMC in order to prioritise the sustainability matters relevant to the respective internal and external stakeholders.

Sustainability issues are considered material if:

- they have significant economic, environmental and social impact on the Group from the organisation's point of view;
- they substantively influence the assessments and decisions of stakeholders from the stakeholders' point of view;
- they have significant economic, environmental and social impact that affect the ability to meet the needs of the present and future generations.

The internal materiality assessment entails evaluation by the SRMC based on the rating scale established by the Board on the significance of each sustainability matter on revenue, cost, reputation, strategic and operational risk, and business opportunities criteria.

From the internal and external stakeholders' perspectives, stakeholders' assessments of sustainability matters are based on the significance of such matters influencing the assessment and decisions of respective stakeholders. Stakeholders' assessments of sustainability matters are obtained during stakeholder engagements, either through a prescribed checklist or direct communication by the SRMC or Risk Owners, via the rating system established by the Board.

Subsequent to the assessment process, sustainable matters identified above are subject to the risk management policy and process established by the Board for the assessment and management of the sustainability-related risks and opportunities identified.

In the context of sustainability matters management, the current standing of sustainability matters is assessed for its adequacy and effectiveness by the SRMC, which will then formulate management responses (if existing controls are inadequate or ineffective) to mitigate the sustainability risk or optimise the sustainability opportunities, in line with the risk tolerance and business strategies established by the Board. Please refer to the Statement on Risk Management and Internal Control on the risk management system employed by the Group in the identification, management and monitoring of business risks.

For the management of material sustainability matters, the Risk Owners are responsible for their respective/relevant material sustainability matters in the following manner:

- developing policies and procedures;
- implementing various initiatives, measures or action plans;
- complying with applicable laws and regulations;
- setting indicators, goals, targets and timeframe in line with the strategic objectives; and
- implementing new, or changing existing systems, to capture, report, analyse, and manage data requirements.

The SRMC shall monitor the current standing (including but not limited to indicators, target and actual performance) and responses of the material sustainability matters and actual performance, and report to the AC (at least on an annual basis) for its review and recommendation(s) to the Board for its review and approval.

#### STAKEHOLDERS ENGAGEMENT

At Power Root, stakeholder engagement is a key element in strengthening our relationships with relevant stakeholders, understanding the needs of the customers, and enabling key insights to further improve processes, products and service levels for current and future growth.

To ensure sustainable business performance, Power Root has implemented a comprehensive stakeholder engagement strategy that utilises multiple channels and levels of interaction. This approach involves mapping our stakeholders' universe and developing a robust engagement method.

During the financial year under review, our key stakeholder groups were identified and prioritised during our materiality assessment process, taking into consideration the level of influence and dependence that a stakeholder group has over our business. Our key stakeholders include but are not limited to employees, suppliers, distributors and trade customers, government and regulators, consumers, shareholders and investors, communities, media, and non-governmental organisations ("NGOs")/ Interest Groups.

#### MATERIAL SUSTAINABILITY MATTERS

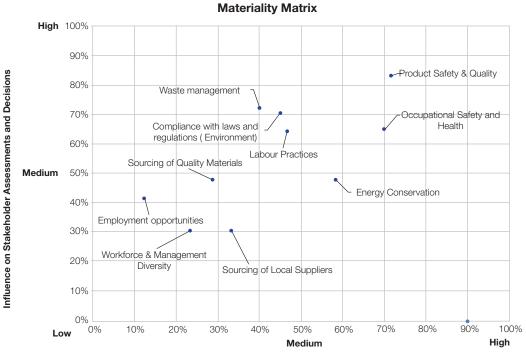

At Power Root, we define material sustainability matters as those that have significant economic, environmental and social impact on the Group's activities and are able to substantively influence the decisions of our key stakeholders. Our material sustainability matters form the focus of this Statement and the basis for the indicators that we use to track and measure our sustainability performance.

#### **Materiality Assessment Process**

A materiality assessment is key to supporting Power Root in understanding and allocating our resources to address and manage our material sustainability matters.

We carried out a structured review of the previous materiality assessment to identify and prioritise material sustainability matters relevant to the Group. A materiality reassessment workshop was conducted with key internal stakeholders, including the Management team and Heads of Departments across the Group, who provided their views on the abovementioned dimensions.

The assessment results of material matter for the Group are tabulated in the following Materiality Matrix:

### **Occupational Safety & Health**

The Group believes that the safety and well-being of its employees are the foundations of its success. Hence, we strive to provide a safe and healthy environment for our employees and to ensure safe practices in all aspects of our business operations. In this respect, the Company places the utmost importance on continuous compliance with all relevant safety and health laws and regulations such as the Occupational Safety and Health Act (OSHA) 1994.

The safety and health management at our workplace is guided by the Occupational Safety and Health Policy established by the Safety and Health Committee and approved by the Chief Executive Officer ("CEO"). The Occupational Safety and Health Policy is prepared per guided requirements under regulation of OSHA 1994. The Safety and Health Committee also initiated the Management-approved safety and health rules and regulations to ensure that operational activities are carried out in a manner which minimises industrial accidents as the Group strives towards its goal of achieving "A Zero Accident" workforce. In addition, the Safety and Health Committee oversees the observance of these rules and regulations in promoting an environment and conduct which are safe and healthy.

The audit on safety and health is conducted by the Safety and Health Committee for all departments of the Company to ensure that incidents of non-compliance with safety and health rules are identified promptly and corrective actions implemented swiftly. Scheduled meetings of the Safety and Health Committee are held at predetermined intervals in accordance with the rules and regulations of the Committee to monitor and report any incidents.

Further, fire-fighting and prevention equipment and systems are installed in all specified locations and inspected at predetermined intervals to ensure their functionality are not compromised and clear escape route plans are placed at strategic locations. All plants and equipment used within the Company are subject to service and maintenance at predetermined intervals to ensure their functionalities with any defects or potential defects detected at the earliest opportunity to reduce the risk of unplanned machinery breakdown and/or industrial accidents.

All incidents were investigated by the Safety and Health Officer (SHO). The SHO reviewed the findings, identified root causes and has strengthened corrective measures including training to prevent future occurrences.

Occupational safety and health performance is regularly monitored and reported in monthly progress reports, which also identify any new or recurring health and safety issues that may occur in the workplace and the measures undertaken to address these issues.

### **Product Safety & Quality**

At Power Root, we adhere to all health and safety regulations applicable to the food and beverage industry in which we operate. All Power Root products are manufactured under stringent international quality and food safety standards. Our plants are certified with ISO 22000, ISO 9001:2015, Good Manufacturing Practice ("GMP") and Hazard Analysis and Critical Control Points ("HACCP") Food Safety management systems, and all stages of our production processes have in-built stringent quality control procedures and are subjected to audits by an external independent third-party.

Our Sustainability & Risk Management Board Committee regularly reviews our key risks in relation to consumer health and safety.

### **Embedding Halal Standards & Requirements**

As a leading manufacturer of Halal-compliant beverage products, ensuring Halal compliance and maintaining Halal integrity is important throughout the supply chain for Power Root. Strict adherence and implementation of Halal standards are needed to ensure that the needs of our local and global Muslim consumers are met.

The Halal team is responsible for all matters pertaining to Halal compliance in our supply chain, from material selection, purchasing, raw materials receiving, manufacturing facilities, and personnel involved in production processes, to the storage and transportation of our products. All our products are Halal-certified by the Department of Islamic Development Malaysia (JAKIM). Based on our strict Halal standards, we have been awarded the Whitelist status by JAKIM, in which Halal applications and approvals are fast-tracked.

The Halal Assurance Management System (HAS) was implemented to maintain and ensure the sustainability of our Halal production processes in accordance with JAKIM Halal requirements and standards. Furthermore, we regularly performed porcine analysis on our products as further assurance of our Halal status, and none of our products have been found to contain any traces of porcine. Used equipment or machines brought into our factories undergo "sertu cleansing" (Shariah cleansing) to ensure and maintain the Halal integrity of our products as well.

#### **Labour Practices**

Attracting and retaining the right talent is a priority at Power Root. We aim to provide a platform for our employees to perform to the best of their ability and recognise their potential to be leaders. The Group actively develops, invests and fosters career growth amongst our employees as the success and progress of the Group are built on the talent and efforts of our employees.

We pride ourselves on having a diverse workforce. We do not tolerate discrimination on the basis of age or gender and we are committed to providing a work environment that is free of discrimination for our employees. The analysis of the Company's employees by age and gender reflects a gender-balanced and age-diversified workforce. The diagrams below illustrate the diversity distribution across the Group.

Age Distribution	2023(%)	2022(%)	2021(%)
18 – 30	50	46	49
31 - 40	29	30	26
41 - 50	17	18	19
50 Above	4	6	6
Workforce by Gender			
Male	61	55	54
Female	39	45	46

With the aim of nurturing strong human capital with a competitive edge, we are intensifying our training programmes to develop skilled employees through internal and external training that enhances both soft and technical skills relevant to their work. The Group notes that fair compensation is essential in motivating and engaging our workforce to achieve our growth target. Our objective is to create a structured way to define and assess compensation packages through yearly employee assessments in ensuring fair compensation for our employees, as well as practice internal promotions for worthy employees to hold higher responsibilities.

### Power Root's Sustainability Initiatives: Driving Environmental Responsibility and Promoting Healthier Lifestyles

As a group, Power Root is committed to finding avenues to minimise emissions, promote healthier lifestyles and work towards a greener future while generating savings for the business.

### 1. Deployment of 573KW Solar PV System

As part of our strategic direction to reduce our fossil fuel consumption and carbon footprint, we have installed a 573KW solar PV system which started operating in May 2022. As a result, the solar PV system has generated approximately 600,000 kWh of electricity from the date of commencement up to 31 March 2023, yielded us total cost savings of approximately RM261,000, and offset 425 metric tons of carbon dioxide per annum. The operational deployment of the PV system for Power Root's factory, warehouse, and office in Johor Bahru carries substantial environmental benefits and aligns with the principles of ESG.

In the long term, the implementation of the solar PV system enables the generation of clean and renewable energy, reducing dependence on fossil fuels and effectively mitigating carbon dioxide emissions. This pivotal step aids in combatting climate change and facilitates the transition towards a low-carbon economy.

The successful implementation of the solar PV system represents a significant stride towards the attainment of Power Root's sustainability goals. Through the generation of clean energy, Power Root effectively reduces its environmental footprint, contributes to the global shift towards renewable energy, and further solidifies its commitment to responsible business practices.

### 2. Transitioning All its Diesel-Operated Forklifts to Battery-Operated Forklifts

In line with our commitment to sustainability and environmental stewardship, the Group made significant progress by transitioning all its diesel-operated forklifts to a fleet of 34 battery-operated forklifts in FY 2023. This transition not only eliminates carbon emissions from forklift operations but also yields a substantial reduction in carbon emissions up to 1,920 metric tons annually. To put it into perspective, this reduction is equivalent to an average gasoline-powered passenger vehicle with mileage of 4,924,000 kilometres being taken off the road. It has also given us a competitive advantage by maximising operational efficiency and enhancing safety measures in an improved working environment.

## 3. Transition of Existing Internal Combustion Engine Vehicle Fleet to Hybrid Cars and Installation of EV Chargers

The initiative to transition our current vehicle fleet to hybrid cars and install EV chargers at the company's car park compound has significant environmental advantages, particularly in terms of greenhouse gas ("GHG") emission reduction. As part of this initiative, our office in Kuala Lumpur has already taken a proactive step by installing three (3) units of EV chargers, while the factories in Johor Bahru are planning to install ten (10) units of EV chargers during the FY 2024. These installations further support the transition towards sustainable transportation and facilitate the adoption of electric vehicles within our company. The adoption of hybrid cars and EVs results in lower tailpipe emissions compared to conventional petrol or diesel-powered vehicles. By transitioning to these environmentally-friendly options, the amount of carbon dioxide and other GHG emissions released into the atmosphere is significantly reduced. This not only helps mitigate climate change but also improves air quality by minimising pollutants.

In summary, this initiative yields substantial environmental benefits and plays a vital role in minimising GHG emissions, mitigating climate change and promoting renewable energy usage.

### 4. Reinvention of Beverage Formula through Sugar Level Reduction

Power Root's initiative to reformulate our beverage by reducing sugar levels not only brings several benefits to the community from an ESG standpoint, but also aligns with the Malaysian government's efforts to tackle the growing prevalence of obesity and diet-related non-communicable diseases such as diabetes through the impending implementation of taxes on sugar sweetened beverages.

Our focus on reducing sugar levels ensures that healthier choices are accessible and affordable to a broader range of consumers. This benefits individuals who are mindful of their sugar intake, especially those with specific dietary needs or health conditions.

Additionally, Power Root's commitment to decreasing sugar levels aligns with the UNSDG 12: Responsible Consumption and Production. By offering beverages with reduced sugar content, the company promotes responsible consumption patterns, encouraging consumers to make more sustainable choices that are beneficial for their health and the environment.

The initiative to reinvent our beverage formula by reducing sugar levels exemplifies the company's dedication to promoting healthier lifestyles, improving public health outcomes, and encouraging sustainable consumption patterns. By prioritising the well-being of our consumers and the community, Power Root positively influences the ESG landscape and fosters a healthier, more sustainable future.

### 5. Transition to LED Lighting for Reduced Energy Consumption

As part of our ongoing commitment to reducing energy consumption and minimising our environmental footprint, our Facility Department has implemented various measures to enhance sustainability. Notably, we have successfully completed the replacement of all conventional fluorescent lighting and fixtures with LED lights at our Kuala Lumpur office and we are currently in the process of transforming the lighting system at our Johor Bahru office.

While the initial cost of LED lighting may be higher compared to traditional fluorescent lamps, the long-term savings in energy consumption, maintenance, and replacement costs far outweigh the upfront investment. This cost-effectiveness makes LED lighting an attractive and viable option for Power Root's commercial applications, aligning with our goal of sustainable and responsible practices.

Additionally, we actively encourage our employees to adopt simple yet impactful habits, such as diligently turning off lights when they are not in use. These individual actions contribute to a collective effort in reducing overall energy consumption and further advancing our environmental objectives.

By embracing LED lighting technology and promoting energy-saving practices among our employees, Power Root is demonstrating our dedication to sustainable operations and fostering a greener future.

### In addition to the aforementioned environmental initiatives, the Group has implemented several other sustainable initiatives in FY 2023 as follows:

- Compliance with preservation of environmental aspects in line with the Department of Environment ("DOE") rules and regulations;
- Avoidance of contamination and improvement in the quality of environment;
- Conservation of the consumption of water, electricity and other natural resources in our business operations;
- Ensured that materials used are sourced from sustainable or recycled means, where possible; and
- Ensured that wastes are responsibly managed and disposed.

### THE WAY FORWARD

Power Root acknowledges the importance of the sustainability element in our business and the Group pledges to work collectively to mould a better future for generations to come by improving our sustainability performance.

# CORPORATE GOVERNANCE OVERVIEW STATEMENT

The Board of Directors ("the Board") of Power Root Berhad ("Power Root" or "the Company") is committed to ensuring that good corporate governance practices are applied throughout the Company and its subsidiaries ("the Group") and form the fundamentals of corporate sustainability pursued by the Group for long-term shareholder value creation. Hence, the Board fully supports the Principles and Practices of good corporate governance (including the Intended Outcomes) as promulgated by the Malaysian Code on Corporate Governance 2021 ("MCCG") in directing and managing the business and affairs of the Group towards promoting business prosperity and corporate accountability, with the ultimate objective of realising long-term shareholder value while considering the interest of other stakeholders.

This statement sets out the overview under which the Company applied the Principles set out in the MCCG and the extent of compliance with the Principles of the MCCG advocated therein in accordance with paragraph 15.25 and Practice Note 9 of the Main Market Listing Requirements ("MMLR") of Bursa Malaysia Securities Berhad ("Bursa Securities").

The application of each practice set out in the MCCG during the financial year is disclosed in the Corporate Governance Report prescribed by Bursa Securities ("CG Report") and released together with the announcement of this Annual Report in accordance with paragraph 15.25 and Practice Note 9 of the MMLR. The CG Report for the financial year ended 31 March 2023 is available for viewing at the company's website at https://powerroot.com.my/investor-relations/corporate-governance.

This Corporate Governance Overview Statement should be read in tandem with the CG Report as they provide comprehensive disclosure of the application of each Principle and Practice set out in the MCCG during the financial year.

The following disclosure statements provide an overview of the Company's application of the Principles set out in the MCCG that has been in place throughout the financial year ended 31 March 2023.

### PRINCIPLE A: BOARD LEADERSHIP & EFFECTIVENESS

### 1.1 Board leadership

The Board is responsible for the success of the Group by providing entrepreneurial leadership and direction, strategic management, enterprise risk management, sustainability management and management oversight. It is also accountable in measuring and monitoring performances, upholding standards of conduct as well as determining critical business issues and decisions. The Board comprises directors who are entrepreneurs and experienced professionals in the fields of food and beverage, auditing, taxation, accounting, banking, law, finance, and business consultancy and advisory. These collective skills enable the Board to effectively lead and control the Group. The Board is guided by the *Board Charter* approved by the Board and is led by Independent Non-Executive Co-Chairmen to ensure its effectiveness. Together with other Directors, the Independent Non-Executive Co-Chairmen lead the Board in discussions on the strategies and policies recommended by the Management. A summary of the responsibilities of the Co-Chairmen is disclosed in Practice 1.2 of the CG Report.

The Board is responsible for overseeing the management of the Company. The Board fully understands its responsibilities in ensuring sound and sustainable operations and optimal corporate governance in order to safeguard shareholder value. It is the duty of the Board to lead the Group towards its vision and mission and the success of the Group by providing entrepreneurial leadership and direction. The Chief Executive Officer is delegated with the authority and responsibility in ensuring proper execution of strategies as well as effective and efficient business operations throughout the Group. Authorisation procedures for key processes are stated in the Group's policies and procedures.

The Board has established and approved the Group's *Board Charter* and relevant board policies and the Chief Executive Officer, with the assistance of the Executive Directors and Management, is responsible for the implementation of operating policies and procedures that are in line with the Group's *Board Charter* and relevant board policies.

### PRINCIPLE A: BOARD LEADERSHIP & EFFECTIVENESS (CONT'D)

### 1.1 Board leadership (Cont'd)

As stated in the Board Charter, the Board assumes the following broad categories of roles and responsibilities:-

- (a) To review and approve the strategic business plans for the Group as well as monitor its implementation by the Management;
- (b) To oversee the conduct and performance of the Group's businesses;
- (c) To review and manage principal risks affecting the Group through a sound risk management framework;
- (d) To review and ensure that the Senior Management team is of sufficient calibre and succession planning for Senior Management is put in place;
- (e) To review the adequacy and integrity of the Group's internal control systems and management information systems;
- (f) To approve the policies relating to investor relations and shareholder communication programmes;
- (g) To ensure compliance with applicable laws and regulations relevant to the Group's operations;
- (h) To set corporate values and visions as well as clear lines of responsibility and accountability;
- (i) To review the overall sustainability and corporate governance practices of the Group;
- (j) To establish, maintain and ensure compliance with ethical standards through a code of conduct applicable throughout the Group;
- (k) To review and approve proposals for the allocation of capital and other resources within the Group;
- (l) To review and approve the capital expenditure budget and annual budget (including major changes to such budgets): and
- (m) To ensure financial statements are prepared in accordance with applicable financial reporting standards.

The roles and responsibilities of the Board and the application of the MCCG's practice are disclosed in Practice 1.1 of the CG Report.

Aside from the core responsibilities listed above, significant matters requiring deliberation and approval from the Board is clearly defined by the Board in the *Board Charter* as Matters Reserved for the Board for consideration and approval during Board meetings.

The Board has delegated specific duties to Board Committees which operate within clearly defined Terms of Reference approved by the Board.

To ensure that there is a balance of power and authority within the Board, the positions of the Co-Chairmen and the Chief Executive Officer are separated and there is a clear division of responsibilities between the Co-Chairmen and the Chief Executive Officer. The Co-Chairmen are responsible for the governance, orderly conduct and effectiveness of the Board, while the Chief Executive Officer is responsible for implementing the Group's strategies and execution of effective operations within the Group. A summary of the separation of the roles of Co-Chairmen and Chief Executive Officer is disclosed in Practice 1.3 of the CG Report.

The Independent Non-Executive and Non-Independent Non-Executive Directors play an important role in ensuring that strategies proposed by the Management are fully deliberated and examined, to ensure that the interests of all stakeholders are given due consideration during the decision-making process.

The Board has not nominated a Senior Independent Non-Executive Director whom the shareholders and other stakeholders can access fully and directly or to chair the Nominating Committee as the Independent Non-Executive Co-Chairmen are directly accessible to shareholders and other stakeholders, and the Chairman of the Nominating Committee is an Independent Non-Executive Director/ Co-Chairman of the Board, who possesses the required skills, knowledge and experience to lead the Nominating Committee to ensure an effective and well-balanced Board composition in order to meet the needs of the Company and the Group.

All Board members shall notify the Co-Chairmen of the Board before accepting any new directorship or significant commitments outside the Company, including an indication of the time that will be spent on the new appointment. The Co-Chairmen shall also notify the Board if they have any new significant commitments outside the Company. In addition, all Directors of the Company will ensure that their directorship in listed companies does not exceed five (5) to meet the expectation on time commitment and in line with the MMLR.

### 1.1 Board leadership (Cont'd)

In discharging its duties efficiently and effectively, the Board is assisted by qualified and licensed Company Secretaries and details of the Company Secretaries are disclosed in Practice 1.5 of the CG Report.

#### i. Board Charter

The Board is guided by a formal *Board Charter* approved by the Board. The *Board Charter* was last reviewed and updated on 27 August 2021. The *Board Charter* sets out the composition, roles, functions, responsibilities and authorities of the Board and the Board Committees of the Company, including the roles and responsibilities of the Co-Chairmen of the Board, the Chief Executive Officer and the Company Secretary.

The Board Charter further defines the specific responsibilities and matters reserved for the Board, delegation of authorities, commitment by the Directors, independence of Directors, tenure of Independent Directors, Board Committees, unrestricted rights for access to information and independent advice, Board and member assessment, Directors' training and continuing education, Board activities and processes, code of conduct and sustainable economic, environmental and social practices.

Further disclosure on the details of the *Board Charter* is stated in Practice 2.1 of the CG Report. The *Board Charter* is available at the company's website at https://powerroot.com.my/investor-relations/corporate-governance.

### ii. Code of Conduct, Anti-Bribery and Corruption Policy and Whistleblowing Policy

The Board, individually and collectively, is fully committed to the highest standards of integrity, transparency and accountability in the conduct of the Group's business and operations to ensure business sustainability. The Board is focused on the key principles of serving with integrity, respecting stakeholders, avoiding conflicts of interest, preserving confidentiality and privacy, good corporate citizenship, establishing clear reporting channels as well as being resolute against bribery and corruption.

The Board incorporated the above key values and principles of expected conduct into the Group's *Code of Conduct* to govern the standards of ethics and good conduct applicable to all the Group's employees, customers and vendors and subsidiaries worldwide. To further promote ethical values throughout the Group, an *Anti-Bribery and Corruption Policy* was put in place by the Board on 28 May 2020 which sets out the Group's stance against bribery, corruption and conflict of interest within the Group.

Please refer to Practice 3.1 of the CG Report for details.

To foster an environment where integrity and ethical behaviour are maintained, the Board has put in place a *Whistleblowing Policy* with a direct incident-reporting avenue to the Audit Committee Chairman and In-House Internal Audit Manager to encourage employees and other interested parties to disclose concerns or incidents of fraud, bribery, abuse of power, conflict of interest, theft or embezzlement, misuse of property and non-compliance on procedures.

Please refer to Practice 3.2 of the CG Report for details.

In addition, a Grievance Procedures has been established by the Board to manage grievances received from both internal and external stakeholders.

The Code of Conduct, Anti-Bribery and Corruption Policy, Whistleblowing Policy and Grievance Procedures are available at the company's website at https://powerroot.com.my/investor-relations/corporate-governance.

### 1.1 Board leadership (Cont'd)

### iii. Board Meetings (Cont'd)

In discharging its duties efficiently and effectively, the Board is assisted by qualified and licensed Company Secretaries and details of the Company Secretaries are disclosed in Practice 1.5 of the CG Report.

The Board meets regularly to perform its main functions of developing and monitoring of strategic plans, formulation of policies, oversight of the conduct, operations and performances of the businesses of the Group, succession planning, and ensuring the appropriateness of internal controls and effectiveness of risk management. The Board is mindful of the importance of business sustainability in conducting the Group's business. Prior to each Board meeting, all Board members are furnished with relevant documents and sufficient information, i.e. minutes of board committee meetings, minutes of previous meetings as well as Board papers, normally at least seven (7) days before the meeting, to enable them to have sufficient time to obtain a comprehensive understanding of the issues to be deliberated upon in order to arrive at an informed decision.

To carry out its functions and responsibilities, the Board met five (5) times during the financial year ended 31 March 2023 and the attendance of each Director at the Board Meetings was as follows:

Name of Director Attended	Designation	No. of Meetings
Dato' Afifuddin bin Abdul Kadir	Co-Chairman, Independent Non-Executive Director	5/5
Y.A.D. Tengku Dato' Setia Putra Alhaj bin Tengku Azman Shah Alhaj	Co-Chairman, Independent Non-Executive Director	4/5
Wong Tak Keong	Chief Executive Officer	4/4
Dato' Wong Fuei Boon	Executive Director	5/5
Dato' How Say Swee	Executive Director	5/5
See Thuan Po	Executive Director	5/5
Ong Kheng Swee	Non-Independent Non-Executive Director	5/5
Azahar bin Baharudin	Independent Non-Executive Director	5/5
Dato' Tea Choo Keng	Independent Non-Executive Director	5/5
Low Jun Lee	Non-Independent Non-Executive Director	5/5
Tan Lay Beng	Independent Non-Executive Director	5/5

The Board plans to meet at least four (4) times a year at quarterly intervals, with additional meetings convened when urgent and important decisions are required to be made between the scheduled meetings.

Audit Committee meetings were not combined with the Board Meetings during the financial year under review. Other Directors and employees attended a particular Audit Committee meeting only at the Audit Committee's invitation in order for the Audit Committee to discharge its delegated oversight duties by the Board and such invitations were specific to the relevant agenda item of the meeting.

All meetings of the Board were duly recorded in the Board minutes by the Company Secretary. The Company Secretary also attended all Board Meetings of the Company. The Company Secretary ensures that all Board meetings are properly convened, and that accurate and proper records of the deliberations, proceedings and resolutions passed are recorded and maintained in the statutory register kept at the registered office of the Company. In the interval between Board meetings, for exceptional matters requiring urgent Board decisions, the Board's approval is sought via circular resolutions, which are accompanied with sufficient and relevant information required for an informed decision to be made.

### PRINCIPLE A: BOARD LEADERSHIP & EFFECTIVENESS (CONT'D)

### 1.1 Board leadership (Cont'd)

### iv. Supply of Information

The Board members in their individual capacity have unrestricted access to complete information on a timely basis in the form and quality necessary for the discharge of their duties and responsibilities. Prior to each Board meeting, all Board members are furnished with the relevant documents and sufficient information, i.e., Board papers, normally at least seven (7) days before the meeting, to enable them to have sufficient time to obtain a comprehensive understanding of the issues to be deliberated upon in order to arrive at a decision.

Besides direct access to Management, external independent professional advisers are also made available to render their independent views and advice to the Board, whenever deemed necessary and in appropriate circumstances, at the Company's expense.

The Directors also have access to the advice and services of the Company Secretary who is responsible for ensuring that the Board's procedures are adhered to.

Please refer to Practice 1.6 of the CG Report for details of the Board's proceedings on meeting materials and supply of information.

### v. Board Composition

The appointment of a new Director to the Board or Board Committee is recommended to the Nominating Committee for consideration and upon the recommendation of the Nominating Committee, the approval by the Board in accordance with the *Policy and Procedures on Nomination and Selection of Directors* as approved by the Board for the Nominating Committee's guidance. It is the responsibility of the Nominating Committee to review the composition of the Board periodically, based on the Board evaluation and performance results, including consideration of the tenure of each Director.

Please refer to Practice 5.1 of the CG report for the detailed disclosure on the review of Board composition.

It is the responsibility of the Board to ensure that all members of the Board possess the necessary leadership experience, skill and background diversity, integrity and professionalism to discharge their duties and responsibilities diligently and effectively.

The Board currently has eleven (11) members comprising two (2) Independent Non-Executive Co-Chairmen, four (4) Executive Directors (including the Chief Executive Officer), two (2) Non-Independent Non-Executive Directors and three (3) Independent Non-Executive Directors. The composition of Independent Non-Executive Directors is in compliance with Paragraph 15.02(1) of the MMLR which states that "a listed issuer must ensure that at least 2 Directors or 1/3 of the Board of Directors of a listed issuer, whichever is the higher, are Independent Directors".

Although the Board composition is a departure from Practice 5.2 of the MCCG which requires at least half of the Board to comprise Independent Non-Executive Directors, the Board is of the opinion that an adequate degree of independence is maintained notwithstanding the fact that only five (5) out of eleven (11) members of the Board are Independent Non-Executive Directors. The Independent Non-Executive Directors had demonstrated their independence and objectivity and actively participated during the Board and Board Committees' proceedings. Therefore, there is no disproportionate imbalance of power and authority on the Board between the Non-Independent and Independent Directors.

### PRINCIPLE A: BOARD LEADERSHIP & EFFECTIVENESS (CONT'D)

### 1.1 Board leadership (Cont'd)

### vi. Board and Key Senior Management Diversity

It is the Board's responsibility to ensure that the diversity within the Board and Key Senior Management is maintained so that the required mix of knowledge, skills, expertise and experience, as well as age, ethnic and gender diversity is brought to the Board and the Group. The Board is satisfied that, through the formal nomination and selection process and the annual performance appraisal of the Board, the Board Committees, individual Directors and Key Senior Management (including the Chief Operating Officer and Group Financial Controller), the current Board's composition represents an appropriate mix of knowledge, skills and experience required to discharge the Board's duties and responsibilities effectively as well as to ensure that no individual, or small groups of individuals dominate the Board's decision-making process.

The Board established the *Board Diversity Policy* on 26 November 2020. Whilst the Board supports gender diversity within the Board and Key Senior Management, the Board also believes that appointments to the Board and Key Senior Management should be based on the merit of the candidates as well as a required mix of knowledge, skills, expertise and experience to be brought to the Board and the Group, instead of purely based on gender consideration alone. Presently, there is one (1) female Director on the Board of Directors and the Board will continue to seek to strengthen diversity for new appointments to the Board and Key Senior Management.

Please refer to Practice 5.5 of the CG Report for detailed disclosures on Boardroom Diversity and Practice 5.10 of the CG Report for detailed disclosures on gender diversity.

### vii. Independence of Independent Non-Executive Directors

The independence of candidates acting as Independent Non-Executive Directors is assessed by the Nominating Committee prior to their appointment based on a formal nomination and selection process. The results of the review are reported to the Board for consideration and decision.

On an annual basis, all Independent Non-Executive Directors are subjected to an independence assessment by the Nominating Committee based on a prescribed criteria via the *Independent Directors' Self-Assessment Checklist* (with criteria adopted from the Corporate Governance Guide issued by Bursa Malaysia Berhad) to determine his/her independence, objectivity and self-declaration of interests in the Group, any corporation, partnership, business transactions and/or services with the Group. The Nominating Committee will conduct the independence and objectivity review and provide a recommendation to the Board. Based on the above assessment performed for the financial year ended 31 March 2023, the Board is satisfied with the level of independence and objectivity demonstrated by all Independent Non-Executive Directors, and their ability to bring independent and objective judgement to bear during Board deliberations.

The tenure of an Independent Non-Executive Director, as stated in the *Board Charter*, shall not exceed a cumulative term of nine (9) years. Upon completion of the 9 years, such Independent Non-Executive Director may continue to serve on the Board subject to the director's re-designation as a Non-Independent Non-Executive Director. In the event that such Director is to be retained as an Independent Director after the ninth (9th) year, the Board should seek annual shareholders' approval through a two-tier voting process. Mr Ong Kheng Swee, who had served as an Independent Non-Executive Director since April 2008, was redesignated as a Non-Independent Non-Executive Director on 1 April 2022.

Encik Azahar Bin Baharudin, who has served as an Independent Non-Executive Director since 28 April 2014 which exceeds the cumulative term of nine years, will be subject to shareholders' approval via the two-tier voting process in the forthcoming Annual General Meeting to continue as an Independent Non-Executive Director.

### viii. Appointment of Directors and Re-appointment of Directors

Appointment of new Directors to the Board or Board Committees are recommended to the Nominating Committee for consideration and approval by the Board in accordance with the *Policy and Procedures on Nomination and Selection of Directors* which was established by the Nominating Committee and approved by the Board. It is the practice of the Board that highly qualified candidates with sufficient and relevant knowledge, skills and competency are sought out to serve as members of the Board in discharging its responsibilities and duties effectively and contributing to the governance of the Group. At the same time, gender and ethnic diversity within the Board would be considered if such potential candidate is available.

The process for the nomination and selection of new Directors per the *Policy and Procedures on Nomination* and *Selection of Directors* entails identification of potential candidates (including candidates proposed by independent sources), evaluation of the suitability of candidates based on an agreed-upon criteria for experience, knowledge, skill and boardroom diversity, meeting up with candidates and background checks, final deliberation by the Nominating Committee and recommendation to the Board. Subject to prior discussions concerning the costs, the Nominating Committee may seek independent professional advice, at the Company's expense, to perform its responsibilities in the nomination and selection of new Directors.

All Board members who are newly appointed are subject to retirement at the subsequent Annual General Meeting of the Company. All Directors (including the Chief Executive Officer who is an Executive Director) shall retire at regular intervals by rotation at least once every three (3) years and shall be eligible for reelection.

The recommendations for re-appointment of retiring Directors at the forthcoming Seventeenth Annual General Meeting (17th AGM) were made by the Nominating Committee to the Board and the Board to the shareholders of the Company upon satisfactory results of the independence assessment (for Independent Non-Executive Directors) and performance evaluation of all the retiring Directors by the Nominating Committee. To facilitate an informed decision by the shareholders on the re-appointment of retiring Directors during the forthcoming 17th AGM, disclosures on the interest, position and relationship of such Directors that might influence their independent judgement or influence their acting in the best interests of the Group were made in the notes to the agenda of the General Meeting. Recommendations for re-appointment are based on the satisfactory results of independence assessments (for Independent Directors) and performance evaluations of such Directors.

Please refer to Practice 5.6 and 5.7 of the CG Report for details on the nomination, appointment and reappointment process of the Directors.

## ix. Performance Assessment and Evaluation of Board, Board Committees, Individual Directors and Key Senior Management

The Nominating Committee reviews the required mix of skills, competencies, experience and other qualities on an annual basis, including core competencies of individual Directors which the Directors should bring to the Board. The Nominating Committee undertakes an annual assessment of the independence of the Independent Directors to determine and ensure that they can continue to bring independent and objective judgment to Board deliberations. The Board has implemented a process, carried out by the Nominating Committee annually, for the assessment on the effectiveness of the Board as a whole and the contribution of each individual Director, for discussion and acceptance and for further improvement.

On an annual basis, the Company Secretary circulates to each Director the relevant evaluations and assessment forms/checklists in relation to the evaluation of the Board, Board Committees, individual Directors and Key Senior Management. Sufficient time is given to all the Directors to read, comprehend, complete and return the assessment forms/checklists in advance of the meeting of the Nominating Committee. The assessment/evaluation results are then collated and summarised for the Nominating Committee's review and subsequent reporting of its recommendations for the Board's review and deliberation.

During the financial year under review, the Board, through the Nominating Committee, conducted the assessment and evaluation on the Board and Board Committees, self and peer evaluation for individual Directors, independence assessment for Independent Directors, assessment on the composition and effectiveness of the Audit Committee and performance evaluation on Key Senior Management.

Based on the above assessments/ evaluations conducted for the financial year ended 31 March 2023, the Board, based on the recommendations of the Nominating Committee and after due deliberations, was satisfied with the composition, competency and effectiveness of the present Board, the Board Committees and contribution of individual Directors and Key Senior Management. In particular, based on the assessments performed on the Audit Committee and its members, the Board is of the opinion that the Audit Committee and its members had effectively discharged their duties in accordance with its terms of reference.

Please refer to Practice 6.1 of the CG Report for details on the performance evaluation of the Board, Board Committees, individual Directors and Key Senior Management.

### x. Directors' Remuneration

The Board assumes the overall responsibility for establishing and implementing effective remuneration policies for members of the Board in order to attract, retain and motivate Directors positively in pursuit of the medium to long term objectives of the Group. Such remuneration shall be reflective of their experience and level of responsibilities.

The Board has put in place a Board Remuneration Policy for adoption by the Remuneration Committee in the review and consideration of proposed remuneration packages for members of the Board. Major components of the remuneration package for Executive Directors and Non-Executive Directors are identified for review based on the criteria established in the formal policy.

The Remuneration Committee is responsible for reviewing and recommending to the Board the remuneration packages of Board members (i.e. Executive Directors and Non-Executive Directors). None of the Directors participated in any way in determining his/her own remuneration. Individual Directors abstained from all deliberation and approval of his/her own remuneration.

Please refer to Practice 7.1 and 7.2 of the CG Report for details of the remuneration policy established by the Board and summary of the terms of reference of the Remuneration Committee.

### x. Directors' Remuneration (Cont'd)

The Board is of the opinion that detailed disclosure on a named basis of the remuneration of individual Directors may jeopardize the personal security of the Directors. As such, a summary on the remuneration packages of the Directors of the Company who served during the financial year ended 31 March 2023 in each successive band of RM50,000, distinguishing between Executive Directors and Non-Executive Directors is as follows:

		Company			Group	
	Basic Salary, Bonus, Incentives, Allowance, EPF, SOCSO RM '000	Fees RM '000	Others RM '000	Basic Salary, Bonus, Incentives, Allowance, EPF, SOCSO RM '000	Fees RM '000	Others RM '000
Executive Directors	_	_	-	13,371	-	175
Non-Executive Directors	39	902	_	39	902	_

The number of Directors whose remuneration fall into the following bands are as follows:

	Company		Gro	oup
Remuneration bands per annum	Executive	Non- Executive	Executive	Non- Executive
RM0 to RM 50,000	_	2	-	2
RM50,001 to RM100,000	_	4	_	4
RM550,001 to RM600,000	_	1	_	1
RM1,450,001 to RM1,500,000	_	_	1	_
RM3,550,001 to RM3,600,000	_	_	1	_
RM3,600,001 to RM3,650,000	_	_	1	_
RM4,800,001 to RM4,850,000	_	_	1	_

The detailed disclosure on a named basis of the remuneration of Key Senior Management in bands of RM50,000 for the financial year ended 31 March 2023 was not adopted as the Board is of the opinion that such detailed disclosure may jeopardise their personal security and increases the risk of loss of key personnel if the individual Key Senior Management's remuneration packages are published publicly.

Please refer to Practice 8.2 of the CG Report for the explanation on the departure in relation to disclosure on Key Senior Management's remuneration component in bands of RM50,000.

### xi. Directors' Training

As per the Board Charter, the Board is assigned with the responsibility of assessing the training needs of the Directors (via the Nominating Committee) and ensuring that all Directors have access to continuing education programmes and continuously update their knowledge and enhance their skills through such training programs.

All Executive Directors have been with the Company for several years and are familiar with their duties and responsibilities. In addition, any newly-appointed Director will be given briefings and orientation by the Executive Directors and Senior Management on the business activities of the Group and its strategic directions, as well as their duties and responsibilities as Directors.

All members of the Board have completed the Mandatory Accreditation Program prescribed by Bursa Securities and they are mindful that they should undertake appropriate continuous training and attend seminars and briefings in order to broaden their perspective and to keep abreast of new developments for the furtherance of their duties. Specifically, Audit Committee members shall undertake continuous professional development to keep themselves abreast of relevant developments in accounting and auditing standards, practices and rules.

On an annual basis, the Board through the Nominating Committee reviews and identifies training programmes for its members via an assessment conducted on the Directors' training needs, pursuant to Paragraph 15.08(2) of the MMLR.

During the financial year ended 31 March 2023, members of the Board received regular briefings and updates on the Group's business and operations as well as updates on amended/ new regulations and statutory requirements. All members of the Board have attended training programs that were organised by regulatory bodies or professional organisations. The training programs attended by individual Board members during the financial year under review are as follows:

### xii. Board Committees

In discharging its fiduciary duties, the Board has delegated specific duties to four (4) Board Committees, namely the Audit Committee, Nominating Committee, Remuneration Committee and Option Committee, with each having clearly defined terms of reference. The Board Committees have the authority to examine particular issues and report to the Board on the outcome of the Committee meetings including their recommendations. The ultimate responsibility and the final decision on all matters, however, lies with the Board of Directors.

### • Audit Committee

The terms of reference, the number of meetings held, and activities carried out during the financial year, as well as the attendance of each member can be found on pages 65 to 70 of the Audit Committee Report.

Please refer to Practice 9.1, 9.2, 9.3, 9.4 and 9.5 of the CG Report on disclosures in relation to the Audit Committee.

### Nominating Committee

During the financial year under review, the Nominating Committee comprised exclusively Independent Non-Executive Directors, which is in compliance with the MMLR and is chaired by an Independent Non-Executive Director appointed from among its members. The Nominating Committee is guided by written Terms of Reference duly approved by the Board which states the authorities, duties and responsibilities of the Committee.

The Terms of Reference for the Nominating Committee is available on the company's website at https://powerroot.com.my/investor-relations/corporate-governance.

The Nominating Committee members and their attendance records for meetings held during the financial year ended 31 March 2023 are as follows:

Nominating Committee	Position & Designation	No. of Meetings Held	Attendance
Dato' Afifuddin bin Abdul Kadir	Chairman, Independent Non-Executive Director	1	1/1
Tan Lay Beng	Member, Independent Non-Executive Director	1	1/1
Azahar bin Baharudin	Member, Independent Non-Executive Director	1	1/1

During the financial year ended 31 March 2023, the Nominating Committee conducted evaluations and assessments on the performance of the Board, the Board Committees, the Audit Committee (including its members), the contribution by each individual Director, Key Senior Management and independence assessments of Independent Directors based on the pre-determined processes and evaluation/review criteria. The Nominating Committee reported the results of all evaluations and assessments to the Board for review and deliberation to enable effective actions (including identified training to be attended via Training Needs Analysis) to be formulated and implemented for the proper and effective functioning of the Board and its Committees.

Please refer to Practice 5.1, 5.2, 5.3, 5.5, 5.6, 5.7, 5.8 and 6.1 of the CG Report for details on the Nominating Committee and its activities.

### • Remuneration Committee

The Remuneration Committee was formed to assist the Board in determining, developing and recommending an appropriate remuneration policy and remuneration package for Directors so as to attract, retain and motivate the Directors. The Remuneration Committee is guided by formal Terms of Reference approved by the Board which states the composition requirement, authorities, roles and responsibilities of the committee. The Terms of Reference for the Remuneration Committee is available on the company's website at <a href="https://powerroot.com.my/investor-relations/corporate-governance">https://powerroot.com.my/investor-relations/corporate-governance</a>. Further disclosure on the Remuneration Committee (and its activities) and the remuneration policy and procedure established by the Board can be found in Practice 7.1 and 7.2 of the CG Report.

As at the financial year ended 31 March 2023, the Remuneration Committee comprised of three (3) Independent Non-Executive Directors and one (1) Non-Independent Non-Executive Director. Their attendance records are as follows:

Remuneration Committee	Position & Designation	No. of Meetings Held	Attendance
Dato' Afifuddin bin Abdul Kadir	Chairman, Independent Non-Executive Director	1	1/1
Ong Kheng Swee	Member, Non-Independent Non-Executive Director	1	1/1
Azahar bin Baharudin	Member, Independent Non-Executive Director	1	1/1
Tan Lay Beng	Member, Independent Non-Executive Director	1	1/1

The Remuneration Committee met during the financial year ended 31 March 2023 to review the proposed remuneration package of Executive Directors and proposed Directors' fees for Non-Executive Directors with such recommended remuneration packages and Directors' fees submitted to the Board for review, approval and recommendation to shareholders for approval, as applicable. The interested Non-Executive Director abstained from all discussions and decision relating to his fees.

### • Option Committee

During the financial year under review, the Option Committee consisted of two (2) Executive Directors and one (1) Non-Independent Non-Executive Director who is the Chairman of the Committee with the primary responsibility of administering the existing Employees' Share Option Scheme ("ESOS") established on 23 July 2012 and expiring on 22 July 2022 for eligible employees and Directors, and the new ESOS established on 11 June 2019 and expiring on 10 June 2029 for Executive Directors and key employees.

Option Committee	Position & Designation	No. of Meetings Held	Attendance
Ong Kheng Swee	Chairman, Non-Independent Non-Executive Director	4	4/4
Wong Tak Keong	Member, Chief Executive Officer	4	4/4
See Thuan Po	Member, Executive Director	4	4/4

The functions of the Option Committee are:

- The Option Committee shall be vested with such powers and duties as conferred upon it by
  the Board to administer the ESOS in such manner as it deems fit. The Option Committee may,
  for the purpose of administering this ESOS, enter into any transactions, agreements, deeds,
  documents of arrangements, and make rules, regulations or impose terms and conditions
  or delegate part of its power relating to the ESOS which the Option Committee may in its
  discretion consider to be necessary;
- To select any eligible employees to participate in the ESOS Scheme, whereby the decision shall be binding and final;
- To determine the basis of allotment and the number of shares to be offered and allotted to the eligible employees;
- To determine the terms and conditions of offer to eligible employees in accordance with the established criteria of allocation;
- To administer the offer to eligible employees and the acceptance thereof;
- To determine the option price;
- To determine the limits on the exercise of option, including the number of shares exercisable and the prescribed option period and to impose any other terms and/or conditions it deems fit;
- To administer the exercise of option; and
- To suspend the right of any Grantee who is being subjected to disciplinary proceedings (whether
  or not such disciplinary proceedings may give rise to a dismissal or termination of service of
  such Grantee) to exercise his option pending the outcome of such disciplinary proceedings.
   In addition to this right of suspension, the Option Committee may impose such terms and
  conditions as the Option Committee shall deem appropriate in its absolute discretion.

During the financial year, the Option Committee met four (4) times to review and determine the issuance of new ordinary shares in the Company in relation to the exercise of options granted in accordance with the ESOS By-Laws and to review the allocated options list to determine its compliance with ESOS By-Laws.

### xiii. Sustainability Oversight and Management

In order to promote the sustainability of the Group's businesses, one of the key business strategies adopted by the Board is to ensure that the sustainability aspects of the businesses undertaken are well-managed. The Group upholds the principle of maintaining effective sustainability management continuously in order to contribute positively to the socio-economic development of the communities we operate in, to promote environmentally-friendly business practices and to uphold good social practices.

The Board is responsible for regularly evaluating the economic, environmental and social issues of the Group and assume the ultimate responsibility for the oversight role of sustainability management on a group wide basis. The sustainability management of the Group is governed by the Sustainability Framework established by the Board. The formal governance structure, stakeholder engagement and process to identify, assess and formulate and monitor responses to material sustainability issues are prescribed in the Sustainability Framework with the assessment results and responses incorporated into the risk management process of the Group for continuous monitoring.

Please refer to the Practice 4.1, 4.2, 4.3, 4.4 and 4.5 of the CG Report and the Sustainability Statement for the governance structure and process employed as well as the identification, assessment, management and reporting of sustainability matters during the financial year under review and up to the date of this Annual Report.

### PRINCIPLE B - EFFECTIVE AUDIT AND RISK MANAGEMENT

The Audit Committee is tasked with the oversight role on the effectiveness of audit and risk management of the Group. The composition of the Audit Committee and activities carried out during the financial year under review, including the number of meetings held and member's attendance are disclosed in Practice 9.1 to 9.5 of the CG Report and the Audit Committee Report set out in this Annual Report.

### i. Relationship with External Auditors

The Audit Committee maintains a close and transparent relationship with the Group's External Auditors in seeking professional advice and ensuring compliance with the approved accounting standards and relevant regulations in Malaysia and the countries where it has operations and the Group's policies and procedures.

The roles and responsibilities of the Audit Committee in relation to the External Auditors are set out in the Audit Committee's Terms of Reference.

The engagement of the External Auditors is governed by the engagement letter with terms of engagement (which includes, amongst others, the scope of coverage, the responsibilities of the external auditors, confidentiality, independence and the proposed fees), which is reviewed by the Audit Committee and recommended to the Board. Prior to the commencement of the audit work and upon completion of the audit engagement, the External Auditors of the Group confirmed on their independence in relation to the audit work and their commitment to communicate to the Audit Committee on their independence status in an ongoing manner.

The Audit Committee met with the External Auditors thrice during the financial year under review to discuss their Audit Plans, their audit findings and other special matters that require the Audit Committee's attention in relation to the financial statements. In addition, the Audit Committee met privately with the External Auditors twice on 31 May 2022 and 22 February 2023, without the presence of the Executive Directors and Management, to encourage free flow of information and views and for the External Auditors to freely express their opinion without undue pressure.

### PRINCIPLE B - EFFECTIVE AUDIT AND RISK MANAGEMENT (CONT'D)

### i. Relationship with External Auditors (Cont'd)

The Audit Committee had also considered the nature of other non-audit services provided during the year by the External Auditors and the quantum of the fees, as tabulated in the table below, and was satisfied that the provision of these non-audit services did not in any way compromise their independence.

The oversight of the External Auditors was enhanced by the annual assessment/evaluation on the External Auditors by the Audit Committee and the results subsequently reported to the Board.

The audit and non-audit fees incurred for services rendered by KPMG (the External Auditors) and their affiliated firms and companies to the Company and its subsidiaries for the financial year were as follows:

	Company	Group	Description
Audit Fees (RM)	62,000	239,500	Audit services rendered – statutory audit in respect of FY 2023.
Non-Audit Fees (RM)	13,000	128,500	Tax return and compliance, review of Statement on Risk Management and Internal Control and preparation of transfer pricing documentation, tax audit consulting fee, tax advisory fee.

The summary of the Audit Committee's activities and oversight of the External Auditors during the financial year under review is set out in the Audit Committee Report on pages 66 to 68 of this Annual Report.

### ii. Risk Management

The Board affirms its overall responsibility for maintaining a sound risk management and internal control system in pursuing the Company's objectives and have in place a formal Group Risk Management Framework. The details of the Group Risk Management Framework and risk management process are disclosed in Practice 10.1 and 10.2 of the CG Report and the Statement on Risk Management and Internal Control on pages 71 to 73 of this Annual Report.

### iii. Internal Control and Internal Audit Functions

The Board acknowledges its overall responsibility for maintaining a sound internal control system to safeguard shareholders' investment and the Group's assets. This includes ensuring the review of the adequacy and integrity of the system of internal control in managing the principal risks of the Group. As such, the Internal Audit Function was established to perform the review of the adequacy and integrity of the system of internal control in managing the principal risks of the Group. The Internal Audit Function of the Group comprises an in-house Internal Audit Function with the primary responsibility of reviewing the key internal control processes within the Group, and an outsourced Internal Audit Function with the primary responsibility for reviewing the internal control processes of the distributorship management system implemented by the Group. The in-house Internal Audit Function and the outsourced Internal Audit Function report directly to the Audit Committee and provide the Audit Committee with the assurance it requires on the adequacy and effectiveness of the Group's internal control system.

The state of the internal control system and Internal Audit Function of the Group is explained in greater detail in the Statement on Risk Management and Internal Control on pages 74 to 76 of this Annual Report and Practice 11.1 and 11.2 of the CG Report.

### PRINCIPLE B - EFFECTIVE AUDIT AND RISK MANAGEMENT (CONT'D)

### iv. Uphold Integrity in Financial Reporting

The Board strives to ensure that a balanced, clear and meaningful assessment of the financial positions and prospects of the Group are made in disclosures to shareholders, investors and the regulatory authorities via timely release of quarterly reports, annual reports and timely announcements on material information.

All financial statements, including annual financial statements to shareholders and quarterly announcements of financial results, were reviewed by the Audit Committee and thereafter recommended to the Board for approval to ensure the accuracy, adequacy and completeness of information, and compliance with relevant accounting standards and regulations prior to their release to the public and regulatory authorities.

The Board, through the review by the Audit Committee and in consultation with the Management and the External Auditors, presents fair and meaningful assessments of the Group's financial performance and position.

A summary of the work of the Audit Committee in the discharge of its functions and duties during the financial year is set out in the Audit Committee Report on pages 66 to 70 of this Annual Report.

## PRINCIPLE C - INTEGRITY IN CORPORATE REPORTING AND MEANINGFUL RELATIONSHIP WITH STAKEHOLDERS

### i. Corporate Disclosure and Stakeholders Communication

The core communication channel with stakeholders employed by the Company is via announcements made through Bursa Securities. All announcements made through Bursa Securities are approved by the Board prior to its release. The Board observes all disclosure requirements as laid down by the MMLR and Capital Markets and Services Act 2007 in order to have all material events and information disseminated publicly and transparently on a timely basis to ensure fair and equitable access by all stakeholders without selective disclosure of such information to specific individual or groups. The corporate disclosure by the Company is further enhanced by way of the Co-Chairmen of the Board, Chief Executive Officer and Executive Director (Corporate Affairs) assuming the role of authorised spokesperson for the Company during press conferences and analyst briefings to ensure factual, accurate and consistent disclosure.

The Board has adopted such practice for the disclosure of material information of the Group to ensure that communication to the relevant stakeholders is timely, factual, accurate, and complete. The corporate disclosure process and mechanism is guided by the Corporate Disclosure Policy approved by the Board. The Board also provides timely disclosure of all material information on the Group to stakeholders through announcements made on Bursa Securities and such announcements are also made available on the company's website at https://powerroot.com.my/investor-relations/bursa-announcements/.

The Annual Report and the quarterly interim financial reports are the main communication tools between the Company and its stakeholders. The Annual Report communicates comprehensive information on the financial results and activities undertaken by the Group. As a listed issuer, the contents and disclosure requirements of the Annual Report are governed by the MMLR.

Furthermore, the Company's website has a "Contact Us" section at https://powerroot.com.my/investor-relations/bursa-announcements/ which lists out the contact details (including email and contact numbers) of representatives from the Corporate Finance Department where stakeholders can direct their enquiries to.

Please refer to Practice 12.1 of the CG Report for further disclosures on stakeholders' communication.

## PRINCIPLE C - INTEGRITY IN CORPORATE REPORTING AND MEANINGFUL RELATIONSHIP WITH STAKEHOLDERS (CONT'D)

### ii. Encourage Shareholders Participation at General Meetings

The Company's general meetings serve as one of the key avenues of communication and the principal forum for dialogue with the shareholders. Shareholders are given the opportunity and are encouraged to participate in the general meetings of the Company and to raise questions or seek clarifications on the agenda items of the meeting from the Company's Directors. The agenda of the meeting and proposed resolutions including the voting rights and procedures for shareholders to exercise their rights to appoint their proxy in relation to the general meeting are to be provided to the shareholder at least twenty-eight (28) days prior to the meeting to ensure that shareholders are given sufficient time and information prior to attending the general meeting.

Adequate time is given during general meetings to encourage and allow shareholders to seek clarification or ask questions on pertinent and relevant matters. In order to facilitate and provide a more meaningful response to questions raised by shareholders, all Directors attended the 16th Annual General Meeting ("AGM") and the External Auditors were also present at the same meeting as well as the Extraordinary General Meeting ("EGM") on 8 August 2022 to provide professional and independent clarification on issues and concerns raised by the shareholders during the meeting.

In addition, the Company schedules meetings and interviews with professionals from the investment community and meets up with institutional investors, when requested.

### iii. Poll Voting

Pursuant to Paragraph 8.29A(1) of the MMLR, the Company is required to ensure that any resolution set out in the notice of general meetings is to be voted by poll. All resolutions put forth for shareholders' approval at the forthcoming 17th AGM are to be voted by way of poll voting.

To further promote the participation of members in the poll voting and general meetings through proxy(ies), the Company has amended its Constitution to include explicitly the right of proxies to speak at general meetings, to allow a member to appoint not more than two (2) proxies to attend on his/her behalf and expressly disallow any restriction on proxy qualification. In addition, the Constitution allows exempt authorised nominees to appoint multiple proxies for each omnibus account it holds.

### iv. Leverage on Information Technology for General Meetings

In order to promote transparency and thoroughness in the public dissemination of material information, the Company's website incorporates an 'Investor Relations" section which provides all relevant information on the Company and is accessible by the public via https://powerroot.com.my/investor-relations/bursa-announcements/. The "Investor Relations" section enhances the Investor Relations function by including all announcements made by the Company, the Annual Reports of the Company, *Board Charter* and prescribed policies as well as the *Terms of Reference* of the relevant Board Committees.

During the financial year under review, the Company did not conduct its general meetings by leveraging technology to facilitate voting in absentia and webcast for remote shareholder participation as all general meetings were held physically only.

### **DIRECTORS' RESPONSIBILITY STATEMENT**

The Directors are responsible for ensuring that the annual financial statements of the Group and the Company are prepared in accordance with the provisions of the Companies Act 2016 and the applicable approved accounting standards of Malaysia so as to give a true and fair view of the state of affairs of the Group and the Company as at 31 March 2023, and of the results of their operations and cash flows for the financial year ended on that date.

In preparing the annual audited financial statements, the Directors have:

- applied the appropriate and relevant accounting policies on a consistent basis;
- made judgments and estimates that are reasonable and prudent; and
- prepared the annual audited financial statements on a going-concern basis.

The Directors are also responsible for taking reasonable steps to safeguard the assets of the Group and the Company, and to detect and prevent fraud and other irregularities.

### **ADDITIONAL COMPLIANCE STATEMENT**

Material Contracts or Loan Involving the interests of the Directors, Chief Executive or Major Shareholders

The following is the material contract involving the interests of the Directors, Chief Executive who is not a Director or major shareholders, either still subsisting at the end of the financial year ended 31 March 2023 or, if not then subsisting, entered into since the end of the previous financial year ended 31 March 2022:

On 31 March 2021, the Company had entered into separate Put Option Agreements ("Put Option") with the Company's Chief Executive Officer (the "Grantee"), to grant the Grantee a put option over all his shares held ("Option shares") in the Company's subsidiaries, namely Power Root Distributor Sdn. Bhd. ("PRD"), Alicafe Roasters Sdn. Bhd. ("ARSB"), Power Root HK-China Company Limited ("PRHK") and Superwrapz International Sdn. Bhd. ("SISB") (individually referred to as "Subsidiary" and collectively referred to as "Subsidiaries") ("Put Option(s)").

The salient terms of the Put Option Agreements are, amongst others, as set out below:

1. Through the agreement, the Grantee has the option to require the Company to purchase his entire equity interest in the Subsidiaries at the date of the exercise of the Option Shares. The consideration for the Option Shares will be by way of issuance of new Company's shares ("Consideration Shares"). The basis for the calculation for the Consideration Shares is as follows:

### Step 1: Calculation of Option Ratio

To be based on the latest audited consolidated PAT ("Profit After Tax") of the Group (inclusive of 100% consolidated PAT of the Subsidiary) and the latest audited PAT of the respective Subsidiaries based on the following formula:

Option Ratio	=	Audited PAT of Subsidiary in RM	Х	% of shareholding of Grantee in the Subsidiary at the date of
	-	Audited PAT of the Group (inclusive of 100%	-	exercise of the Put Option
		consolidated PAT of the

The consideration for the Option Shares will be by way of issuance of new Company's shares ("Consideration Shares"). The basis for the calculation for the Consideration Shares is as follows:

Step 2: Calculation of Consideration Shares

Consideration Shares	=	Option Ratio	Х	Total number of shares of the Grantor in issue as at the date of the exercise of the Put Option
				(100% - Option Ratio)

The number of Consideration Shares (which is a function of the Option Ratio) will be subject to the quantum of profit contributions of the respective Subsidiaries to the Group.

- 2. The issuance of new ordinary shares by the Company to fulfil the consideration in the Put Options is conditional upon approvals being obtained (where applicable) from the following:
  - (a) Bursa Malaysia Securities Berhad, for the approval for the listing of and quotation for the new ordinary shares:
  - (b) The shareholders of the Company at an Extraordinary General Meeting of the Company to be convened, if required; and
  - (c) Any other relevant authorities, if required.

As at the date of this Statement, the Put Options remained unexercised.

### **KEY FOCUS AREAS AND FUTURE PRIORITIES**

Moving forward, the Board intends to strengthen the independence and diversity elements within the Board and Board Committees including restricting the Board Co-Chairmen from chairing the Nominating Committee, Remuneration Committee or being appointed as a member of the Board committees to ensure that there is check and balance as well as an objective review by the Board on deliberations emanating from the concerned Board Committee. Further, should there be any addition of new Board members, the Board will also consider gender diversity and increasing the number of Independent Directors on the Board as well as utilising independent sources to identify suitably qualified candidates instead of solely relying on recommendations from existing Board members, the Management or major shareholders. It is also the intent of the Board to consider further improvements in the transparency of disclosure of the remuneration of the Board members and Key Senior Management and taking into consideration the impact of such disclosure on the personal security of the individual Directors and Key Senior Management, and the risk of loss of Key Management.

### AUDIT COMMITTEE REPORT

### A. ESTABLISHMENT AND COMPOSITION

The Audit Committee ("AC") comprises the following members for the financial year ended 31 March 2023 and as at the date of this report:-

#### Chairman:

Tan Lay Beng (Independent Non-Executive Director) (appointed as Chairman of Audit Committee with effect from 1 April 2022)

### Members:

Dato' Affidudin bin Abdul Kadir (Co-Chairman of the Board, Independent Non-Executive Director) Azahar bin Baharudin (Independent Non-Executive Director)

The composition of the Audit Committee is in compliance with paragraph 15.09 of the Main Market Listing Requirements of Bursa Malaysia Securities Berhad ("MMLR"), where the Audit Committee consists of three (3) Independent Non-Executive Directors. Ms. Tan Lay Beng, who is the Audit Committee Chairman, is a member of the Malaysian Institute of Accountants ("MIA") which fulfils the requirement under paragraph 15.09(1)(c)(i) and paragraph 7.1 of Practice Note 13 of the MMLR. In compliance with Practice 9.1 of the Malaysian Code on Corporate Governance ("MCCG"), the Audit Committee Chairman is not the Chairman of the Board of Directors of the Company.

The Audit Committee also meets the requirement under Step Up Practice 9.4 of the MCCG whereby all members of the Audit Committee (including the Chairman) are Independent Non-Executive Directors. No alternate Director had been appointed as a member of the Audit Committee.

The Board through the Nominating Committee reviews the terms of office of the AC members and assesses the performance of the AC and its members through an annual Board Committee effectiveness evaluation. The Board is satisfied that each of the members of the AC as well as the AC as a whole had carried out their duties and discharged their responsibilities in accordance with the AC's Terms of Reference. The AC were functioning effectively, meeting the objectives as set out in its Terms of Reference and assisting the Board in fulfilling its statutory and fiduciary responsibilities adequately.

The profile of the members is presented on pages 5 to 9 of this Annual Report.

### **B. TERMS OF REFERENCE**

The Terms of Reference of the Audit Committee is available on the Company's website at https://powerroot.com. my/investor-relations/corporate-governance/.

### C. MEETINGS OF THE AUDIT COMMITTEE

During the financial year ended 31 March 2023, the Audit Committee held five (5) meetings. Details of each member's meeting attendance is as follows:-

Name of Directors	No. of Meetings Attended
Tan Lay Beng	5/5
Dato' Afifuddin bin Abdul Kadir	5/5
Azahar bin Baharudin	5/5

The meetings were conducted with the quorum of a majority of the members present at all of these meetings as required under the Audit Committee's Terms of Reference.

### C. MEETINGS OF THE AUDIT COMMITTEE (CONT'D)

The meetings were appropriately structured through the use of agendas, which were distributed together with the minutes of the meeting and relevant papers and reports to the members, normally at least seven (7) days before the meeting with sufficient time allowed for review by the members of the Audit Committee for the proper discharge of its duties and responsibilities diligently and effectively in compliance with the MMLR and its terms of reference. The Company Secretary, the appointed secretary of the Audit Committee, attended all the meetings during the financial year.

The External Auditors, Internal Auditors, Executive Directors, Group Financial Controller, Group Accountant and Corporate Finance Manager, at the invitation of the Audit Committee, attended the Audit Committee meetings to present their reports/findings or required information and explanations for the proper deliberation of the matters at hand.

The Audit Committee reported to and updated the Board on significant issues and matters discussed during the Committee's meetings and where appropriate, made the necessary recommendations to the Board.

Minutes of the Committee's meetings were made available to all Board Members for review and for them to seek clarification and confirmation from the Audit Committee Chairman where necessary.

### D. SUMMARY OF WORK OF THE AUDIT COMMITTEE DURING THE FINANCIAL YEAR

The Audit Committee carried out its duties in accordance with its terms of reference during the financial year under review. The summary of work undertaken by the Audit Committee during the financial year included the following:

### 1. Reviewed the Quarterly Financial Reports

During the quarterly meetings, the Group Financial Controller and Group Accountant presented the draft unaudited quarterly financial results for the Audit Committee's review, briefed the Audit Committee on the contents of the draft quarterly financial reports (including the condensed statement of financial position, condensed statement of profit or loss and other comprehensive income, condensed statement of cash flow, condensed statement of changes in equity and explanatory notes and additional information thereto), and answered all queries raised and clarifications sought by the Audit Committee. The review focused on key financial results and comparison to the corresponding quarter of the preceding year as well as the immediate preceding quarter, with reasons for variances provided by the Group Financial Controller and Group Accountant. In addition, the business prospects of the Group for the rest of the financial year were provided by the Management to the Audit Committee for discussion.

The review of the quarterly financial reports performed by the Audit Committee was supplemented by the review of key financial information (such as debtor ageing, inventory ageing analysis and major expenses) as well as comparison of actual financial results against budgeted financial results.

The unaudited financial reports reviewed by the Audit Committee were then recommended to the Board for approval prior to announcement to Bursa Malaysia Securities Berhad ("Bursa Securities").

### 2. Reviewed the Company's Compliance with Regulatory, Statutory and Accounting Standards

During the quarterly meeting, with respect to the quarterly and annual financial statements, the Audit Committee reviewed the Company's compliance with the MMLR, accounting standards promulgated by Malaysian Accounting Standards Board and other legal and regulatory requirements.

### AUDIT COMMITTEE REPORT cont'd

### D. SUMMARY OF WORK OF THE AUDIT COMMITTEE DURING THE FINANCIAL YEAR (CONT'D)

### 3. Reviewed the Latest Changes of Pronouncements Issued by the Accountancy, Statutory and Regulatory Bodies

At such quarterly meetings, the Audit Committee was kept informed of the application and impact of new and revised accounting standards by the External Auditors and on changes to the MMLR compliance requirements by the Company Secretary. The Audit Committee members also underwent training by professionals during the financial year to update themselves on the financial reporting and compliance requirements.

### 4. Reviewed the External Auditors' Audit Plan, Scope of Work and Audit Fee

During the financial year, the External Auditors presented their audit plan and strategy to the Audit Committee for review and comments prior to the commencement of the audit to ensure that the audit scope was adequate and reasonable time was allowed to ensure that the audit could be carried out effectively without undue time pressure.

The audit plan presented included information on the engagement team, audit scope, materiality, audit methodology and timing of audit, involvement of component auditors, other independent auditors, significant accounting policies and disclosures, audit focus areas (including potential key audit matters, other significant risks and other matter), emerging issues, key milestones, reported observations in prior year's audit, fraud consideration, newly effective Malaysian Financial Reporting Standards ("MFRS"), as well as the responsibilities of Directors and External Auditors. The audit plan was discussed and clarifications were sought from the External Auditors prior to the approval of the said plan by the Audit Committee.

During the same meeting, the proposed audit and non-audit fees were presented by the External Auditor for review by the Audit Committee to ensure that the proposed fees commensurate with the work to be performed by the External Auditors, and the independence and objectivity of the External Auditors were not compromised by the proposed non-audit fees, which was then recommended to the Board for approval.

During the financial year under review, in line with the MIA revised By-Laws (On Professional Ethics, Conduct and Practice) (By-Laws) Part A which stipulates that "A firm communicates with those charged with governance of a public interest entity before the firm or network firm provides non-assurance services to entities within the corporate structure of which the public interest entity forms part that might create threats to the firm's independence from the public interest entity. The purpose of the communication is to enable those charged with governance of the public interest entity to have effective oversight of the independence of the firm that audits the financial statements of that public interest entity. [MIA By-Laws 600.20 A1] The AC reviewed and approved the Non-Assurance Services ("NAS") pre-approval policy for non-assurance services that may be provided by the External Auditors.

### 5. Reviewed the Audited Financial Statements and Audit Results with External Auditors

The audit findings on the significant risk areas, deficiencies in internal control (if any) and status of the audit were presented to the Audit Committee. Subsequent to the deliberations and clarifications of the audit findings by the Audit Committee with the External Auditors and conclusions derived therefrom, the audit findings and recommendations were presented to the Board by the Chairman of the Audit Committee.

Following the review with the External Auditors and the Management and having satisfied itself that the audit had been carried out in accordance with the approved audit plan and approved auditing standards, and that the presentation of the financial statements was in compliance with the statutory requirements and applicable approved accounting standards, the Audit Committee recommended for the Board's approval and adoption of the audited statutory financial statements for the financial year ended 31 March 2023 of the Company and the Group.

### SUMMARY OF WORK OF THE AUDIT COMMITTEE DURING THE FINANCIAL YEAR (CONT'D)

#### 6. Private Sessions with External Auditors

For the financial year ended 31 March 2023, the Audit Committee met twice on 31 May 2022 and 22 February 2023 with the External Auditors without the presence of the Executive Directors and Management in order for the Audit Committee and the External Auditors to freely exchange observations and opinions as well as to discuss any significant audit issues.

### 7. Reviewed the Performance, Independence and Objectivity of the External Auditors

During the financial year under review, the Audit Committee conducted an evaluation of the performance, independence and objectivity of the External Auditors via the External Auditor Performance and Independence Checklist per the Corporate Governance Guide issued by Bursa Malaysia Berhad with criteria such as calibre of the firm, quality processes and performance, knowledge and skill sets of the audit team, independence and objectivity, audit scope and planning, audit fees and audit communications. In addition, during the meetings with the External Auditors, the External Auditors reaffirmed their independence of the Group and the Company in accordance with the By-Laws (on Professional Ethics, Conduct and Practice) of the MIA and the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (including International Independence Standards) ("IESBA Code"), and their commitment to communicate to the Audit Committee on their independence status on an ongoing manner. The Audit Committee also considered information in the Annual Transparency Report presented by the External Auditors during the meeting as part of the criteria to guide the Audit Committee in its assessment on the reappointment of the External Auditors.

Based on the satisfactory results of the assessment of the performance, independence and objectivity of the External Auditors, the Audit Committee recommended the reappointment of the External Auditors to the Board for the financial year ended 31 March 2023.

### 8. Reviewed the Adequacy and Relevance of the Scope, Functions and Resources, Internal Audit Plan and Results from the Internal Audit Reviews with the Group's Internal Audit Functions

The Audit Committee received internal audit reports from both the in-house internal audit function and outsourced internal audit function, on a quarterly basis, that contained the findings, recommendations and agreed management action plans for internal audits conducted based on the approved internal audit plans. In addition to reporting on the audit findings, the status of agreed management action plans for previous internal audit findings and the status of approved internal audit plans were also presented to the Audit Committee for their review and deliberations. Additionally, the Audit Committee assessed the adequacy and effectiveness of the respective Internal Audit Functions through the review of the resources, experience and continuous professional development of the Internal Audit Functions. Further, the Audit Committee conducted a formal evaluation of the performance, independence and objectivity of both the in-house internal audit function and the outsourced internal audit function via the *In-House Internal Audit Function Evaluation Checklist and External/Outsourced Internal Audit Function Evaluation Checklist* per the Corporate Governance Guide issued by Bursa Malaysia Berhad.

During the financial year under review, the internal audit plans (including updates on the progress of approved internal audit plans) and subsequent changes, if any, were presented by the in-house internal audit function for the review and approval by the Audit Committee.

The oversight role of the Audit Committee on the internal audit function is detailed in the Statement on Risk Management and Internal Control set out on pages 76 to 77 of this Annual Report.

### 9. Private Session with the Internal Audit Functions

For the financial year ended 31 March 2023, the Audit Committee on 22 February 2023 met with the inhouse internal audit function and the outsourced internal audit function separately, without the presence of the Executive Directors and Management in order for the Audit Committee and the respective internal audit functions to freely exchange observations and opinions as well as to discuss any significant audit issues.

### AUDIT COMMITTEE REPORT cont'd

### SUMMARY OF WORK OF THE AUDIT COMMITTEE DURING THE FINANCIAL YEAR (CONT'D)

### 10. Reviewed the Related Party Transactions

During the quarterly meetings, updates on the value of the individual Related Party Transactions ("RPT") and Recurrent Related Party Transactions ("RRPT") transactions and comparison with the shareholders' mandate amounts (for the period from the previous general meeting to the forthcoming general meeting) were reported to the Audit Committee for its review. This would enable the Audit Committee to take prompt action in the event any RRPT should exceed 10% of the mandated amount. Other than RRPT approved by the shareholders at the 16th AGM, the Audit Committee noted that there were no other material transactions entered into by the Group with related parties during the financial year ended 31 March 2023.

### 11. Review of Allocation of Options or Shares Pursuant to a Share Issuance Scheme

During the quarterly meetings, the Audit Committee reviewed the options listing and confirmed that the options had been granted in accordance with the relevant Employees' Share Option Scheme ("ESOS") By-Laws during the financial year ended 31 March 2023.

During the same meetings, the Audit Committee also reviewed the issuances of new ordinary shares pursuant to the exercise of options granted under the ESOS during the financial year and was satisfied that such issuances were carried out on terms vested on the options granted.

### 12. Reviewed the Statements and Reports Disclosed in the Annual Report

The Audit Committee reviewed the Corporate Governance Report, Corporate Governance Overview Statement, Audit Committee Report, Statement on Risk Management and Internal Control, Management Discussion and Analysis, Sustainability Statement, the Directors' Responsibility Statement for preparing the annual audited financial statements, other information required for disclosure (such as the profile of directors and key management, RRPT, etc.) and the audited financial statements of the Group and the Company to ensure compliance with the MMLR, MCCG and other guidelines for publication in the Company's Annual Report and recommended these to the Board for approval.

13. Reviewed the Draft Circular to Shareholders on the 'Proposed Renewal of Shareholders' Mandate for RRPTs of a Revenue or Trading Nature' and 'Share Buy-Back Statement in relation to the Proposed Renewal of Authority to Buy-Back its Own Shares by the Company'.

The Audit Committee reviewed the draft circular to Shareholders to ensure the contents and presentation were in compliance with the MMLR.

### 14. Reviewed the Updated Enterprise Risk Management Report of the Group

The Audit Committee reviewed and deliberated on the updated Risk Management Report of the Group (including but not limited to, the key risk profile, key risk registers (comprising strategic, governance and key operational risks) and the proposed internal audit plan derived therefrom) on its adequacy and effectiveness. Based on the review, the Audit Committee was satisfied with the results of the risk assessment and its responses and subsequently reported the results of the review to the Board.

### 15. Reviewed the Sustainability Matters Assessment Results of the Group

The Audit Committee reviewed the sustainability matters assessment results presented by the SRMC. The review was on updates of identified material sustainability matters. Based on the review, the Audit Committee was satisfied with the process and results of the sustainability matters assessment and subsequently reported the results of the review to the Board.

### 16. OTHERS

- The proceedings of the Audit Committee meetings, significant issues and concerns discussed and where appropriate, recommendations were reported to the Board by the Audit Committee Chairman, with the minutes of the Audit Committee made available to all board members for review. Clarification and confirmation from Audit Committee Chairman were also provided where required.
- The Audit Committee reviewed its term of reference and proposed updates and changes in the term of reference to the Board for its review and approval.
- The Audit Committee reviewed and approved the Annual Budget for the Group prior to its recommendation to the Board for approval.
- The Audit Committee reviewed amendments to the Grievance procedures and Whistle Blowing policy.
- Reviewed the solvency statements in connection with the declaration of 4<sup>th</sup> interim single tier dividend and special interim single tier dividend for FY 2022 and 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> interim single tier dividend and special interim single tier dividend for FY 2023 before recommending to the Board for consideration and approval of the distributions.

### **E. INTERNAL AUDIT FUNCTION**

The internal audit function of the Group is made up of an in-house internal audit function with the primary responsibility to conduct internal control reviews of key internal processes within the Group, and an outsourced internal audit function with the primary responsibility to conduct internal control reviews of the distributorship management system implemented by the Group and to conduct such reviews independently, objectively and regularly. The in-house internal audit function and the outsourced internal audit function report directly to the Audit Committee. The appointment and resignation of the internal auditors as well as the proposed/budgeted audit fees are subject to review and approval by the Audit Committee for its reporting to the Board for ultimate approval.

The Audit Committee ensures the adequacy of the internal audit scope by way of review of the proposed internal audit plans tabled by the respective internal audit functions for its adequacy of coverage and scope in relation to the key business risk exposure and risk appetite of the Group prior to its approval for execution. The approved internal audit plans are duly executed by the internal audit functions with any subsequent changes to the plan reviewed and approved by the Audit Committee. The in-house internal audit function and the outsourced internal audit function tabled the results of their review to the Audit Committee during their scheduled meetings, highlighting their findings, recommendations, areas of improvement opportunities, management response and action plan.

In addition, the internal audit functions performed follow-up reviews to ascertain the status of implementation of agreed management action plans. The results of the follow-up reviews were reported to the Audit Committee for their review and deliberation.

The Audit Committee ensures the effectiveness and adequacy of the internal audit functions, their competency and the adequacy of resources allocated to the internal audit functions, through the review of their resources in terms of qualification and experience/exposure and continuous professional development for the employees of these internal audit functions which are tabled by the in-house internal audit function and the outsourced internal audit function at the Audit Committee meetings during the financial year under review.

Further details of the internal audit functions and the oversight roles of the Audit Committee in relation to risk management and internal control are disclosed in the Statement on Risk Management and Internal Control set out in pages 71 to 78 of this annual report.

# STATEMENT ON RISK MANAGEMENT AND INTERNAL CONTROL

### **INTRODUCTION**

Pursuant to paragraph 15.26(b) and Practice Note 9 of Bursa Malaysia Securities Berhad Main Market Listing Requirements in relation to the requirement to prepare a statement about the state of risk management and internal controls of the listed issuer as a group, and as guided by the Statement on Risk Management and Internal Control: Guidelines for Directors of Listed Issuers ("the Guidelines") and the Malaysian Code on Corporate Governance 2021 ("MCCG"), the Board of Directors ("the Board") of Power Root Berhad ("the Company") (collectively with its subsidiaries, "the Group") is pleased to present the statement on the state of the risk management and internal controls of the Group for the financial year ended 31 March 2023 and up to the date of approval of this statement. The scope of this Statement includes the Company and all operating subsidiaries.

### **BOARD RESPONSIBILITY**

As per the Board Charter, the Board assumes the ultimate responsibility of maintaining a sound governance, risk management and internal control system, and of reviewing their adequacy and effectiveness so as to achieve the Group's mission, core values, strategies and business objectives, and to establish the risk appetite of the Group based on the risk capacity, strategies, internal and external business context, business nature, and corporate/product lifecycle. Furthermore, it is also the responsibility of the Board to safeguard stakeholders' interests and protect the Group's assets. The Board has established an appropriate governance, risk management and internal control system that is embedded into the corporate culture, processes and strategies of the Group, which articulates the importance of an adequate and effective governance, risk management and internal control system.

The Audit Committee, as a Board Committee, is governed by its terms of reference and is delegated with the duty to review the adequacy and effectiveness of the risk management and internal control system of the Group and to provide assurance to the Board on the adequacy and effectiveness of such risk management and internal control system. The Audit Committee keeps the Board informed on all significant risks and control issues brought to its attention by the Sustainability and Risk Management Committee ("SRMC"), the internal audit function and the external auditors.

However, as there are inherent limitations in any risk management and internal control system, such system is designed to manage, rather than eliminate risks that may impede the achievement of the Group's business and corporate objectives. Accordingly, it can only provide reasonable but not absolute assurance against material misstatement of losses and fraud.

The Board does not review the risk management and internal control system of its associate company as the Group does not have management control over the associate company. Notwithstanding that, the Group's interests are served through representation on the Board of Directors of the associate company and the Executive Director provides the Board with information on the performance of the Group's associate company on a yearly basis.

### **RISK MANAGEMENT**

The Board recognises that a sound risk management system is critical in the pursuit of its strategic objectives and maintains an on-going commitment to identifying, evaluating and managing the significant risks faced by the Group. The Board has put in place a formal Group Risk Management Framework to govern the risk management process.

The principles, practices and processes of the Group Risk Management Framework established by the Board are, in all material aspects, guided by ISO 31000:2018 – Risk Management Guidelines and the updated Enterprise Risk Management-Integrated Framework (2017) by Committee of Sponsoring Organizations of the Treadway Commission ("COSO").

The Group Risk Management Framework clearly defines the risk management objectives and processes, along with clear roles and responsibilities of the Board, Audit Committee, Internal Audit Function, SRMC and risk owners which are defined in the terms of reference of the respective committees.

#### **RISK MANAGEMENT**

The Group Risk Management Framework lays down the risk management principles and processes defined by the Board with a formalised governance structure of the risk management activities of the Group as follows:

The Board delegates the duty of identification, assessment and management of key business risks to the SRMC, led by an Executive Director as Chairman of the Committee, which reports to the Audit Committee on a periodical basis (at least on an annual basis) or when appropriate. The roles and responsibilities of the SRMC in relation to risk management include the following:

- a. implement the Group Risk Management Framework approved by the Audit Committee and the Board;
- b. implement the risk management process which includes the identification of key risks (including sustainability matters) and the devising of appropriate action plan(s) in cases where existing controls are ineffective, inadequate or non-existent, and communicating such action plans to the risk owners;
- c. ensure that the risk strategies adopted are aligned with the Group's organisational strategies (e.g. vision/mission, corporate strategies/business objectives, etc.), Group Risk Management Framework (including policies and processes), risk tolerance and risk appetite;
- d. continuous review and update of the Key Risk Registers (including changes (increase or decrease) in identified risk events/levels and incorporation of new or emerging risks or integration of business risks from the implementation and integration of new strategies and business objectives, or removal of superseded risk matters), compilation of the Key Risk Profile and Key Risk Report of the Group due to changes in the internal and external business context, business processes, business strategies or external environment, and determine the management action plan, if required; and
- e. update the Board, through the Audit Committee, on changes to the Key Risk Profile on a periodical basis (at least on an annual basis) or when appropriate (due to significant changes to the internal and external business context) and the course of action(s) to be taken by management in managing the changes.

The roles and responsibilities of the Head of Departments, designated as risk owners, as defined in the Group Risk Management Framework are as follows:

- a. manage the risks of the business processes under his/her control;
- b. continuously identify risks and evaluate existing controls. If controls are deemed ineffective, inadequate or nonexistent, to establish and implement the necessary controls to reduce the risk likelihood and/or impact;
- c. report to the SRMC on the emergence of new business risks or changes in the existing business risks in a timely manner, and assist the SRMC:
- d. assist with the development of the management action plans and implement these action plans;
- e. assist the SRMC with the yearly update of changes in the Key Risks Registers, management action plans and the status of these plans;
- f. ensure that departmental staff understand the risk exposure of the relevant processes under their responsibilities and the importance of the related controls; and
- g. ensure that staff are adequately trained on risk and improvement opportunity management.

#### **RISK MANAGEMENT (CONT'D)**

The structured risk management process as defined in the Group Risk Management Framework is employed by the SRMC and the risk owners for risk and improvement opportunity identification, evaluation, control identification, treatment and monitoring activities. Risk assessment at gross and residual levels are guided by the likelihood rating and impact rating established, based on the acceptable risk appetite level as determined by the Board. Based on the risk management process, Key Risk Registers are updated by the SRMC and risk owners, with the relevant key risks identified and rated based on the agreed upon risk rating scale. Key Risks Registers are used for the identification of high residual risks which are above the risk appetite of the Group that require the SRMC, Audit Committee and the Board's immediate attention and risk response(s) as well as for future risk monitoring.

As an important risk monitoring mechanism, the SRMC and risk owners review the Key Risks Registers and assess emerging risks identified at strategic, governance and operational levels (including sustainability, fraud and bribery-related risks) on an annual basis or on a more frequent basis (if circumstances require) and report to the Audit Committee and the Board on the results of the review and assessment to ensure that key risks are managed within the risk appetite established by the Board.

During the financial year under review, the SRMC and the risk owners conducted a review and assessment exercise whereby existing strategic, governance, and key operational risks (including sustainability, fraud and bribery-related risks) were reviewed and any new emerging risks identified were assessed and incorporated into the Key Risks Registers for on-going risk monitoring and assessment, after taking into consideration the internal audit findings. The Risk Management Report, which consists of key risk profiles (comprising strategic, governance and key operational risks (including sustainability, fraud and bribery-related risks)), key risk observations and likelihood and impact rating used during the risk management process by the SRMC, was compiled and tabled to the Audit Committee and Board for review and deliberation. Thereafter, risks above the risk appetite level or with inadequate or ineffective control activities were prioritised for internal audit activities to be carried out by the in-house internal audit function.

At the strategic level, business plans, business strategies and investment proposals with risk considerations are formulated by the Chief Executive Officer and Senior Management and presented to the Board for review and deliberation to ensure that the proposed plans, strategies and investment proposals are in line with the Group's risk appetite. In addition, specific strategic and key operational risks are highlighted and deliberated by the Audit Committee and Board during the review of the financial performance of the Group at scheduled meetings.

The risk owners are responsible for managing the risks of the business processes under their control. Risk owners are responsible for the effective and efficient operational monitoring and management, by way of maintaining effective internal controls and ensuring compliance with risk and control procedures on a day-to-day basis. Changes in the key risks or emergence of new risks are identified by the respective levels of Management through daily operational management, review of operational and management reports generated by the internal management information system and supplemented by external data and information received or collected. The risk owners are responsible for assessing any material changes to the existing risks or emergence of new risks, and for formulating and implementing effective controls to manage these risks. Such material risks are highlighted to the SRMC for the final decision on the formulation and implementation of effective internal controls and reported to the Audit Committee and the Board.

The monitoring of the risk management process by the Group is enhanced by the internal audits carried out by the in-house internal audit function with specific business risks identified for each internal audit cycle based on the internal audit plans approved by the Audit Committee.

The above process has been practiced by the Group for the financial year under review and up to the date of approval of this statement.

#### **INTERNAL CONTROL SYSTEM**

The key features of the Group's internal control system are made up of five core components, i.e., Control Environment, Risk Assessment, Control Activities, Information and Communication, and Monitoring Activities with principles representing the fundamental concepts associated with each component as follows:

#### Board of Directors/Board Committees

The roles, functions, composition, operations and processes of the Board are guided by a formal Board Charter whereby the roles and responsibilities of the Board, Independent Non-Executive Chairmen and Chief Executive Officer are specified to preserve the independence of the Board from the Management.

Board Committees (i.e., Audit Committee, Remuneration Committee, Nominating Committee and Option Committee) have been established to carry out the duties and responsibilities delegated by the Board and are governed by written terms of reference.

Meetings of the Board of Directors and the Audit Committee are carried out on a quarterly basis (or more frequently as necessary) to review the performance of the Group from both financial and operational perspectives or to discuss significant key issues. Business plans and business strategies are proposed by the Chief Executive Officer to the Board for their review and approval after taking into account risk considerations and responses.

#### • Integrity and Ethical Values

The tone from the top on integrity and ethical values are enshrined in the formal Code of Conduct established and approved by the Board. This formal code forms the foundation of integrity and ethical values for the Group.

To further enhance the level of integrity and ethics practiced throughout the Group, the Group has in place a formalised Anti-Bribery & Corruption Policy that has been reviewed by the Audit Committee and approved by the Board, to prevent the risk of bribery and conflict of interest within the Group, coupled with the formalised Whistleblowing Policy and Grievance Procedures for all stakeholders to raise genuine concerns about possible improprieties in matters of unethical behaviour, malpractices, illegal acts or failure to comply with regulatory requirements at the earliest opportunity.

Compliance with the Code of Conduct and relevant policies on ethics are monitored via monitoring mechanisms and reporting channels implemented to ensure non-compliances reported or detected are investigated in a timely manner with appropriate corrective action, including but not limited to disciplinary actions and other actions, to rectify non-compliance.

#### Organisation Structure, Accountability and Authorisation Procedures

The Group has a formal organisation structure in place with clear lines of reporting and accountability with the Board assuming the oversight roles. The Group is committed to employing suitably qualified staff so that the appropriate level of authority and responsibilities can be delegated, while accountability of performance and controls are assigned accordingly to competent staff to ensure operational effectiveness and efficiency. The establishment and communication of job responsibilities as well as accountability of performance and controls for key positions are further enhanced via job descriptions established by the Management.

The authorisation requirements for key processes are incorporated into all relevant operating processes and documents and are stated in the Group's policies and procedures.

#### Annual Budget and Performance Measurement

The Annual Budget for the Group is presented to and approved by the Board on an annual basis and forms one of the bases to monitor actual business performance and to identify significant variances for prompt actions to be taken.

#### STATEMENT ON RISK MANGEMENT AND INTERNAL CONTROL cont'd

#### **INTERNAL CONTROL SYSTEM (CONT'D)**

#### Succession Planning and Human Resources

It is the Board's commitment that the Group identifies and seeks to meet the aspirations of employees and continuously develop their knowledge, skills and competencies for personal development and corporate excellence. The Succession Planning Policy adopted by the Board will ensure employees with potential are identified and groomed for key positions within the Group for business continuity management and minimise the impact of abrupt vacancies or departure of key personnel.

Guidelines on human resource management are in place to ensure the Group's ability to operate in an effective and efficient manner by attracting, employing and retaining adequate competent employees possessing the necessary knowledge, skills and experiences (which are enhanced by continuous training thereafter) in order to carry out their job duties and responsibilities effectively and efficiently.

Performance evaluations are carried out for staff of all levels to identify performance gaps, training needs and talent development.

#### Risk Assessment and Control Activities

Risk assessment (including sustainability, fraud and bribery-related risks) is performed by risk owners at scheduled intervals (at least on an annual basis) or whenever there is a material change in the internal and/or business environment in accordance with the Group Risk Management Framework. Internal controls, as with risk responses, are formulated and put in place to mitigate risks identified at a level acceptable by the Board, i.e. the risk appetite.

The Group has documented policies and procedures in place that are reviewed and updated annually, or as and when circumstances dictate to ensure its relevance, to regulate key operational areas including International Organisation for Standardisation ("ISO"), Hazard Analysis and Critical Control Points ("HACCP") and Good Manufacturing Practices ("GMP") certifications as well as internal control requirements.

#### Information and Communication

At operational levels, clear reporting lines are established across the Group. Operations and management reports are prepared for dissemination to relevant personnel for effective communication of critical information throughout the Group to facilitate timely decision-making and execution in pursuit of the business objectives. Matters that require the Board and Senior Management's attention are highlighted for review, deliberation and decision-making on a timely basis.

The Group has in place effective and efficient information and communication infrastructures and channels (i.e. computerised enterprise resources planning system, mobile applications, secure electronic mail system and modern telecommunication system) so that operational data and management information can be collected and processed into relevant and adequate information and communicated timely, reliably and securely to the appropriate personnel within the Group for decision-making and for communication with relevant external stakeholders. Apart from that, financial and management reports are generated and provided to the relevant level of employees in the Group for information dissemination, review and/or decision making. Management and board meetings are held for effective two-way communication of information at different levels of management and the Board.

Communication of policies and procedures of the Group are conducted via written format, electronic mail system and in-house training by the respective risk or control owners.

#### **INTERNAL CONTROL SYSTEM (CONT'D)**

#### Monitoring and Review

As the Executive Directors are closely and directly involved in the day-to-day operations of the Group, regular reviews of operational and management data including production, sales and marketing, and financial data are performed by the Executive Directors.

At the operational level, monitoring activities are embedded into the policies and procedures established by the Management with incidents of non-compliance and exceptions noted and escalated to the appropriate level of management. The Audit Committee and Board meetings are held quarterly to discuss and review the financial and operational performance of key divisions of the Group, including review of key financial indicators/ratios and comparison against budgeted financial results and the preceding corresponding period's financial results.

Furthermore, internal audits are carried out by the in-house internal audit function (which reports directly to the Audit Committee) on key risk areas identified based on the key risk profile of the Group. The in-house internal audit function assesses the adequacy and effectiveness of internal controls in relation to specific governance, risk and control processes and highlights potential risks and implications of its observations that may impact the Group as well as recommends improvements on the observations made to mitigate the risks. The results of the internal audits carried out are reported to the Audit Committee.

The monitoring of compliance with relevant laws and regulations is further enhanced by independent reviews of specific areas of Occupational Safety, Health and Environment (OSHE) by the relevant regulatory authorities and/or independent consultants engaged by the Group.

Corrective actions are formulated and implemented for incidents of non-compliance and exceptions reported with its implementation monitored.

#### INTERNAL AUDIT FUNCTION

The Group relies on the internal audit functions to provide the Board and the Management with the required level of assurance that the governance, risk management and internal control system is adequate and effective in mitigating organisational risks to achieve the Group's corporate objectives.

The internal audit functions of the Group comprise an in-house internal audit function with the primary responsibility of the internal control review of key internal processes within the Group and an outsourced internal audit function provided by an independent consulting company, NeedsBridge Advisory Sdn Bhd, with the primary responsibility for the internal control review of the distributorship management system implemented by the Group.

The in-house Internal Audit Manager and the engagement director of the outsourced internal audit function are both Certified Internal Auditors accredited by the Institute of Internal Auditors Global. Both the in-house internal audit function and the outsourced internal audit function report to the Audit Committee directly and provide the Audit Committee with the assurances it requires on the adequacy and effectiveness of the Group's governance, risk management and internal control system. Internal audits carried out by the in-house internal audit function and outsourced internal audit function are, in all material aspects, in accordance with the International Professional Practices Framework ("IPPF"), i.e. Mission, Core Principles for the Professional Practice of Internal Auditing, Code of Ethics and the International Standards for the Professional Practice of Internal Auditing established by the Institute of Internal Auditors Global. The in-house internal audit function comprised one (1) Internal Audit Manager, one (1) Internal Audit Assistant Manager and three (3) Internal Audit Executives.

The in-house internal audit function is governed by the Internal Audit Charter while the outsourced internal audit function is governed by a formal engagement letter with key terms including mission/purpose and scope of work, accountability, independence, the internal audit function's responsibilities and the authority accorded to the internal audit function. The internal audit functions are accorded unrestricted access to all functions, records (for highly sensitive information, a higher authority's prior approval is required), property, personnel, Audit Committee members and other specialised services from within or outside the Group and, where necessary, the assistance of personnel in the relevant business units of the Group. To preserve their independence and objectivity, both the in-house internal audit function and the outsourced internal audit function are independent of the activities audited and to be audited, as stated in the Internal Audit Charter and engagement letter respectively.

## STATEMENT ON RISK MANGEMENT AND INTERNAL CONTROL

cont'd

#### **INTERNAL AUDIT FUNCTION (CONT'D)**

The oversight of the in-house and outsourced internal audit functions by the Audit Committee is enhanced with the annual review by the Audit Committee of the resources of the in-house and outsourced internal audit functions in terms of qualification and experience/exposure, and continuous professional development for the employees of the in-house and outsourced internal audit functions, details of which are tabled by the in-house and outsourced internal audit functions during the Audit Committee meetings held for the financial year under review.

During the financial year under review, the Audit Committee conducted a formal evaluation of the performance, independence and objectivity of both the in-house internal audit function and outsourced internal audit function via the In-House Internal Audit Function Evaluation Checklist and External/Outsourced Internal Audit Function Evaluation Checklist in line with the Corporate Governance Guide issued by Bursa Malaysia Berhad, focusing on the professional qualification, scope, accountability, responsibilities, independence, authorities, knowledge and competencies, resources, compliance with internationally recognised standard, and communication channel.

Based on the above review and performance evaluation, the approved internal audit plans, internal audit work performed and reports by the in-house internal audit function and outsourced internal audit function, the Audit Committee is satisfied that:

- the scope, functions (including independence), competency, resources, authorities granted to the internal audit functions, approved internal audit plans and results of internal audits, management action plans and follow up reports are adequate to provide the Audit Committee with reasonable assurance that governance, risk and control structures and processes of the Group are adequate and effective;
- the results of the internal audit plan, processes or investigation undertaken are adequately communicated to the Audit Committee and appropriate actions are taken on the recommendations of the internal audit functions; and
- both internal audit functions had undertaken continuous professional development to equip themselves with the relevant knowledge and skills to discharge their responsibilities.

The risk-based internal audit plan in respect of the financial year ended 31 March 2023 was prepared after taking into consideration the existing and emergent key business risks identified in the Group's key risk profile. The audit plan and any subsequent amendments (if any) were reviewed and approved by the Audit Committee prior to its execution.

The internal control review procedures performed by the internal audit functions are designed to understand, document and evaluate risks and related controls to determine the adequacy and effectiveness of governance, risk and control structures and processes, and the recommendations formulated by both internal audit functions are based on the root cause(s) of the observations noted during the internal audit process. The internal audit procedures applied principally consisted of process evaluations through interviews with relevant personnel involved in the process under review, review of the Standard Operating Procedures and/or process flows provided and observations of the functioning of processes in compliance with results of interviews and/or documented Standard Operating Procedures and/or process flows.

For the financial year ended 31 March 2023, the internal audit functions conducted reviews for:

- Costing Management of the Manufacturing division
- Anti-Bribery & Corruption Management of the Manufacturing division
- Demand & Supply Planning Management of the Manufacturing division
- Production Beverage (BV) of the Manufacturing division
- Distribution Management System for selected key dealers

Upon the completion of the internal audit work, the internal audit reports were presented to the Audit Committee during its quarterly meetings. During such meetings, the internal audit findings, risk/potential implication and recommendations as well as management responses and action plans were presented to and deliberated by the Audit Committee. Updates on the status of action plans identified in the previous internal audit reports were also presented during these meetings for the Audit Committee's review and deliberation. The Audit Committee reported the results of the review and deliberations to the Board in order for the Board to discharge its responsibility of ensuring that sound governance, risk management and internal control system is in place to manage the risks within the risk appetite of the Group and for regulatory compliance.

The cost incurred in maintaining the in-house and outsourced internal audit functions for the financial year ended 31 March 2023 amounted to RM446,348.

#### ASSURANCE PROVIDED BY CHIEF EXECUTIVE OFFICER AND GROUP FINANCIAL CONTROLLER

In accordance with the Guidelines, the Chief Executive Officer, being the highest-ranking executive in the Group and the Group Financial Controller, being the person primarily responsible for the management of the financial affairs of the Group, have provided assurance to the Board that the Group's risk management and internal control system has operated adequately and effectively, in all material aspects, to meet the Group's objectives during the financial year under review.

#### **OPINION AND CONCLUSION**

Based on the review of the risk management results and processes, results of the internal audit activities, monitoring and review mechanisms stipulated above coupled with the assurance provided by the Chief Executive Officer and the Group Financial Controller, the Board is of the view that the governance, risk management and internal control system is operating satisfactorily and has not resulted in any material losses, contingencies or uncertainties during the financial year under review that would require disclosure in the Group's annual report. The Board continues to take pertinent measures to review and, where necessary, enhance the Group's governance, risk management and internal control system to meet the Group's strategic objectives.

The Board is committed towards maintaining a sound governance, risk management and internal control system throughout the Group and reaffirms its commitment to continuously review and, where necessary, enhance further the system.

### REVIEW OF STATEMENT ON RISK MANAGEMENT AND INTERNAL CONTROL BY EXTERNAL AUDITORS

The external auditors have reviewed this Statement on Risk Management and Internal Control pursuant to the scope set out in the Audit and Assurance Practice Guide ("AAPG") 3, Guidance for Auditors on Engagements to Report on the Statement on Risk Management and Internal Control included in the Annual Report issued by the Malaysian Institute of Accountants ("MIA") for inclusion in the annual report of the Group for the year ended 31 March 2023, and reported to the Board that nothing has come to their attention that caused them to believe that the statement intended to be included in the annual report of the Group, in all material respects:

- a. has not been prepared in accordance with the disclosures required by paragraphs 41 and 42 of the Statement on Risk Management and Internal Control: Guidelines for Directors of Listed Issuers, or
- b. is factually inaccurate.

AAPG 3 does not require the external auditors to consider whether the Directors' Statement on Risk Management and Internal Control covers all risks and controls, or to form an opinion on the adequacy and effectiveness of the Group's risk management and internal control system including the assessment and opinion by the Board of Directors and management thereon. The auditors are also not required to consider whether the processes described to deal with material internal control aspects of any significant problems disclosed in the annual report will, in fact, remedy the problems.

#### **OPTIONS GRANTED OVER UNISSUED SHARES**

No options were granted to any person to take up unissued shares of the Company during the financial year apart from the issue of options pursuant to the ESOS.

At the Extraordinary General Meeting held on 23 July 2012, the Company's shareholders approved the establishment of a first ESOS ("ESOS 1") of not more than 10% of the issued share capital of the Company to eligible Directors and employees of the Group.

The salient features of the ESOS 1 are, inter alia, as follows:

- (a) The ESOS is administered by a committee appointed by the Board of Directors.
- (b) The aggregate number of options exercised and options offered and to be offered under the ESOS shall not exceed ten percent (10%) of the issued and paid-up ordinary share capital of the Company at any point of time during the duration of the ESOS. Furthermore, not more than ten percent (10%) of ESOS Shares available under the Scheme shall be allocated to any Directors or employee, who singly or collectively through persons connected with such Directors or employee, holds twenty percent (20%) or more of the issued and paid-up share capital of the Company.
- (c) Any employee of the Group shall be eligible to participate in the Scheme if they attained eighteen (18) years of age and have been confirmed in service and have been in the employment of the Group for a period of at least six (6) months in the Group.
- (d) Any Director of the Group shall be eligible to participate in the Scheme if they attained eighteen (18) years of age and is an existing Director of the Group.
- (e) The option price for each share shall be at a discount to the five (5) days weighted average market price of the shares of the Company immediately preceding the date of the offer, provided that the discount shall not exceed ten percent (10%).
- (f) The ESOS shall be in force for a period of ten (10) years commencing from 23 July 2012 and expired on 22 July 2022.

At the Extraordinary General Meeting held on 10 June 2019, the Company's shareholders approved the establishment of a second ESOS ("ESOS 2") to eligible key employees and Directors of the Group.

The salient features of the ESOS 2 are, inter alia, as follows:

- (a) The ESOS is administered by a committee appointed by the Board of Directors.
- (b) The aggregate number of options exercised and options offered and to be offered under the ESOS shall not exceed fifteen percent (15%) of the issued and paid-up ordinary share capital of the Company at any point of time during the duration of the ESOS. Furthermore, not more than ten percent (10%) of ESOS Shares available under the Scheme shall be allocated to any Directors or employee, who singly or collectively through persons connected with such Directors or employee, holds twenty percent (20%) or more of the issued and paid-up share capital of the Company.
- (c) Any Executive Director or key employee of the Group shall be eligible to participate in the Scheme if they attained eighteen (18) years of age and (i) must not be an undischarged bankrupt nor subject to any bankruptcy proceedings; (ii) must have complied with any other criteria imposed by the ESOS Committee from time to time; and (iii) must be an existing Director or be a full time employee confirmed in writing by Power Root Berhad and its subsidiaries.
- (d) The option price for each share shall be at a discount to the five (5) days weighted average market price of the shares of the Company immediately preceding the date of the offer, provided that the discount shall not exceed ten percent (10%).

#### **INDEMNITY AND INSURANCE COSTS**

During the financial year, the premium paid for insurance effected for Directors and officers of the Company is RM33,798.

There were no indemnity given to or insurance effected for auditors of the Company during the financial year.

#### **QUALIFICATION OF SUBSIDIARIES' FINANCIAL STATEMENTS**

The auditors' reports on the audited financial statements of Company's subsidiaries did not contain any qualification or any adverse comments.

#### OTHER STATUTORY INFORMATION

Before the financial statements of the Group and of the Company were made out, the Directors took reasonable steps to ascertain that:

- (i) all known bad debts have been written off and adequate provision has been made for doubtful debts, and
- (ii) any current assets which were unlikely to be realised in the ordinary course of business have been written down to an amount which they might be expected so to realise.

At the date of this report, the Directors are not aware of any circumstances:

- (i) that would render the amount written off for bad debts or the amount of the provision for doubtful debts in the Group and in the Company inadequate to any substantial extent, or
- (ii) that would render the value attributed to the current assets in the financial statements of the Group and of the Company misleading, or
- (iii) which have arisen which render adherence to the existing method of valuation of assets or liabilities of the Group and of the Company misleading or inappropriate, or
- (iv) not otherwise dealt with in this report or the financial statements that would render any amount stated in the financial statements of the Group and of the Company misleading.

At the date of this report, there does not exist:

- (i) any charge on the assets of the Group or of the Company that has arisen since the end of the financial year and which secures the liabilities of any other person, or
- (ii) any contingent liability in respect of the Group or of the Company that has arisen since the end of the financial year.

No contingent liability or other liability of any company in the Group has become enforceable, or is likely to become enforceable within the period of twelve months after the end of the financial year which, in the opinion of the Directors, will or may substantially affect the ability of the Group and of the Company to meet their obligations as and when they fall due.

In the opinion of the Directors, the financial performance of the Group and of the Company for the financial year ended 31 March 2023 have not been substantially affected by any item, transaction or event of a material and unusual nature nor has any such item, transaction or event occurred in the interval between the end of that financial year and the date of this report.

### MFRSs, interpretations and amendments effective for annual periods beginning on or after a date yet to be confirmed

 Amendments to MFRS 10, Consolidated Financial Statements and MFRS 128, Investments in Associates and Joint Ventures – Sale or Contribution of Assets between an Investor and its Associate or Joint Venture

The Group and the Company plan to apply the abovementioned accounting standards, interpretations and amendments in the respective financial year when the above accounting standards, interpretations and amendments become effective, if applicable.

The initial application of the accounting standards, interpretations and amendments are not expected to have any material financial impacts to the current period and prior period financial statements of the Group and of the Company upon their first adoption.

#### (b) Basis of measurement

The financial statements have been prepared on the historical cost basis other than as disclosed in Note 2.

#### (c) Functional and presentation currency

These financial statements are presented in Ringgit Malaysia ("RM"), which is the Company's functional currency. All financial information is presented in RM, unless otherwise stated.

#### (d) Use of estimates and judgements

The preparation of the financial statements in conformity with MFRSs requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected.

There are no significant areas of estimation uncertainty and critical judgements in applying accounting policies that have significant effect on the amounts recognised in the financial statements other than:

- Note 9 deferred tax assets
- Note 20 employee benefits
- Note 23 measurement of expected credit loss ("ECL")

#### NOTES TO THE FINANCIAL STATEMENTS cont'd

#### 2. SIGNIFICANT ACCOUNTING POLICIES

The accounting policies set out below have been applied consistently to the periods presented in these financial statements and have been applied consistently by Group entities, unless otherwise stated.

#### (a) Basis of consolidation

#### (i) Subsidiaries

Subsidiaries are entities, including structured entities, controlled by the Company. The financial statements of subsidiaries are included in the consolidated financial statements from the date that control commences until the date that control ceases.

The Group controls an entity when it is exposed, or has rights, to variable returns from its involvement with the entity and has the ability to affect those returns through its power over the entity. Potential voting rights are considered when assessing control only when such rights are substantive. The Group also considers it has *de facto* power over an investee when, despite not having the majority of voting rights, it has the current ability to direct the activities of the investee that significantly affect the investee's return.

Investments in subsidiaries are measured in the Company's statement of financial position at cost less any impairment losses, unless the investment is classified as held for sale or distribution. The cost of investment includes transaction costs.

#### (ii) Business combinations

Business combinations are accounted for using the acquisition method from the acquisition date, which is the date on which control is transferred to the Group.

For new acquisitions, the Group measures the cost of goodwill at the acquisition date as:

- the fair value of the consideration transferred; plus
- the recognised amount of any non-controlling interests in the acquiree; plus
- if the business combination is achieved in stages, the fair value of the existing equity interest in the acquiree; less
- the net recognised amount (generally fair value) of the identifiable assets acquired and liabilities assumed.

When the excess is negative, a bargain purchase gain is recognised immediately in profit or loss.

For each business combination, the Group elects whether it measures the non-controlling interests in the acquiree either at fair value or at the proportionate share of the acquiree's identifiable net assets at the acquisition date.

Transaction costs, other than those associated with the issue of debt or equity securities, that the Group incurs in connection with a business combination are expensed as incurred.

## NOTES TO THE FINANCIAL STATEMENTS

#### 2. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

#### (a) Basis of consolidation (Cont'd)

#### (iii) Acquisitions of non-controlling interests

The Group accounts for all changes in its ownership interest in a subsidiary that do not result in a loss of control as equity transactions between the Group and its non-controlling interest holders. Any difference between the Group's share of net assets before and after the change, and any consideration received or paid, is adjusted to or against Group reserves.

#### (iv) Loss of control

Upon the loss of control of a subsidiary, the Group derecognises the assets and liabilities of the former subsidiary, any non-controlling interests and the other components of equity related to the former subsidiary from the consolidated statement of financial position. Any surplus or deficit arising on the loss of control is recognised in profit or loss. If the Group retains any interest in the former subsidiary, then such interest is measured at fair value at the date that control is lost. Subsequently, it is accounted for as an equity accounted investee or as a financial asset depending on the level of influence retained.

#### (v) Associates

Associates are entities, including unincorporated entities, in which the Group has significant influence, but not control, over the financial and operating policies.

Investments in associates are accounted for in the consolidated financial statements using the equity method less any impairment losses, unless it is classified as held for sale or distribution. The cost of the investment includes transaction costs. The consolidated financial statements include the Group's share of the profit or loss and other comprehensive income of the associates, after adjustments if any, to align the accounting policies with those of the Group, from the date that significant influence commences until the date that significant influence ceases.

When the Group's share of losses exceeds its interest in an associate, the carrying amount of that interest including any long-term investments is reduced to zero, and the recognition of further losses is discontinued except to the extent that the Group has an obligation or has made payments on behalf of the associate.

When the Group ceases to have significant influence over an associate, any retained interest in the former associate at the date when significant influence is lost is measured at fair value and this amount is regarded as the initial carrying amount of a financial asset. The difference between the fair value of any retained interest plus proceeds from the interest disposed of and the carrying amount of the investment at the date when equity method is discontinued is recognised in the profit or loss.

#### 2. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

#### (a) Basis of consolidation (Cont'd)

#### (v) Associates (Cont'd)

When the Group's interest in an associate decreases but does not result in a loss of significant influence, any retained interest is not remeasured. Any gain or loss arising from the decrease in interest is recognised in profit or loss. Any gains or losses previously recognised in other comprehensive income are also reclassified proportionately to the profit or loss if that gain or loss would be required to be reclassified to profit or loss on the disposal of the related assets or liabilities.

Investments in associates are measured in the Company's statement of financial position at cost less any impairment losses, unless the investment is classified as held for sale or distribution. The cost of investment includes transaction costs.

#### (vi) Non-controlling interests

Non-controlling interests at the end of the reporting period, being the equity in a subsidiary not attributable directly or indirectly to the equity holders of the Company, are presented in the consolidated statement of financial position and statement of changes in equity within equity, separately from equity attributable to the owners of the Company. Non-controlling interests in the results of the Group is presented in the consolidated statement of profit or loss and other comprehensive income as an allocation of the profit or loss and the comprehensive income for the year between non-controlling interests and owners of the Company.

Losses applicable to the non-controlling interests in a subsidiary are allocated to the non-controlling interests even if doing so causes the non-controlling interests to have a deficit balance.

#### (vii) Transactions eliminated on consolidation

Intra-group balances and transactions, and any unrealised income and expenses arising from intragroup transactions, are eliminated in preparing the consolidated financial statements.

Unrealised gains arising from transactions with equity-accounted associates is eliminated against the investment to the extent of the Group's interest in the investees. Unrealised losses are eliminated in the same way as unrealised gains, but only to the extent that there is no evidence of impairment.

#### (b) Foreign currency

#### (i) Foreign currency transactions

Transactions in foreign currencies are translated to the respective functional currencies of Group entities at exchange rates at the dates of the transactions.

Monetary assets and liabilities denominated in foreign currencies at the end of the reporting period are retranslated to the functional currency at the exchange rate at that date.

Non-monetary assets and liabilities denominated in foreign currencies are not retranslated at the end of the reporting date, except for those that are measured at fair value which are retranslated to the functional currency at the exchange rate at the date that the fair value was determined.

Foreign currency differences arising on retranslation are recognised in profit or loss, except for differences arising on the retranslation of equity instruments where they are measured at fair value through other comprehensive income or a financial instrument designated as a cash flow hedge, which are recognised in other comprehensive income.

In the consolidated financial statements, when settlement of a monetary item receivable from or payable to a foreign operation is neither planned nor likely to occur in the foreseeable future, foreign exchange gains and losses arising from such a monetary item are considered to form part of a net investment in a foreign operation and are recognised in other comprehensive income, and are presented in the foreign currency translation reserve ("FCTR") in equity.

#### (ii) Operations denominated in functional currencies other than Ringgit Malaysia

The assets and liabilities of operations denominated in functional currencies other than RM, including goodwill and fair value adjustments arising on acquisition, are translated to RM at exchange rates at the end of the reporting period, except for goodwill and fair value adjustments arising from business combinations before 1 March 2011 (the date when the Group first adopted MFRS) which are treated as assets and liabilities of the Company. The income and expenses of foreign operations are translated to RM at exchange rates at the dates of the transactions.

Foreign currency differences are recognised in other comprehensive income and accumulated in the FCTR in equity. However, if the operation is a non-wholly owned subsidiary, then the relevant proportionate share of the translation difference is allocated to the non-controlling interests. When a foreign operation is disposed of such that control, significant influence or joint control is lost, the cumulative amount in the FCTR related to that foreign operation is reclassified to profit or loss as part of the gain or loss on disposal.

When the Group disposes of only part of its interest in a subsidiary that includes a foreign operation, the relevant proportion of the cumulative amount is reattributed to non-controlling interests. When the Group disposes of only part of its investment in an associate or joint venture that includes a foreign operation while retaining significant influence or joint control, the relevant proportion of the cumulative amount is reclassified to profit or loss.

#### (c) Financial instruments

#### (i) Recognition and initial measurement

A financial asset or a financial liability is recognised in the statement of financial position when, and only when, the Group or the Company becomes a party to the contractual provisions of the instrument.

A financial asset (unless it is a trade receivable without significant financing component) or a financial liability is initially measured at fair value plus or minus, for an item not at fair value through profit or loss, transaction costs that are directly attributable to its acquisition or issuance. A trade receivable without a significant financing component is initially measured at the transaction price.

An embedded derivative is recognised separately from the host contract where the host contract is not a financial asset, and accounted for separately if, and only if, the derivative is not closely related to the economic characteristics and risks of the host contract and the host contract is not measured at fair value through profit or loss. The host contract, in the event an embedded derivative is recognised separately, is accounted for in accordance with policy applicable to the nature of the host contract.

#### (ii) Financial instrument categories and subsequent measurement

#### Financial assets

Categories of financial assets are determined on initial recognition and are not reclassified subsequent to their initial recognition unless the Group or the Company changes its business model for managing financial assets in which case all affected financial assets are reclassified on the first day of the first reporting period following the change of the business model.

The categories of financial assets at initial recognition are as follows:

#### (a) Amortised cost

Amortised cost category comprises financial assets that are held within a business model whose objective is to hold assets to collect contractual cash flows and its contractual terms give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. The financial assets are not designated as fair value through profit or loss. Subsequent to initial recognition, these financial assets are measured at amortised cost using the effective interest method. The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognised in profit or loss. Any gain or loss on derecognition is recognised in profit or loss.

Interest income is recognised by applying effective interest rate to the gross carrying amount except for credit impaired financial assets (see Note 2(j)(i)) where the effective interest rate is applied to the amortised cost.

#### (b) Fair value through other comprehensive income

#### (i) Debt investments

Fair value through other comprehensive income category comprises debt investment where it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling the debt investment, and its contractual terms give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. The debt investment is not designated as at fair value through profit or loss. Interest income calculated using the effective interest method, foreign exchange gains and losses and impairment are recognised in profit or loss. Other net gains and losses are recognised in other comprehensive income. On derecognition, gains and losses accumulated in other comprehensive income are reclassified to profit or loss.

Interest income is recognised by applying effective interest rate to the gross carrying amount except for credit impaired financial assets (see Note 2(j)(i)) where the effective interest rate is applied to the amortised cost.

#### (ii) Equity investments

This category comprises investment in equity that is not held for trading, and the Group and the Company irrevocably elect to present subsequent changes in the investment's fair value in other comprehensive income. This election is made on an investment-by-investment basis. Dividends are recognised as income in profit or loss unless the dividend clearly represents a recovery of part of the cost of investment. Other net gains and losses are recognised in other comprehensive income. On derecognition, gains and losses accumulated in other comprehensive income are not reclassified to profit or loss.

#### (c) Fair value through profit or loss

All financial assets not measured at amortised cost or fair value through other comprehensive income as described above are measured at fair value through profit or loss. This includes derivative financial assets (except for a derivative that is a designated and effective hedging instrument). On initial recognition, the Group or the Company may irrevocably designate a financial asset that otherwise meets the requirements to be measured at amortised cost or at fair value through other comprehensive income as at fair value through profit or loss if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise.

Financial assets categorised as fair value through profit or loss are subsequently measured at their fair value. Net gains or losses, including any interest or dividend income, are recognised in the profit or loss.

All financial assets, except for those measured at fair value through profit or loss and equity investments measured at fair value through other comprehensive income, are subject to impairment assessment (see Note 2(j)(i)).

#### (c) Financial instruments (Cont'd)

#### (ii) Financial instrument categories and subsequent measurement (Cont'd)

#### Financial liabilities

The categories of financial liabilities at initial recognition are as follows:

#### (a) Fair value through profit or loss

Fair value through profit or loss category comprises financial liabilities that are derivatives (except for a derivative that is a financial guarantee contract or a designated and effective hedging instrument), contingent consideration in a business combination and financial liabilities that are specifically designated into this category upon initial recognition.

On initial recognition, the Group or the Company may irrevocably designate a financial liability that otherwise meets the requirements to be measured at amortised cost as at fair value through profit or loss:

- (a) if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise;
- (b) a group of financial liabilities or assets and financial liabilities is managed and its performance is evaluated on a fair value basis, in accordance with a documented risk management or investment strategy, and information about the group is provided internally on that basis to the Group's key management personnel; or
- (c) if a contract contains one or more embedded derivatives and the host is not a financial asset in the scope of MFRS 9, where the embedded derivative significantly modifies the cash flows and separation is not prohibited.

Financial liabilities categorised as fair value through profit or loss are subsequently measured at their fair value with gains or losses, including any interest expense are recognised in the profit or loss.

For financial liabilities where it is designated as fair value through profit or loss upon initial recognition, the Group and the Company recognise the amount of change in fair value of the financial liability that is attributable to change in credit risk in the other comprehensive income and remaining amount of the change in fair value in the profit or loss, unless the treatment of the effects of changes in the liability's credit risk would create or enlarge an accounting mismatch.

#### (b) Amortised cost

Other financial liabilities not categorised as fair value through profit or loss are subsequently measured at amortised cost using the effective interest method.

Interest expense and foreign exchange gains and losses are recognised in the profit or loss. Any gains or losses on derecognition are also recognised in the profit or loss.

### (c) Financial instruments (Cont'd)

# (iii) Regular way purchase or sale of financial assets

A regular way purchase or sale of financial assets is recognised and derecognised, as applicable, using trade date or settlement date accounting in the current year.

Trade date accounting refers to:

- (a) the recognition of an asset to be received and the liability to pay for it on the trade date, and
- (b) derecognition of an asset that is sold, recognition of any gain or loss on disposal and the recognition of a receivable from the buyer for payment on the trade date.

Settlement date accounting refers to:

- (a) the recognition of an asset on the day it is received by the Group or the Company, and
- (b) derecognition of an asset and recognition of any gain or loss on disposal on the day that is delivered by the Group or the Company.

Any change in the fair value of the asset to be received during the period between the trade date and the settlement date is accounted in the same way as it accounts for the acquired asset.

Generally, the Group or the Company applies settlement date accounting unless otherwise stated for the specific class of asset.

#### (iv) Financial guarantee contracts

A financial guarantee contract is a contract that requires the issuer to make specified payments to reimburse the holder for a loss it incurs because a specified debtor fails to make payment when due in accordance with the original or modified terms of a debt instrument.

Financial guarantees issued are initially measured at fair value. Subsequently, they are measured at higher of:

- the amount of the loss allowance: and
- the amount initially recognised less, when appropriate, the cumulative amount of income recognised in accordance to the principles of MFRS 15, *Revenue from Contracts with Customers*.

Liabilities arising from financial guarantees are presented together with other provisions.

# 2. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

### (c) Financial instruments (Cont'd)

# (v) Derecognition

A financial asset or part of it is derecognised when, and only when, the contractual rights to the cash flows from the financial asset expire or transferred, or control of the asset is not retained or substantially all of the risks and rewards of ownership of the financial asset are transferred to another party. On derecognition of a financial asset, the difference between the carrying amount of the financial asset and the sum of consideration received (including any new asset obtained less any new liability assumed) is recognised in profit or loss.

A financial liability or a part of it is derecognised when, and only when, the obligation specified in the contract is discharged, cancelled or expires. A financial liability is also derecognised when its terms are modified and the cash flows of the modified liability are substantially different, in which case, a new financial liability based on modified terms is recognised at fair value. On derecognition of a financial liability, the difference between the carrying amount of the financial liability extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in profit or loss.

#### (vi) Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the statement of financial position when, and only when, the Group or the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and liability simultaneously.

## (d) Property, plant and equipment

#### (i) Recognition and measurement

Items of property, plant and equipment are measured at cost less any accumulated depreciation and any accumulated impairment losses.

Cost includes expenditures that are directly attributable to the acquisition of the asset and any other costs directly attributable to bringing the asset to working condition for its intended use, and the costs of dismantling and removing the items and restoring the site on which they are located. The cost of self-constructed assets also includes the cost of materials and direct labour. For qualifying assets, borrowing costs are capitalised in accordance with the accounting policy on borrowing costs. Cost also may include transfers from equity of any gain or loss on qualifying cash flow hedges of foreign currency purchases of property, plant and equipment.

Purchased software that is integral to the functionality of the related equipment is capitalised as part of that equipment.

When significant parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.

The gain or loss on disposal of an item of property, plant and equipment is determined by comparing the proceeds from disposal with the carrying amount of property, plant and equipment and is recognised net within "other income" and "other expenses" respectively in profit or loss.

### 2. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

#### (d) Property, plant and equipment (Cont'd)

# (ii) Subsequent costs

The cost of replacing a component of an item of property, plant and equipment is recognised in the carrying amount of the item if it is probable that the future economic benefits embodied within the component will flow to the Group or the Company, and its cost can be measured reliably. The carrying amount of the replaced component is derecognised to profit or loss. The costs of the day-to-day servicing of property, plant and equipment are recognised in profit or loss as incurred.

#### (iii) Depreciation

Depreciation is based on the cost of an asset less its residual value. Significant components of individual assets are assessed, and if a component has a useful life that is different from the remainder of that asset, then that component is depreciated separately.

Depreciation is recognised in profit or loss on a straight-line basis over the estimated useful lives of each component of an item of property, plant and equipment from the date that they are available for use. Freehold land is not depreciated. Property, plant and equipment under construction are not depreciated until the assets are ready for their intended use.

The estimated useful lives for the current and comparative periods are as follows:

Buildings	20 - 50 years
Plant and machinery	5 - 10 years
Motor vehicles, office equipment, furniture and fittings	3 - 10 years
Renovation and electrical installation	5 - 10 years

Depreciation methods, useful lives and residual values are reviewed at the end of the reporting period and adjusted as appropriate.

#### (e) Investment properties

# Investment properties carried at cost

Investment properties are properties which are owned or held under a leasehold interest to earn rental income or for capital appreciation or for both, but not for sale in the ordinary course of business, use in the production or supply of goods or services or for administrative purposes.

Investment properties are stated at cost less any accumulated depreciation and any accumulated impairment loss, consistent with the accounting policy for property, plant and equipment as stated in accounting policy Note 2(d).

Depreciation is recognised in profit or loss on a straight-line basis over their estimated useful lives. Freehold land is not depreciated. The estimated useful lives for the current and comparative periods are as follows:

Buildings 50 years Renovation, electrical installation, equipment and furnishings 5 - 10 years

# 2. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

#### (f) Leases

### (i) Definition of a lease

A contract is, or contains, a lease if the contract conveys a right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Group assesses whether:

- the contract involves the use of an identified asset this may be specified explicitly or implicitly, and should be physically distinct or represent substantially all of the capacity of a physically distinct asset. If the supplier has a substantive substitution right, then the asset is not identified;
- the customer has the right to obtain substantially all of the economic benefits from use of the asset throughout the period of use; and
- the customer has the right to direct the use of the asset. The customer has this right when it has the decision-making rights that are most relevant to changing how and for what purpose the asset is used. In rare cases where the decision about how and for what purpose the asset is used is predetermined, the customer has the right to direct the use of the asset if either the customer has the right to operate the asset; or the customer designed the asset in a way that predetermines how and for what purpose it will be used.

At inception or on reassessment of a contract that contains a lease component, the Group allocates the consideration in the contract to each lease and non-lease component on the basis of their relative stand-alone prices. However, for leases of properties in which the Group is a lessee, it has elected not to separate non-lease components and will instead account for the lease and non-lease components as a single lease component.

#### (ii) Recognition and initial measurement

## (a) As a lessee

The Group recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the respective Group entities' incremental borrowing rate. Generally, the Group entities use their incremental borrowing rate as the discount rate.

Lease payments included in the measurement of the lease liability comprise the following:

- fixed payments, including in-substance fixed payments less any incentives receivable;
- variable lease payments that depend on an index or a rate, initially measured using the index or rate as at the commencement date;
- amounts expected to be payable under a residual value guarantee;
- the exercise price under a purchase option that the Group is reasonably certain to exercise; and
- penalties for early termination of a lease unless the Group is reasonably certain not to terminate early.

REGISTRATION NUMBER: 200601013517 (733268-U)

cont'd

### 2. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

### (f) Leases (Cont'd)

#### (ii) Recognition and initial measurement (Cont'd)

#### (a) As a lessee (Cont'd)

The Group excludes variable lease payments that linked to future performance or usage of the underlying asset from the lease liability. Instead, these payments are recognised in profit or loss in the period in which the performance or use occurs.

The Group has elected not to recognise right-of-use assets and lease liabilities for short-term leases that have a lease term of 12 months or less and leases of low-value assets. The Group recognises the lease payments associated with these leases as an expense on a straight-line basis over the lease term.

# (b) As a lessor

When the Group acts as a lessor, it determines at lease inception whether each lease is a finance lease or an operating lease.

To classify each lease, the Group makes an overall assessment of whether the lease transfers substantially all of the risks and rewards incidental to ownership of the underlying asset. If this is the case, then the lease is a finance lease; if not, then it is an operating lease.

If an arrangement contains lease and non-lease components, the Group applies MFRS 15 to allocate the consideration in the contract based on the stand-alone selling prices.

The Group recognises assets held under a finance lease in its statement of financial position and presents them as a receivable at an amount equal to the net investment in the lease. The Group uses the interest rate implicit in the lease to measure the net investment in the lease.

When the Group is an intermediate lessor, it accounts for its interests in the head lease and the sublease separately. It assesses the lease classification of a sublease with reference to the right-of-use asset arising from the head lease, not with reference to the underlying asset. If a head lease is a short-term lease to which the Group applies the exemption described above, then it classifies the sublease as an operating lease.

#### (iii) Subsequent measurement

# (a) As a lessee

The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. The estimated useful lives of right-of-use assets are determined on the same basis as those of property, plant and equipment. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain remeasurements of the lease liability.

The lease liability is measured at amortised cost using the effective interest method. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a revision of in-substance fixed lease payments, or if there is a change in the Group's estimate of the amount expected to be payable under a residual value guarantee, or if the Group changes its assessment of whether it will exercise a purchase, extension or termination option.

When the lease liability is remeasured, a corresponding adjustment is made to the carrying amount of the right-of-use asset, or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

# 2. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

#### (f) Leases (Cont'd)

# (iii) Subsequent measurement (Cont'd)

# (b) As a lessor

The Group recognises lease payments received under operating leases as income on a straight-line basis over the lease term as part of "revenue".

The Group recognises finance income over the lease term, based on a pattern reflecting a constant periodic rate of return on the Group's net investment in the lease. The Group aims to allocate finance income over the lease term on a systematic and rational basis. The Group applies the lease payments relating to the period against the gross investment in the lease to reduce both the principal and the unearned finance income. The net investment in the lease is subject to impairment requirements in MFRS 9, *Financial Instruments* (see Note 2(j)(i)).

# (g) Intangible assets

#### (i) Goodwill

Goodwill arises on business combinations is measured at cost less any accumulated impairment losses. In respect of equity-accounted associates, the carrying amount of goodwill is included in the carrying amount of the investment and an impairment loss on such an investment is not allocated to any asset, including goodwill, that forms part of the carrying amount of the equity-accounted associates.

## (ii) Product formula

Product formula is stated at cost less any accumulated amortisation and any accumulated impairment losses.

#### (iii) Subsequent expenditure

Subsequent expenditure is capitalised only when it increases the future economic benefits embodied in the specific asset to which it relates. All other expenditure, including expenditure on internally generated goodwill and brands, is recognised in profit or loss as incurred.

# (iv) Amortisation

Goodwill and intangible assets with indefinite useful lives are not amortised but are tested for impairment annually and whenever there is an indication that they may be impaired.

Other intangible assets are amortised from the date that they are available for use. Amortisation is based on the cost of an asset less its residual value. Amortisation is recognised in profit or loss on a straight-line basis over the estimated useful lives of intangible assets.

The estimated useful lives for the current and comparative periods are as follows:

Product formula 20 years

Amortisation methods, useful lives and residual values are reviewed at the end of each reporting period and adjusted, if appropriate.

#### (h) Inventories

Inventories are measured at the lower of cost and net realisable value.

The cost of inventories is calculated using the first-in first-out method, and includes expenditure incurred in acquiring the inventories, production or conversion costs and other costs incurred in bringing them to their existing location and condition. In the case of work-in-progress and finished goods, cost includes an appropriate share of production overheads based on normal operating capacity.

Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated costs necessary to make the sale.

#### (i) Cash and cash equivalents

Cash and cash equivalents consist of cash on hand, balances and deposits with banks and highly liquid investments which have an insignificant risk of changes in fair value with original maturities of three months or less, and are used by the Group and the Company in the management of their short term commitments. For the purpose of the statement of cash flows, cash and cash equivalents are presented net of bank overdrafts and pledged deposits.

#### (j) Impairment

### (i) Financial assets

The Group and the Company recognise loss allowances for expected credit losses on financial assets measured at amortised cost, debt investments measured at fair value through other comprehensive income and lease receivables. Expected credit losses are a probability-weighted estimate of credit losses.

The Group and the Company measure loss allowances at an amount equal to lifetime expected credit loss, except for debt securities that are determined to have low credit risk at the reporting date, cash and bank balance and other debt securities for which credit risk has not increased significantly since initial recognition, which are measured at 12-month expected credit loss. Loss allowances for trade receivables and lease receivables are always measured at an amount equal to lifetime expected credit loss.

When determining whether the credit risk of a financial asset has increased significantly since initial recognition and when estimating expected credit loss, the Group and the Company consider reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis, based on the Group's historical experience and informed credit assessment and including forward-looking information, where available

Lifetime expected credit losses are the expected credit losses that result from all possible default events over the expected life of the asset, while 12-month expected credit losses are the portion of expected credit losses that result from default events that are possible within the 12 months after the reporting date. The maximum period considered when estimating expected credit losses is the maximum contractual period over which the Group and the Company are exposed to credit risk.

The Group and the Company estimate the expected credit losses on trade receivables with reference to historical credit loss experience.

An impairment loss in respect of financial assets measured at amortised cost is recognised in profit or loss and the carrying amount of the asset is reduced through the use of an allowance account.

### 2. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

### (j) Impairment (Cont'd)

#### (i) Financial assets (Cont'd)

An impairment loss in respect of debt investments measured at fair value through other comprehensive income is recognised in profit or loss and the allowance account is recognised in other comprehensive income.

At each reporting date, the Group and the Company assess whether financial assets carried at amortised cost and debt securities at fair value through other comprehensive income are creditimpaired. A financial asset is credit impaired when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred.

The gross carrying amount of a financial asset is written off (either partially or full) to the extent that there is no realistic prospect of recovery. This is generally the case when the Group or the Company determines that the debtor does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write-off. However, financial assets that are written off could still be subject to enforcement activities in order to comply with the Group's or the Company's procedures for recovery amounts due.

# (ii) Other assets

The carrying amounts of other assets (except for inventories and deferred tax assets) are reviewed at the end of the reporting period to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated. For goodwill and intangible assets that have indefinite useful lives or that are not yet available for use, the recoverable amount is estimated each period at the same time.

For the purpose of impairment testing, assets are grouped together into the smallest group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows of other assets or cash-generating units. Subject to an operating segment ceiling test, for the purpose of goodwill impairment testing, cash-generating units to which goodwill has been allocated are aggregated so that the level at which impairment testing is performed reflects the lowest level at which goodwill is monitored for internal reporting purposes. The goodwill acquired in a business combination, for the purpose of impairment testing, is allocated to a cash-generating unit or a group of cash-generating units that are expected to benefit from the synergies of the combination.

The recoverable amount of an asset or cash-generating unit is the greater of its value in use and its fair value less costs of disposal. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset or cash-generating unit.

An impairment loss is recognised if the carrying amount of an asset or its related cash-generating unit exceeds its estimated recoverable amount.

Impairment losses are recognised in profit or loss. Impairment losses recognised in respect of cash-generating units are allocated first to reduce the carrying amount of any goodwill allocated to the cash-generating unit (group of cash-generating units) and then to reduce the carrying amounts of the other assets in the cash-generating unit (groups of cash-generating units) on a *pro rata* basis.

An impairment loss in respect of goodwill is not reversed. In respect of other assets, impairment losses recognised in prior periods are assessed at the end of each reporting period for any indications that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount since the last impairment loss was recognised. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised. Reversals of impairment losses are credited to profit or loss in the financial year in which the reversals are recognised.

### 2. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

#### (k) Equity instruments (Cont'd)

Instruments classified as equity are measured at cost on initial recognition and are not remeasured subsequently.

#### (i) Issue expense

Costs directly attributable to the issue of instruments classified as equity are recognised as a deduction from equity.

#### (ii) Ordinary shares

Ordinary shares are classified as equity.

# (iii) Repurchase, disposal and reissue of share capital (treasury shares)

When share capital recognised as equity is repurchased, the amount of the consideration paid, including directly attributable costs, net of any tax effects, is recognised as a deduction from equity. Repurchased shares that are not subsequently cancelled are classified as treasury shares in the statement of changes in equity.

When treasury shares are sold or reissued subsequently, the difference between the sales consideration net of directly attributable costs and the carrying amount of the treasury shares is recognised in equity.

#### (I) Income tax

Income tax expense comprises current and deferred tax. Current tax and deferred tax are recognised in profit or loss except to the extent that it relates to a business combination or items recognised directly in equity or other comprehensive income.

Current tax is the expected tax payable or receivable on the taxable income or loss for the year, using tax rates enacted or substantively enacted by the end of the reporting period, and any adjustment to tax payable in respect of previous financial years.

Deferred tax is recognised using the liability method, providing for temporary differences between the carrying amounts of assets and liabilities in the statement of financial position and their tax bases. Deferred tax is not recognised for the following temporary differences: arising from the initial recognition of goodwill, the initial recognition of assets or liabilities in a transaction that is not a business combination and that affects neither accounting nor taxable profit or loss. Deferred tax is measured at the tax rates that are expected to be applied to the temporary differences when they reverse, based on the laws that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different tax entities, but they intend to settle current tax assets and liabilities on a net basis or their tax assets and liabilities will be realised simultaneously.

A deferred tax asset is recognised to the extent that it is probable that future taxable profits will be available against which the temporary difference can be utilised. Deferred tax assets are reviewed at the end of each reporting period and are reduced to the extent that it is no longer probable that the related tax benefit will be realised.

Unutilised reinvestment allowance and other similar incentives, being tax incentives that is not a tax base of an asset, is recognised as a deferred tax asset to the extent that it is probable that the future taxable profits will be available against the unutilised tax incentive can be utilised.

### 2. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

# (m) Revenue and other income

# (i) Revenue

Revenue is measured based on the consideration specified in a contract with a customer in exchange for transferring goods or services to a customer, excluding amounts collected on behalf of third parties. The Group or the Company recognises revenue when (or as) it transfers control over a product or service to customer. An asset is transferred when (or as) the customer obtains control of the asset.

The Group or the Company transfers control of a good or service at a point in time unless one of the following over time criteria is met:

- (a) the customer simultaneously receives and consumes the benefits provided as the Group or the Company performs;
- (b) the Group's or the Company's performance creates or enhances an asset that the customer controls as the asset is created or enhanced; or
- (c) the Group's or the Company's performance does not create an asset with an alternative use and the Group or the Company has an enforceable right to payment for performance completed to date.

# (ii) Dividend income

Dividend income is recognised in profit or loss on the date that the Group's or the Company's right to receive payment is established, which in the case of quoted securities is the ex-dividend date.

#### (iii) Interest income

Interest income is recognised as it accrues using the effective interest method in profit or loss except for interest income arising from temporary investment of borrowings taken specifically for the purpose of obtaining a qualifying asset which is accounted for in accordance with the accounting policy on borrowing costs.

#### (iv) Lease income

Lease income from investment property is recognised in profit or loss on a straight-line basis over the term of the lease. Lease incentives granted are recognised as an integral part of the total rental income, over the term of the lease. Lease income from sub-leased properties is recognised as other income.

### 2. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

#### (n) Borrowing costs

Borrowing costs that are not directly attributable to the acquisition, construction or production of a qualifying asset are recognised in profit or loss using the effective interest method.

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are capitalised as part of the cost of those assets.

The capitalisation of borrowing costs as part of the cost of a qualifying asset commences when expenditure for the asset is being incurred, borrowing costs are being incurred and activities that are necessary to prepare the asset for its intended use or sale are in progress. Capitalisation of borrowing costs is suspended or ceases when substantially all the activities necessary to prepare the qualifying asset for its intended use or sale are interrupted or completed.

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

#### (o) Employee benefits

#### (i) Short-term employee benefits

Short-term employee benefit obligations in respect of salaries, annual bonuses, paid annual leave and sick leave are measured on an undiscounted basis and are expensed as the related service is provided.

A liability is recognised for the amount expected to be paid under short term cash bonus or profitsharing plans if the Group has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

## (ii) State plans

The Group's contributions to statutory pension funds are charged to profit or loss in the financial year to which they relate. Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in future payments is available.

# (iii) Share-based payment transactions

The grant date fair value of share-based payment granted to employees is recognised as an employee expense, with a corresponding increase in equity, over the period that the employees unconditionally become entitled to the awards. The amount recognised as an expense is adjusted to reflect the number of awards for which the related service and non-market vesting conditions are expected to be met, such that the amount ultimately recognised as an expense is based on the number of awards that meet the related service and non-market performance conditions at the vesting date.

For share-based payment awards with non-vesting conditions, the grant date fair value of the share-based payment is measured to reflect such conditions and there is no true-up for differences between expected and actual outcomes.

The fair value of employee share options is measured using a binomial lattice model. Measurement inputs include share price on measurement date, exercise price of the instrument, expected volatility (based on weighted average historic volatility adjusted for changes expected due to publicly available information), weighted average expected life of the instruments (based on historical experience and general option holder behaviour), expected dividends, and the risk-free interest rate (based on government bonds). Service and non-market performance conditions attached to the transactions are not taken into account in determining fair value.

# 2. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

#### (p) Earnings per ordinary share

The Group presents basic and diluted earnings per share data for its ordinary shares ("EPS").

Basic EPS is calculated by dividing the profit or loss attributable to ordinary shareholders of the Company by the weighted average number of ordinary shares outstanding during the period, adjusted for own shares held.

Diluted EPS is determined by adjusting the profit or loss attributable to ordinary shareholders and the weighted average number of ordinary shares outstanding, adjusted for own shares held for the effects of all dilutive potential ordinary shares, which comprise share options granted to employees and warrants.

#### (q) Operating segments

An operating segment is a component of the Group that engages in business activities from which it may earn revenues and incur expenses, including revenues and expenses that relate to transactions with any of the Group's other components. Operating segment results are reviewed regularly by the chief operating decision maker, which in this case is the Chief Executive Officer of the Group, to make decisions about resources to be allocated to the segment and to assess its performance, and for which discrete financial information is available.

#### (r) Contingent liabilities

Where it is not probable that an outflow of economic benefits will be required, or the amount cannot be estimated reliably, the obligation is not recognised in the statements of financial position and is disclosed as a contingent liability, unless the probability of outflow of economic benefits is remote. Possible obligations, whose existence will only be confirmed by the occurrence or non-occurrence of one or more future events, are also disclosed as contingent liabilities unless the probability of outflow of economic benefits is remote.

#### (s) Fair value measurements

Fair value of an asset or a liability, except for share-based payment and lease transactions, is determined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The measurement assumes that the transaction to sell the asset or transfer the liability takes place either in the principal market or in the absence of a principal market, in the most advantageous market.

For non-financial asset, the fair value measurement takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

When measuring the fair value of an asset or a liability, the Group uses observable market data as far as possible. Fair value is categorised into different levels in a fair value hierarchy based on the input used in the valuation technique as follows:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities that the Group can access at the measurement date.
- Level 2: inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.
- Level 3: unobservable inputs for the asset or liability.

The Group recognises transfers between levels of the fair value hierarchy as of the date of the event or change in circumstances that caused the transfers.

# Unrecognised deferred tax assets

Deferred tax assets have not been recognised in respect of the following items in certain subsidiaries (stated at gross):

	Group	
	2023 RM'000	2022 RM'000
Deductible temporary differences Unabsorbed capital allowances Unutilised tax losses	205 733 3,807	365 512 22,184
	4,745	23,061

Deferred tax assets have not been recognised in respect of these items because it is not probable that future taxable profit will be available against which the Group can utilise the benefits therefrom.

The comparative figures have been restated to reflect the revised unabsorbed capital allowances and tax losses carry-forward available to the Group.

The unutilised tax losses will expire in the following year of assessment:

	Group
2023 RM'000	
2028 2029	3,019
2031 and beyond 31	19
3,807	22,184

The deductible temporary differences and unabsorbed capital allowances do not expire under the current tax legislation.

#### **Treasury shares**

The shareholders of the Company, by a special resolution passed in the Extraordinary General Meeting held on 28 April 2014, approved the Company's plan to repurchase its own shares. The Directors of the Company are committed to enhance the value of the Company to its shareholders and believe that the repurchase plan can be applied in the best interests of the Company and its shareholders.

At the Annual General Meeting held on 29 August 2022, the shareholders of the Company renewed their approval for the Company to repurchase its own shares.

During the financial year, the Company repurchased from the open market a total of 10,957,800 (2022: 10,514,600) of its issued ordinary shares with an average repurchase price of RM1.58 (2022: RM1.35). The repurchase transactions were financed by internally generated funds and the repurchased shares are being held as treasury shares and carried at cost. The Company disposed a total of 1,000,000 treasury shares in the open market with an average price of RM2.06.

At 31 March 2023, a total of 21,998,400 (2022: 12,040,600) repurchased shares are being held as treasury shares. The number of outstanding shares issue after the set off is 426,005,460 (2022: 417,438,260).

Treasury shares have no rights to voting, dividends and participation in any other distribution. Treasury shares shall not be taken into account in calculating the number or percentage of shares or of a class of shares in the Company for any purposes including substantial shareholding, take-overs, notices, the requisition of meeting, the quorum for a meeting and the result of a vote on a resolution at a meeting.

#### Share option reserve

The share option reserve comprises the cumulative value of employee services received for the issue of share options. When the option is exercised, the amount from the share option reserve is transferred to share capital. When the share options expire, the amount from the share option reserve is transferred to retained earnings. Share option is disclosed in Note 20.

## **Exchange fluctuation reserve**

Exchange fluctuation reserve represents all foreign currency differences arising from the translation of the financial statements of the Group entities with functional currencies other than RM.

#### Fair value reserve

Fair value reserve comprises the cumulative net change in the fair value of equity investments measured at fair value through other comprehensive income.

The fourth dividend and special dividend will be accounted for in the statement of changes in equity as an appropriation of retained earnings in subsequent financial year.

## 22. OPERATING SEGMENTS

#### Group

The Group operates principally in Malaysia with the manufacturing and distribution of beverage products (i.e. Fast Moving Consumers Goods) being the core business of the Group. The Group's assets and liabilities are concentrated mainly in Malaysia.

The Group has two reportable segments, distinguished by Malaysia entities and overseas entities, which form the main basis of how the Chief Operating Decision Maker ("CODM")(i.e. the Chief Executive Officer) reviews the Group's operations on a quarterly basis. Malaysia entities include the manufacturing and marketing companies in Malaysia, while the overseas entities include the marketing companies in Middle East, China and Hong Kong. Non-reportable entities include the other subsidiaries as disclosed in Note 6 to the financial statements.

Performance is measured based on segment profit before tax as management believes that such information is the most relevant in evaluating the results of the operation.

## Segment assets and liabilities

Segment assets and liabilities information is neither included in the internal management reports nor provided regularly to the CODM. Hence, no disclosure is made on segment assets and liabilities.

## NOTES TO THE FINANCIAL STATEMENTS

#### 23. FINANCIAL INSTRUMENTS (CONT'D)

#### 23.4 Credit risk

Credit risk is the risk of a financial loss if a customer or counterparty to a financial instrument fails to meet its contractual obligations. The Group's exposure to credit risk arises principally from its receivables from customers. The Company's exposure to credit risk arises principally from advances to subsidiaries and financial guarantees given to banks for credit facilities granted to subsidiaries. There are no significant changes as compared to prior period.

#### **Trade receivables**

Risk management objectives, policies and processes for managing the risk

Management has a credit policy in place and the exposure to credit risk is monitored on an ongoing basis. Credit evaluations are performed on customers requiring credit over a certain amount.

At each reporting date, the Group assesses whether any of the trade receivables are credit impaired.

The gross carrying amounts of credit impaired trade receivables are written off (either partially or full) when there is no realistic prospect of recovery. This is generally the case when the Group determines that the debtor does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write-off. Nevertheless, trade receivables that are written off could still be subject to enforcement activities.

There are no significant changes as compared to prior period.

Exposure to credit risk, credit quality and collateral

As at the end of the reporting period, the maximum exposure to credit risk arising from receivables is represented by the carrying amounts in the statement of financial position.

Concentration of credit risk

The exposure of credit risk for trade receivables as at the end of the reporting period by geographic region was:

		Group
	2023 RM'000	2022 RM'000
Local Overseas	44,666 41,375	37,112 25,029
	86,041	62,141

Recognition and measurement of impairment loss

Management has taken reasonable steps to ensure that receivables that are neither past due nor impaired are stated at their realisable values. A significant portion of these receivables are regular customers that have been transacting with the Group. The Group uses ageing analysis to monitor the credit quality of the receivables. Any receivables having significant balances past due more than 90 days, which are deemed to have higher credit risk, are monitored individually.

The Company assessed the risk of loss of each customer individually based on their financial information and past trend of payments, where applicable.

#### 23. FINANCIAL INSTRUMENTS (CONT'D)

#### 23.4 Credit risk (Cont'd)

Recognition and measurement of impairment loss (Cont'd)

No further impairment loss is required for credit impaired receivables mainly because these customers are entitled for promotional funds, sales incentives, sales rebates and trade offers. As at year end, the accruals for promotional funds, sales incentives, sales rebates and trade offers payable to these customers amounted to approximately RM50,367,106 (2022: RM42,366,096), which is included in the accrued advertising and promotional expenses in Note 15.

#### Cash and cash equivalents

The cash and cash equivalents are held with banks and financial institutions. As at the end of the reporting period, the maximum exposure to credit risk is represented by their carrying amounts in the statement of financial position.

These banks and financial institutions have low credit risks. In addition, some of the bank balances are insured by government agencies. Consequently, the Group and the Company are of the view that the loss allowance are not material and hence, it is not provided for.

#### Other receivables

Risk management objectives, policies and processes for managing the risk

The Group and the Company monitor the exposure to credit risk on individual basis.

#### **Financial guarantees**

Risk management objectives, policies and processes for managing the risk

The Company provides unsecured financial guarantees to banks in respect of banking facilities granted to certain subsidiaries. The Company monitors on an ongoing basis the results of the subsidiaries and repayments made by the subsidiaries.

Exposure to credit risk, credit quality and collateral

The maximum exposure to credit risk amounts to RM17,826,480 (2022: RM19,731,086) representing the outstanding banking facilities of the subsidiaries as at the end of the reporting period.

The financial guarantees are provided as credit enhancements to the subsidiaries' secured loans.

Recognition and measurement of impairment loss

The Company assumes that there is a significant increase in credit risk when the subsidiaries' financial position deteriorates significantly. The Company considers a financial guarantee to be credit impaired when:

- The subsidiaries are unlikely to repay its credit obligation to the bank in full; or
- The subsidiaries are continuously loss making and are having a deficit shareholders' fund.

The Company determines the probability of default of the guaranteed loans individually using internal information available.

As at the end of the reporting period, there was no indication that any subsidiary would default on repayment.

#### Inter-company balances

Risk management objectives, policies and processes for managing the risk

The Company provides unsecured advances to subsidiaries. The advances are repayable on demand. The Company monitors the results of the subsidiaries regularly.

Exposure to credit risk, credit quality and collateral

As at the end of the reporting period, the maximum exposure to credit risk is represented by their carrying amounts in the statement of financial position.

Recognition and measurement of impairment loss

The Company considers amounts due from subsidiaries have low credit risk. The Company assumes that there is a significant increase in credit risk when the subsidiaries' financial position deteriorates significantly. The Company considers amounts due from subsidiaries to be credit impaired when:

- The subsidiaries are unlikely to repay its amount due to the Company in full; or
- The subsidiaries are continuously loss making and is having a deficit shareholders' fund.

#### 23.5 Liquidity risk

Liquidity risk is the risk that the Group will not be able to meet its financial obligations as they fall due. The Group's exposure to liquidity risk arises principally from its various payables, loans and borrowings.

The Group maintains a level of cash and cash equivalents and bank facilities deemed adequate by the management to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they fall due.

It is not expected that the cash flows included in the maturity analysis could occur significantly earlier, or at significantly different amounts.

#### 23. FINANCIAL INSTRUMENTS (CONT'D)

#### 23.6 Market risk

Market risk is the risk that changes in market prices, such as foreign exchange rates, interest rates and other prices that will affect the Group's financial position or cash flows.

#### **Currency risk**

The Group is exposed to foreign currency risk on sales and purchases that are denominated in a currency other than the respective functional currencies of Group entities. The currencies giving rise to this risk are primarily US Dollar ("USD"), Singapore Dollar ("SGD"), Chinese Yuan ("CNY") and Brunei Dollar ("BRU").

#### Risk management objectives, policies and processes for managing the risk

The Group uses forward exchange contract to hedge its foreign currency risk from time to time. The forward exchange contract has maturities of less than one year after the end of the reporting period. The outstanding forward exchange contract is not material to the financial statements.

Foreign exchange exposures in transactional currencies other than the functional currency of the Group is kept to an acceptable level.

#### Exposure to foreign currency risk

The Group's exposure to foreign currency (currencies which is other than the functional currencies of Group entities) risk, based on carrying amounts as at the end of the reporting period was:

Currency risk sensitivity analysis

A 10% (2022: 10%) strengthening of the Ringgit Malaysia against the following currencies at the end of the reporting period would have increased/(decreased) post-tax profit by the amounts shown below. This analysis is based on foreign currency exchange rate variances that the Group and the Company considered to be reasonably possible at the end of the reporting period. This analysis assumes that all other variables, in particular interest rates, remained constant and ignores any impact of forecasted sales and purchases.

#### 23. FINANCIAL INSTRUMENTS (CONT'D)

#### 23.6 Market risk (Cont'd)

#### Interest rate risk

The Group's investments in fixed rate deposits and its fixed rate borrowings are exposed to a risk of change in their fair value due to changes in interest rates. The Group's variable rate borrowings are exposed to a risk of change in cash flows due to changes in interest rates. Investments in equity securities and short term receivables and payables are not significantly exposed to interest rate risk.

Risk management objectives, policies and processes for managing the risk

Exposure to interest risk is monitored on an ongoing basis and the Group and the Company endeavour to keep the exposure at an acceptable level.

#### Exposure to interest rate risk

The interest rate profile of the Group's and of the Company's significant interest-bearing financial instruments, based on carrying amounts as at the end of the reporting period was:

	Group		Coi	mpany
	2023 RM'000	2022 RM'000	2023 RM'000	2022 RM'000
Fixed rate instruments				
Financial assets	210	2,228	210	2,228

	(13,278)	2,037	210	2,228
Floating rate instruments Financial liabilities	(17,827)	(19,731)	_	_

Interest rate risk sensitivity analysis

(a) Fair value sensitivity analysis for fixed rate instruments

The Group and the Company do not account for any fixed rate financial assets and liabilities at fair value through profit or loss. Therefore, a change in interest rates at the end of the reporting period would not affect profit or loss.

(b) Cash flow sensitivity analysis for variable rate instruments

An increase of 100 basis points ("bp") in interest rates at the end of the reporting period would have decreased post-tax profit by RM135,000 (2022: RM150,000). A 100 bp decrease in interest rates would have had equal but opposite effect on profit or loss. This analysis assumes that all other variables, remained constant.

#### Other price risk

Price risk arises from the Group's investment in quoted shares.

Risk management objectives, policies and processes for managing the risk

Management of the Group monitors the investment on portfolio basis.

Equity price risk sensitivity analysis

This analysis assumes that all other variables remain constant and the Group's investments moved in correlation with the FTSE Bursa Malaysia KLCI ("FBMKLCI").

A 10% strengthening/(weakening) in FBMKLCI at the end of the reporting period would have increased/ (decreased) equity by RM318,000 (2022: RM321,000) for investments in quoted shares classified as fair value through other comprehensive income. A 10% weakening in FBMKLCI would have had equal but opposite effect on equity.

#### 23.7 Fair value information

The carrying amounts of cash and cash equivalents, short term receivables and payables and short term borrowings reasonably approximate their fair values due to the relatively short term nature of these financial instruments.

The carrying amount of the term loans approximates their fair value as the effective interest rate is comparable to the movements in the market interest rate.

The table below analyses other financial instruments at fair value.

### INDEPENDENT AUDITORS' REPORT

To the members of Power Root Berhad

#### REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS

#### **Opinion**

We have audited the financial statements of Power Root Berhad, which comprise the statements of financial position as at 31 March 2023 of the Group and of the Company, and the statements of profit or loss and other comprehensive income, statements of changes in equity and statements of cash flows of the Group and of the Company for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, as set out on pages 89 to 158.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Group and of the Company as at 31 March 2023, and of their financial performance and their cash flows for the year then ended in accordance with Malaysian Financial Reporting Standards, International Financial Reporting Standards and the requirements of the Companies Act 2016 in Malaysia.

#### **Basis for Opinion**

We conducted our audit in accordance with approved standards on auditing in Malaysia and International Standards on Auditing. Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our auditors' report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence and Other Ethical Responsibilities

We are independent of the Group and of the Company in accordance with the *By-Laws* (on *Professional Ethics, Conduct and Practice*) of the Malaysian Institute of Accountants ("By-Laws") and the International Ethics Standards Board for Accountants' *International Code of Ethics for Professional Accountants* (including International Independence Standards) ("IESBA Code"), and we have fulfilled our other ethical responsibilities in accordance with the By-Laws and the IESBA Code.

#### INDEPENDENT AUDITORS' REPORT

To the members of Power Root Berhad cont'd

#### **KEY AUDIT MATTERS**

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the Group and of the Company for the current year. These matters were addressed in the context of our audit of the financial statements of the Group and of the Company as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

#### Advertising and promotional expenses

Refer to Statement of Profit or Loss and Other Comprehensive Income and Note 15 - Trade and other payables.

#### The key audit matter

The Group incurs various types of advertising and promotional expenses, such as worldwide television, print, radio, internet and in-store advertising expenses. There are also various types of arrangements with the customers for the advertising and promotional activities. Some of the arrangements are based on sales target and agreed rates ("trading term arrangements") and others are based on planned and agreed advertising and promotional activities on a yearly basis.

We have identified this area as one of the key audit matter due to the diverse variety of trading term arrangements and the range of agreed rates as well as high volume of transactions incurred during the financial year. Accruals are also required at the circumstances where settlement has not been made by year end or where prior year claims arise.

#### How the matter was addressed in our audit:

Our audit procedures performed in this area included, amongst others:

- We obtained understanding of the process, evaluated the design and implementation and tested the operating
  effectiveness of controls over the authorisation of advertising and promotional activities and accruals process as
  at year end.
- We developed an expectation of the advertising and promotional expenses based on historical percentage of advertising and promotional expenses over sales. Compared the recorded amount with the developed expectation and determined whether it is within acceptable range.
- We performed substantive procedures and agreed the samples of expenses to approved budgets, suppliers' invoices or customers' claims.
- We evaluated the Group's accruals for advertising and promotional expenses by testing claims received subsequent to reporting date to detect any unrecorded liabilities.

We have determined that there are no key audit matters in the audit of the separate financial statements of the Company to communicate in our auditors' report.

#### INFORMATION OTHER THAN THE FINANCIAL STATEMENTS AND AUDITORS' REPORT THEREON

The Directors of the Company are responsible for the other information. The other information comprises the information included in the annual report, but does not include the financial statements of the Group and of the Company and our auditors' report thereon.

Our opinion on the financial statements of the Group and of the Company does not cover the annual report and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements of the Group and of the Company, our responsibility is to read the annual report and, in doing so, consider whether the annual report is materially inconsistent with the financial statements of the Group and of the Company or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of the annual report, we are required to report that fact. We have nothing to report in this regard.

#### RESPONSIBILITIES OF THE DIRECTORS FOR THE FINANCIAL STATEMENTS

The Directors of the Company are responsible for the preparation of financial statements of the Group and of the Company that give a true and fair view in accordance with Malaysian Financial Reporting Standards, International Financial Reporting Standards and the requirements of the Companies Act 2016 in Malaysia. The Directors are also responsible for such internal control as the Directors determine is necessary to enable the preparation of financial statements of the Group and of the Company that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements of the Group and of the Company, the Directors are responsible for assessing the ability of the Group and of the Company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the Group or the Company or to cease operations, or have no realistic alternative but to do so.

#### AUDITORS' RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the financial statements of the Group and of the Company as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with approved standards on auditing in Malaysia and International Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with approved standards on auditing in Malaysia and International Standards on Auditing, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements of the Group and of the Company,
  whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit
  evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material
  misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion,
  forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal control of the Group and of the Company.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Directors.

#### INDEPENDENT AUDITORS' REPORT

To the members of Power Root Berhad cont'd

#### AUDITORS' RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS (CONT'D)

- Conclude on the appropriateness of the Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group or of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements of the Group and of the Company or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group or the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements of the Group and of the Company, including the disclosures, and whether the financial statements of the Group and of the Company represent the underlying transactions and events in a manner that gives a true and fair view.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the financial statements of the Group. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with the Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the Directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, actions taken to eliminate threats or safeguards applied.

From the matters communicated with the Directors, we determine those matters that were of most significance in the audit of the financial statements of the Group and of the Company for the current year and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our auditors' report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### **EXPLANATORY NOTES TO ORDINARY BUSINESS:**

#### 1. Audited Financial Statement for the financial year ended 31 March 2023

This Agenda is meant for discussion only as the provision of Section 340(1)(a) of the Companies Act 2016 ("Act") does not require a formal approval from the shareholders and hence is not put forward for voting.

#### 2. Directors' Fees and Benefits

Resolution 1 and 2, pursuant to Section 230(1) of the Companies Act 2016, the fees of the directors and any benefits payable to the directors of a listed company and its subsidiaries shall be approved at a general meeting. In this respect, the Board shall seek shareholders' approval at the 17th AGM on the Directors' fees and benefits in two (2) separate resolutions as below:-

- Resolution 1 To sanction payment of Directors' fees for the financial year ending 31 March 2024, to be payable on quarterly basis in arrears; and
- Resolution 2 To approve the benefit payable to the Directors an aggregate amount of not more than RM600,000 for the financial year ending 31 March 2024.

Payment of directors' fees will be made by the Company after they have discharged their responsibilities and rendered their services to the Company for the financial year ending 31 March 2024, if proposed Resolutions 1 and 2 passed at the forthcoming AGM.

#### **EXPLANATORY NOTES TO ORDINARY BUSINESS: (CONT'D)**

### 3. Re-election of Directors Who Retire in Accordance with Clause 100 and 107 of the Company's Constitution

Clause 100 of the Company's Constitution provides that one-third (1/3) of the Directors of the Company for the time being shall retire by rotation at an AGM of the Company. With the current Board size of eleven (11), three (3) Directors are to retire in accordance with Clause 100 of the Company's Constitution provided that all Directors shall retire from office once at least in every three (3) years and shall be eligible for re-election.

Clause 107 of the Company's Constitution provides that the Board shall have the power to appoint any person to be a Director to fill a casual vacancy or as an addition to the existing Board, and that any Director so appointed shall hold office until the next following AGM and shall then be eligible for re-election pursuant to the Clause 107.

For the purpose of determining the eligibility of the Directors to stand for re-election at the 17<sup>th</sup> AGM, the Nominating Committee ("NC") has considered the following:

- (1) The assessment of the individual Director's level of contribution to the Board through each of their skills, experience and strength in qualities; and
- (2) The level of independence demonstrated by each of the Independent Non-Executive Directors ("INEDs"), and their ability to act in the best interests of the Company in decision-making, to ensure that they are independent of management and free from any business or other relationship which could materially interfere with the exercise of their independent judgement or the ability to act in the best interests of the Company.

In line with the Malaysian Code on Corporate Governance, the Board has conducted an assessment of independence of the INEDs, and also other criteria i.e., character, integrity, competence, experience and time commitment in effectively discharging their respective roles as Directors of the Company. The Directors were assessed based on performance criteria set in the areas of Board dynamics and participation, competency and capability, independence and objectivity, probity and personal integrity, contribution and performance together with their ability to make analytical inquiries and offer advice and guidance. Each of the INEDs has also provided his/her annual declaration/confirmation of independence.

The Board accepted the NC's recommendation that the Directors who retire in accordance with Clauses 100 and 107 of the Company's Constitution are eligible to stand for re-election. All these retiring Directors had abstained from deliberations and decisions on their own eligibility to stand for re-election at the relevant Board meeting.

#### 4. Re-appointment of Auditors

Pursuant to Section 273(b) of the Act, the term of office of the present Auditors, Messrs. KPMG PLT, shall lapse at the conclusion of the forthcoming AGM unless they are re-appointed by the shareholders to continue in office. Messrs. KPMG PLT, have indicated their willingness to continue their service until the conclusion of next AGM. The re-appointment of Messrs. KPMG PLT as Auditors has been considered against the relevant criteria prescribed by Paragraph 15.21 of the MMLR. This proposed Resolution 7, if passed, will also give the Directors of the Company, the authority to determine the remuneration of the Auditors.

#### **EXPLANATORY NOTES TO SPECIAL BUSINESS:**

#### 5. Continuation in Office as Independent Non-Executive Director - Encik Azahar Bin Baharudin

The Board of Directors via the Nominating Committee had assessed the independence of Encik Azahar Bin Baharudin, who has served on the Board as Independent Non-Executive Director of the Company for a cumulative of more than nine (9) years and the Board has recommended that the approval of the shareholders be sought to retain Encik Azahar Bin Baharudin as Independent Non-Executive Director, based on the following justifications:

- (a) He fulfilled the criteria under the definition of Independent Director as stated in Chapter 1 and Practice Note 13 of the MMLR of Bursa Malaysia Securities Berhad and therefore able to give independent opinion to the Board;
- (b) Being director for more than nine (9) years has enabled him to contribute positively during deliberations/ discussions at meetings as he is familiar with the operations of the Company and possess knowledge of the Company's operations;
- (c) He has the calibre, qualifications, experiences and personal qualities to challenge management in an effective and constructive manner;
- (d) He has demonstrated objectivity and independent judgement in Board Committee deliberations and decision making; and
- (e) He actively participated in board discussion and provided an independent voice on the Board.

Encik Azahar Bin Baharudin shall be subjected to two tier voting in accordance with the Malaysian Code on Corporate Governance as he has served the Company for more than nine (9) years.

#### 6. Authority to Allot Shares

The proposed Ordinary Resolution 9 is to obtain a general mandate for issuance of shares by the Company under Sections 75 and 76 of the Act.

The proposed Ordinary Resolution 9, if passed, will provide flexibility to the Directors of the Company to issue and allot new shares up to a maximum of ten per centum (10%) of the total number of issued shares (excluding treasury shares) at the time of such allotment and issuance of ordinary shares and for such purposes as they consider would be in the best interest of the Company without having to convene a separate general meeting. This authority, unless revoked or varied by the Company at a general meeting, will expire at the conclusion of the next AGM of the Company.

The rationale for this resolution is to eliminate the need to convene general meeting(s) from time to time to seek shareholders' approval as and when the Company issues new ordinary shares including but not limited to placement of shares for future business opportunities for the purpose of funding investment project(s), working capital, acquisitions and such other purposes as the Directors consider would be in the best interest of the Company and thereby reducing administrative time and cost associated with the convening of such general meetings.

The waiver of pre-emptive rights pursuant to Section 85 of the Act and Clause 63 of the Constitution will allow the Directors of the Company to issue new shares of the Company which rank equally to existing issued shares of the Company, to any person without having to offer the new shares to all existing shareholders of the Company prior to issuance of new shares in the Company under the General Mandate.

As at the date of this Notice, there were no new shares issued pursuant to the mandate granted to the Directors of the Company at the 16<sup>th</sup> AGM held on 29 August 2022 and which will lapse at the conclusion of the 17<sup>th</sup> AGM. If there should be a decision to issue new shares after the general mandate is obtained, the Company will make an announcement in respect thereof.

#### **EXPLANATORY NOTES TO SPECIAL BUSINESS: (CONT'D)**

## 7. Proposed Renewal of Authority to allot and issue new ordinary shares in Power Root in relation to the Company's Dividend Reinvestment Plan

The Proposed Resolution 10 is for the purpose of granting a general mandate ("General Mandate for DRP") to provide the shareholders of Power Root the option to elect to reinvest their cash dividend in new ordinary shares in the Company. The General Mandate for DRP has been granted by the shareholders at the AGM of the Company held on 29 August 2022. This authority will, unless revoked or varied by the Company in general meeting, expires at the next AGM of the Company.

#### 8. Proposed Renewal of Share Buy-Back

The Proposed Resolution 11 is for the purpose of granting a general mandate ("General Mandate for Share Buy-Back") to allow the Company to purchase its own shares. The total number of shares purchased shall not exceed ten percent (10%) of the total number of issued shares of the Company. The audited retained earnings of the Company stood at RM67.7 million as at 31 March 2023. The General Mandate for Share Buy-Back has been granted by the shareholders at the AGM of the Company held on 29 August 2022. This authority will, unless revoked or varied by the Company in general meeting, expires at the next AGM of the Company.

#### 9. Proposed Shareholders' Mandate

The Proposed Resolution 12 is for the purpose of obtaining a shareholders' mandate at the forthcoming AGM of the Company.

The Proposed Shareholders' Mandate is to facilitate transactions in the normal course of business of the Company and its subsidiaries ("the Group") which are transacted from time to time with the specified classes of related parties, provided that they are carried out on an arm's length basis and on the Group's normal commercial terms and are not prejudicial to the shareholders on terms not more favourable to the related parties than those generally available to the public and are not to the detriment of the minority shareholders.

By obtaining the shareholders' mandate on an annual basis, the necessity to convene separate general meetings from time to time to seek shareholders' approval as and when such recurrent related party transactions occur would not arise. This would reduce substantial administrative time, inconvenience and expenses associated with the convening of such meetings, without compromising the corporate objectives of the Group or adversely affecting the business opportunities available to the Group.

#### **PERSONAL DATA PRIVACY**

By submitting an instrument appointing a proxy(ies) and/or representative(s) to attend, speak and vote at the AGM and/or any adjournment thereof, a member of the Company (i) consents to the collection, use and disclosure of the member's personal data by the Company (or its agents) for the purpose of the processing and administration by the Company (or its agents) of proxies and representatives appointed for the AGM (including any adjournment thereof) and the preparation and compilation of the attendance lists, minutes and other documents relating to the AGM (including any adjournment thereof) and in order for the Company (or its agents) to comply with any applicable laws, listing rules, regulations and/or guidelines (collectively, the "Purposes"), (ii) warrants that where the member discloses the personal data of the member's proxy(ies) and/or representative(s) to the Company (or its agents), the member has obtained the prior consent of such proxy(ies) and/or representatives for the collection, use and disclosure by the Company (or its agents) of the personal data of such proxy(ies) and/or representative(s) for the Purposes, and agrees that the member will indemnify the Company in respect of any penalties, liabilities, claims, demands, losses and damages as a result of the member's breach of warranty.
