PROPOSED RENEWAL OF SHARE BUY-BACK

1. INTRODUCTION

At the 18th AGM of the Company held on 27 August 2024, the shareholders of Power Root approved a renewal of the authority for the Company to purchase up to 10% of its own issued share capital of Power Root. The said authorisation shall, in accordance with the Listing Requirements, expire at the conclusion of the forthcoming 19th AGM of the Company. On 18 July 2025, the Board had announced that the Company has proposed to seek its shareholders' approval for the Proposed Renewal of Share Buy-Back at the forthcoming AGM.

The purpose of this Statement is to provide you with the relevant information on the Proposed Renewal of Share Buy-Back and to seek your approval for the ordinary resolution pertaining to the Proposed Renewal of Share-Buy-Back to be tabled at the forthcoming AGM to be convened on 27 August 2025. The Notice of AGM together with the Proxy Form are enclosed in the Annual Report 2025.

2. DETAILS OF THE PROPOSED RENEWAL OF SHARE BUY-BACK

2.1 Details of the Proposed Renewal of Share Buy-Back

The Board is proposing to seek the shareholders' approval for the renewal of authority for the Company to purchase up to 10% of its total number of issued shares.

The mandate from the shareholders for the Proposed Renewal of Share Buy-Back shall be effective immediately upon the passing of the ordinary resolution for the Proposed Renewal of Share Buy-Back and will continue to be in force until:

- (i) the conclusion of the next AGM of the Company at which time the authority shall lapse, unless by ordinary resolution passed at the meeting, the authority is renewed, either unconditionally or subject to conditions; or
- (ii) the expiration of the period within the next AGM of the Company after the date it is required to be held pursuant to Section 340(2) of the Act (but shall not extend to such extension as may be allowed pursuant to Section 340(4) of the Act); or
- (iii) revoked or varied by resolution passed by the shareholders in general meeting,

whichever occurs first.

The purchase of Shares under the Proposed Renewal of Share Buy-Back will be carried out through Bursa Securities via stockbrokers to be appointed by the Board.

2.2 Treatment of Shares Purchased

The Proposed Renewal of Share Buy-Back will be undertaken in accordance with Section 127 of the Act, Chapter 12 of the Listing Requirements and any prevailing laws, orders, requirements, rules and regulations issued by the relevant authorities at the time of purchase. The Directors may deal with the Shares purchased in the following manner:

- (i) cancel all the shares so purchased; or
- (ii) distribute the shares as share dividends to the shareholders; or
- (iii) resell the shares through Bursa Securities in accordance with the rules of Bursa Securities; or
- (iv) transfer the shares for the purpose of or under an employees' share scheme; or
- (v) transfer the shares as purchase consideration; or
- (vi) such other manner as may be permitted by the Act.

An immediate announcement will be made to Bursa Securities on any purchase of shares as well as any resale or cancellation of the purchased Shares or a combination of both.

In the event that the purchased Shares are held as treasury shares, the rights attached to them as to voting, dividends and participation in other distribution and otherwise are suspended and the treasury shares shall not be taken into account in calculating the number or percentage of shares or of a class of shares in the Company for any purposes including, without limiting the generality of Section 127(9) of the Act, the Company's Constitution or the Listing Requirements on substantial shareholding, takeovers, notices, the requisitioning of meetings, the quorum for a meeting and the result of a vote on a resolution at a meeting.

2.3 Maximum amount of funds to be allocated and the source of funds

Paragraph 12.10(1) of the Listing Requirements stipulates that the Proposed Renewal of Share Buy-Back must be made wholly out of retained profits of the Company. Based on the latest audited financial statements of Power Root as at 31 March 2025, the Company has retained profits of RM27.2 million.

The Proposed Renewal of Share Buy-Back will allow the Board to exercise the power of the Company to purchase its own Shares at any time within the abovementioned period using the internal funds of the Power Root Group and/or external borrowings. The amount of internally generated funds and/or external borrowings to be utilised will only be determined later, depending on, amongst others, the availability of internally generated funds, the actual number of Shares to be purchased and other relevant factors.

If Power Root purchases its own Shares using external borrowings, the Board will ensure that the Power Root Group has sufficient funds to repay the external borrowings and that the repayment will not have any material effect on the cash flow of the Power Root Group.

2.4 Potential advantages and disadvantages

The potential advantages and disadvantages of the Proposed Renewal of Share Buy-Back, if implemented, to the Company and its shareholders are as follows:

Potential advantages:

- (i) allows the Company the flexibility in attaining its desired capital structure;
- (ii) rewards the shareholders in the event that the treasury shares are distributed as share dividends; and
- (iii) mitigates the dilution effects on the EPS of the Power Root Group if the shares purchased are cancelled, hence making the Power Root Shares more attractive to investors.

Potential disadvantages:

- (i) reduce the financial resources of the Power Root Group and may result in the forgoing of better investment opportunities that may emerge in the future; and
- (ii) may result in the reduction of financial resources available for distribution of dividends to shareholders in the future as the Proposed Renewal of Share Buy-Back can only be made out of the retained profits of the Company.

The Board will be mindful of the interests of the Company and its shareholders when undertaking the Proposed Renewal of Share Buy-Back and in the subsequent resale of treasury shares on Bursa Securities, if any.

2.5 Public shareholding spread

The Proposed Renewal of Share Buy-Back will be carried out in accordance with the prevailing laws at the time of the purchase including compliance with the 25% public shareholding spread as required under Paragraph 8.02(1) of the Listing Requirements.

As at the LPD, the public shareholding spread of the Company was 36.07%.

Assuming that Proposed Renewal of Share Buy-Back is implemented in full, the public shareholding spread would be reduced to approximately 29.06%.

The Board will be mindful of the public shareholding spread requirement before making any purchases of its own Shares.

2.6 Implication relating to the Code

Pursuant to the Code, if a director of a company or a person, together with the persons acting in concert with him (if any) (“**PACs**”), holding more than 33% but not more than 50% of the voting shares of a company, who as a result of a purchase by the company of its own voting shares, increase his holding in any period of six (6) months by an additional 2% or more of the voting shares of the company, there is an obligation to extend a mandatory offer to acquire the remaining shares not already held by the director of the company and the PACs. However, they may apply for an exemption from the Securities Commission pursuant to the Code.

As it is not intended for the Proposed Renewal of Share Buy-Back to trigger the obligation to undertake a mandatory general offer under the Code for any of its substantial shareholders and/or PACs, the Board will ensure that only such number of Power Root Shares are purchased, retained as treasury shares, cancelled or distributed such that the Code will not be triggered. In this connection, the Board is mindful of the requirements when making any purchase of Power Root Shares pursuant to the Proposed Renewal of Share Buy-Back.

2.7 Purchase price and resale price

Pursuant to the Listing Requirements, Power Root may only purchase its Shares on Bursa Securities at a price which is not more than 15% above the VWAP of the Power Root Shares for the five (5) market days immediately prior to the date of purchase(s). An immediate announcement will be made to Bursa Securities of any purchase(s) of its own shares on the day of purchase.

Where the Company decides to resell the treasury shares on Bursa Securities, the Company may only do so at:

- (i) a price which is not less than the VWAP for Power Root Shares for the five (5) market days immediately prior to the resale; or
- (ii) a discounted price of not more than 5% to the VWAP for the Power Root Shares for the five (5) market days immediately prior to the resale provided that:
 - (a) the resale takes place not earlier than thirty (30) days from the date of purchase; and
 - (b) the resale price is not less than the cost of purchase of the Power Root Shares being resold.

3. RATIONALE FOR THE PROPOSED RENEWAL OF SHARE BUY-BACK

The Proposed Renewal of Share Buy-Back is undertaken for the following purposes:

- (a) enable the Company to utilise any of the Power Root Group's surplus financial resources, which is not immediately required for other uses, to purchase its own Shares from the open market at market prices which the Board views favourable;
- (b) to stabilise the supply and demand, thereby supporting the fundamental value of the Power Root Shares;
- (c) if the purchased Power Root Shares are subsequently cancelled, long-term investors are expected to enjoy a corresponding increase in the value of their investments in the Company with the proportionate strengthening of the EPS of Power Root;
- (d) the purchased Power Root Shares can also be held as treasury shares and resold on Bursa Securities at a higher price therefore realising a potential gain without affecting the total issued share capital of the Company; and
- (e) should any treasury shares be distributed as share dividends, this would also serve to reward the shareholders of the Company.

4. EFFECTS OF THE PROPOSED RENEWAL OF SHARE BUY-BACK

The effects of the Proposed Renewal of Share Buy-Back on the issued share capital, NA, earnings, EPS, working capital and shareholdings of Directors and substantial shareholders are set out below based on the following assumptions:

Minimum scenario : Assuming none of the Outstanding ESOS Options are exercised before the implementation of the Proposed Renewal of Share Buy-Back.

Maximum scenario : Assuming all the Outstanding ESOS Options granted and/or to be granted are exercised before the implementation of the Proposed Renewal of Share Buy-Back.

4.1 Share capital

The effects of the Proposed Renewal of Share Buy-Back on the Company are set out below:

	<u>Minimum Scenario</u> No. of Shares	<u>Maximum Scenario</u> No. of Shares
Total number of issued shares as at the LPD	424,545,232*	424,545,232*
Assuming full exercise of the ESOS Options	-	48,640,000
Enlarged issued share capital	424,545,232*	473,185,232
Maximum number of shares that may be purchased and cancelled pursuant to the Proposed Renewal of Share Buy-Back	(42,454,523)*	(47,318,523)
Issued share capital after the Proposed Renewal of Share Buy-Back	382,090,709	425,866,709

Note:

**Inclusive of 548,300 Treasury Shares*

The effect of the Proposed Renewal of Share Buy-Back on the issued share capital of the Company will depend on the intention of the Board with regards to the treatment of the purchased Power Root Shares. If the purchased Shares are cancelled, the issued share capital will be reduced by the number of Shares so cancelled. Conversely, if the purchased Power Root Shares are retained as treasury shares, resold or distributed to the shareholders, the Proposed Renewal of Share Buy-Back will not have any effect on the issued share capital of the Company.

4.2 NA

The effect of the Proposed Renewal of Share Buy-Back on the NA per Share will depend on the actual purchase prices of the Power Root Shares. If all the Power Root Shares purchased are cancelled, the Proposed Renewal of Share Buy-Back will reduce the NA per Share if the purchase price exceeds the NA per Share at the time of the purchase. Conversely, the NA per Share will increase if the purchase price is below the NA per Share at the time of the purchase.

The NA will decrease if the purchased Shares are retained as treasury shares due to the accounting requirement for treasury shares to be carried at cost resulting in a decrease by the cost of the treasury shares.

If the treasury shares are subsequently resold on Bursa Securities, the NA upon the resale will increase if the Company realises a gain from the resale, and vice versa. If the treasury shares are distributed as dividends, the NA of the Power Root Group will be reduced by the cost of the treasury shares.

4.3 Earnings and EPS

The effects of the Proposed Renewal of Share Buy-Back will depend on the purchase price(s) of the Power Root Shares and the effective funding cost, if any, or any loss in interest income to the Power Root Group.

4.4 Dividends

Assuming the Proposed Renewal of Share Buy-Back is implemented in full and the dividend quantum is maintained at historical levels, if the Power Root Shares so purchased are cancelled, the Proposed Renewal of Share Buy-Back will have the effect of increasing the dividend rate of Power Root as a result of the reduction in the issued share capital of Power Root.

4.5 Working capital

The Proposed Renewal of Share Buy-Back will reduce the working capital of the Power Root Group, with the quantum depending on the purchase price(s) and the actual number of Power Root Shares bought back. However, the Board believes that the Proposed Renewal of Share Buy-Back will not have any material effect on the working capital of the Group.

To: The Shareholders of Power Root Berhad

Dear Sir/Madam,

PROPOSED SHAREHOLDERS' MANDATE

1. INTRODUCTION

At the 18th AGM of the Company held on 27 August 2024, the Company sought and obtained from its shareholders the general mandate for the Power Root Group to enter into RRPTs of a revenue or trading nature in the ordinary course of business based on commercial terms which are not more favourable to the Related Parties than those generally available to the public and which are necessary for the Power Root Group's day to day operations. The aforesaid mandate shall, in accordance with the Listing Requirements, lapse at the conclusion of the forthcoming 19th AGM of the Company unless authority for its renewal is obtained from the shareholders.

On 18 July 2025, the Board had announced that the Company has proposed to seek its shareholders' approval for the Proposed Shareholders' Mandate pursuant to Paragraph 10.09 of the Listing Requirements.

The purpose of this Circular is to provide you with the relevant information on the Proposed Shareholder' Mandate and to seek your approval for the ordinary resolution pertaining to the Proposed Shareholders' Mandate to be tabled at the forthcoming AGM to be convened on 27 August 2025. The Notice of the AGM together with the Proxy Form are enclosed in the Annual Report 2025.

SHAREHOLDERS ARE ADVISED TO READ AND CONSIDER CAREFULLY THE CONTENTS OF THIS CIRCULAR, TOGETHER WITH THE APPENDIX, BEFORE VOTING ON THE ORDINARY RESOLUTION PERTAINING TO THE PROPOSED SHAREHOLDERS' MANDATE TO BE TABLED AT THE FORTHCOMING AGM.

2.6 Review procedures in relation to RRPTs

To promote good corporate governance in the conduct of the Group's business, the Group has established a framework for evaluating potential conflicts of interest and disclosure obligations arising out of transactions, arrangements and relationships between the Company and its Related Parties. The procedures in this framework ensure the RRPTs are on arm's length basis, not more favourable to the related party than those generally available to the public and are not to the detriment of the minority shareholders and in the best interest of the Group. We set forth below the review procedures of our Company's RRPTs:

- (i) Each Director is required to make full disclosures at once of any interest he or she may have in any business enterprise with an existing or proposed business relationship or transaction with the Company and/or its subsidiaries.
- (ii) All RRPT will be reviewed by the Audit Committee on a quarterly basis. Any member of the Audit Committee may as he deems fit, request for additional information on the RRPT from independent sources or advisers. Where the RRPT is estimated to exceed the percentage ratio of 1% or RM1 million in value whichever is higher, the RRPT will be reviewed and approved by our Audit Committee. Where the RRPT is below the above threshold, the RRPT can be reviewed and approved by any two non-interested authorised personnel (comprising any two (2) of the Directors) and thereafter, perused by our Audit Committee quarterly.
- (iii) The Audit Committee shall review procedures, and shall continue to review the procedures, on an annual basis or whenever the need arises.
- (v) With the information provided in the RRPT papers, the Board ascertains that at least two (2) other contemporaneous transactions with unrelated third parties for similar products or services and/or quantities will be used as comparison, wherever possible, to determine whether the price and terms offered to or by the Related Parties are fair and reasonable and comparable to those offered to or by other unrelated third parties for the same or substantially similar type of products or services and/or quantities. If a quotation or comparative pricing from unrelated third parties cannot be obtained, the transaction price will be reviewed by our Audit Committee based on usual business practices of the Group to ensure that the RRPT are fair and reasonable to the Group as to the prices and terms, and are not detrimental to the minority shareholders of the Group.
- (vi) The interested Director in the RRPT must abstain from the Board's deliberation and voting on the relevant resolution(s) approving the RRPT. The interested Director must inform our Board, of the details of the nature and extent of his interest, including all matters in relation to the proposed RRPT that he is aware or should reasonably be aware of, which is not in the best interest of the Company or its subsidiary, as the case may be.
- (vii) The interested Director, interested Major Shareholder or Person Connected to them must not vote at the general meeting on the resolution approving the RRPT. It is the duty of the interested Director and interested Major Shareholder to ensure that Persons Connected to them abstain from voting on the resolution approving the RRPT.

2.7 Statement by Audit Committee

The Audit Committee has the overall responsibility of determining whether the procedures for reviewing all RRPTs are appropriate. The Audit Committee will review and ascertain at least once a year whether the procedures established to monitor RRPTs have been complied with. If it is determined that the procedures stated in Part B, Section 2.6 are inadequate to ensure that (i) the RRPTs will be conducted at arms' length and on normal commercial terms and (ii) such transactions are not prejudicial to the interest of the shareholders, the Company will obtain a fresh shareholders' mandate based on the new procedures.

The Audit Committee will also have the discretion to request for limits to be imposed or for additional procedures to be followed if it considers such requests to be appropriate. In that event, such limits or procedures may be implemented without the approval of shareholders, provided that they are more stringent than the existing limits or procedures.

The Audit Committee has reviewed the procedures as set out in Part B, Section 2.6 of this Circular and is of the view that the procedures are sufficient to ensure that the RRPTs are undertaken on arms' length basis on the Group's normal commercial terms not more favourable to the Related Parties than those generally available to the public and are not the detriment of the minority shareholders.

The Audit Committee is of the further view that the Group has in place adequate procedures and processes to monitor, track and identify RRPTs in a timely and orderly manner. The Audit Committee shall review these procedures and processes on a yearly basis or whenever the need arises.

2.8 Disclosure of Recurrent Related Party Transactions

Disclosure will be made in the annual report of the Company in accordance with Paragraph 3.1.5 of Practice Note 12 of the Listing Requirements, which requires a breakdown of the aggregate value of the RRPTs entered into during the financial year based on the following information:

- (a) the type of the RRPTs made; and
- (b) the names of the Related Parties involved in each type of the RRPTs made and their relationships with the Company.

The above disclosure will be made in the Company's annual report for each subsequent financial year after the Proposed Shareholders' Mandate had been obtained.

3. RATIONALE FOR THE PROPOSED SHAREHOLDERS' MANDATE

The RRPTs envisaged in the Proposed Shareholders' Mandate are in the ordinary course of business of the Group and recurring in nature. The Proposed Shareholders' Mandate will eliminate the need to convene separate general meetings on each occasion to seek shareholders' prior approval for entry by the Group into such transactions.
