Practice 5.2

At least half of the board comprises independent directors. For Large Companies, the board comprises a majority independent directors.

Application	:	Departure
Explanation on application of the practice	:	
Explanation for departure	:	<p>As at the date of this Report, the Board consists of eleven (11) members of which four (4) members are Executive Directors, two (2) members are Non-Independent Non-Executive Directors and five (5) members (who comprise 45.45% of the Board) are Independent Non-Executive Directors. However, the present composition of the Board exceeds the requirements of MMLR 15.02(1) that at least 2 directors or 1/3 of the Board of a listed issuer, whichever is the higher, are Independent Non-Executive Directors.</p> <p>The Board consists of qualified individuals with diverse experience, background and knowledge to enable them to discharge their duties and responsibilities effectively. The Independent Non-Executive Directors are made up of individuals well-versed in the field of auditing, taxation, accounting, law, banking and finance, and business consultancy and advisory. When assessing their independence, the Nominating Committee focused beyond the candidate's background, economic and family relationships and also considered whether such candidate could bring independent and objective judgment to board deliberations.</p> <p>Furthermore, all Independent Non-Executive Directors are required to submit an annual self-assessment via the Independent Directors' Self-Assessment Checklist on his/her independence, to the Nominating Committee for its review and subsequent reporting to the Board in order for the Board to assess and form an opinion on the independence of the Independent Non-Executive Directors based on prescribed criteria as recommended by the Corporate Governance Guide issued by Bursa Malaysia Berhad.</p> <p>The Audit Committee and its members (made up exclusively of Independent Non-Executive Directors) are also assessed by the Nominating Committee and the Board as a whole, on an annual basis to ensure that the Audit Committee and its members have carried out their duties in accordance with the approved terms of reference.</p>

	<p>The Independent Non-Executive Directors had demonstrated their independence and objectivity during the Board and Board Committees' proceedings whereby their genuine concerns were expressed during the meetings, and actions/transactions proposed or taken by the Management and the Board were subjected to the scrutiny and challenged by the Audit Committee and the Independent Non-Executive Directors had asserted their roles as the independent element within the Board.</p> <p>Based on the annual Board's performance evaluation performed for the financial year under review, the independence assessment of Independent Non-Executive Directors was carried out through the review by the Nominating Committee of the duly completed <i>Independent Directors' Self-Assessment Checklist</i> submitted by Independent Non-Executive Directors and the results reported to the Board for its review and concurrence. The Board is of the opinion that all Independent Non-Executive Directors remain objective and independent in participating in the deliberations and decision making of the Board and Board Committees.</p> <p>The independent element within the Board is reinforced by the fact that the Co-Chairmen of the Board are Independent Non-Executive Directors who are responsible for the governance and orderly conduct and effectiveness of the Board and the positions of the Co-Chairmen and the Chief Executive Officer are separated and there is a clear division of responsibilities between the Co-Chairmen and the Chief Executive Officer.</p> <p>Furthermore, the Board had adopted Step-Up Practice 9.4 whereby the Audit Committee is made up exclusively of Independent Non- Executive Directors to enhance independence and objectivity within the Board.</p> <p>With the above, despite the departure from the Practice 5.2, the Board strongly believes that the independence element within the Board continues to be upheld and that independence and objectivity are asserted during the deliberation and decision-making at the Board and the Board Committees' meeting.</p>

Practice 5.3

The tenure of an independent director does not exceed a cumulative term limit of nine years. Upon completion of the nine years, an independent director may continue to serve on the board as a non-independent director.

If the board intends to retain an independent director beyond nine years, it should provide justification and seek annual shareholders' approval through a two-tier voting process.

Application	:	Applied
Explanation on application of the practice	:	<p>Shareholders' approval via a two-tier voting process to retain Encik Azahar Bin Baharudin as an Independent Non-Executive Director who had served on the Board for more than nine (9) years but not exceeding twelve (12) years will be sought at the forthcoming 18th AGM to be conducted on 27 August 2024.</p> <p>Prior to the Board's recommendation to the shareholders for retaining Encik Azahar Bin Baharudin as an Independent Non-Executive Director, the Nominating Committee and the Board had in May 2024 conducted an independence assessment via <i>Independent Directors' Self-Assessment Checklist</i>. The Nominating Committee and the Board were unanimous in their opinion that Encik Azahar Bin Baharudin's independence had not been compromised or impaired in any way and had met the definition of independence based on the independence guidelines set out in the MMLR, notwithstanding his long tenure in office. The length of Encik Azahar Bin Baharudin's service on the Board would not interfere with his independent judgement and he remains objective and independent in participating in the Board and Board Committees' deliberation and decision making.</p> <p>The Board therefore recommends to the shareholders to approve the retention of Encik Azahar Bin Baharudin as an Independent Non-Executive Director at the forthcoming 18th AGM via the two-tier voting process.</p>
